RESOLUTION

No. 421-CIN.—7th April 1973.—The Director of Cinchona and Other Medicinal Plants, West Bengal, has been experiencing difficulties in the matter of disposal of Cinchona products for export in the existing procedure of inviting quotations by circulation of Sales Notices to the Indian exporters because of complications arising out of bid by the unscrupulous and "benami" exporters.

It was, therefore, considered expedient that there should be a system of empanelling the Indian exporters after advertisement and preliminary investigation and that Sales Notices, in so far as Indian exporters are concerned, should only be circulated to those whose names have been incorporated in the panel.

Governor is now pleased to direct that a panel of Indian exporters should be prepared by the Director of Cinchona and Other Medicinal Plants, West Bengal, in consultation with the Sale Committee for export sales of Cinchona products after making advertisement in the reported daily newspapers through the Information and Public Relations Department of this Government and after making preliminary investigation.

New names should be incorporated in the panel, so formed, from time to time after making preliminary investigation by the Director of Cinchona and Other Medicinal Plants, West Bengal, in consultation with the said Committee.

After the introduction of this system, Sales Notices, in so far as Indian exporters are concerned, should only be circulated by the Director of Cinchona and Other Medicinal Plants, West Bengal, to those whose names have been incorporated in the panel.

"Whether the management was justified in refusing earned leave to Sarvashree Provash Chandra Digar and Janmenjoy Chatterjee for six days in the month of October 1971? What relief, if any, are they entitled to?"

On receipt of the Order of Reference the Tribunal issued notices to the parties which were duly served upon them. The Company authorised learned Advocate Shri Mohit Kumar Mukherjee along with learned Advocate Shri Subhas Basu to represent its case. 20th March 1973, was fixed for appearance and filing of written statement by the Union. The Union, however, neither appeared nor took any steps for filing written statement on 20th March 1973. So 9th April 1973, was fixed for filing written statement by the Company. But on 9th April 1973, neither party appeared nor steps were taken by the Company for filing

written statement. So 19th April 1973, was fixed for filing lists of documents by the parties and 23rd April 1973, was fixed for final hearing. Neither party took any steps on 19th April 1973. So on 23rd April 1973, the case was adjourned to 24th April 1973, for passing a "no dispute" award. In the circumstances, now I find that the workmen and the employer are no longer interested in the matter. That being so, it is a fit case for passing a "No dispute" award. Hence I pass a "No dispute" award.

ANNEXURE

In the matter of an ndustrial dispute between Messrs. Bengal Optical Company, 32 Kumari para Road, Liluah, Howrah, and their workmen represented by Royal Optical Industries Sramik Union, 98 Rabindra Sarani, Liluah, Howrah, referred under G. O. No. 968-I.R./IR-11L-62/72, dated 24th February 1972. (Case No. VIII-C-9/72.).

BEFORE THE SECOND LABOUR COURT, WEST BENGAL

Present:

D. N. SEN, Judge,
Second Labour Court.

The Government of West Bengal, Labour Department, has referred an industrial dispute between Messrs. Bengal Optical Company, 32 Kumarpara Road, Liluah, Howrah, and their workmen represented by Royal Optical Industries Sramik Union, 98 Rabindra Sarani, Liluah, Howrah, to this Court by its order No. 968-I.R./IR/11L-62/72, dated 24th February 1972, under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issues:

Issues

1. Whether termination of employment to Shri S. R. Banerjee is justified? To what relief, if any, is he entitled?

2. Whether cessation of work of the factory from 22nd March 1971, is real? To what relief, if any, are the workmen entitled?

After receipt of the reference usual notices were issued upon the parties. Notice upon the Union was duly served and it entered appearance on 29th May 1972. The notice upon the Company was received back unserved. Thereafter, the Union filed its written statement on 14th July 1972. The case was adjourned till 16th August 1972, for filing written statement by the Company. Again it was adjourned till 7th September 1972, for the same purpose. On 7th September 1972, the Union was directed to furnish the fresh address of the Company for issuing fresh notice. On 2nd November 1972, the Union furnished the correct address of the employer and the notice was issued to the said address on 2nd December 1972, fixing 5th January 1973, for appearance. The notice was duly served but the Company did not enter appearance. The case was adjourned till 5th February 1973, for filing written statement by the Company. On that date also the Company did not appear and the case was again adjourned till 5th March 1973 for filing written statement by the Company. On that date also the Company was absent and after hearing of the Union the case was fixed on 29th March 1973 for hearing. On 29th March 1973, also the Company was absent and so the case was set down for ex parte hearing on 9th April 1973. On 9th April 1973, the Company was absent and the case was taken up for ex parte hearing and the evidence of the Union was concluded and the submissions made by the representatives of the Union were heard.

Decision

Issue No. 1

At the outset I must say that though heard ex parte the case has been badly handled by the Union and practically no evidence has been led by the Union to show that the termination of employment of Shri S. R. Banerjee is unjustified. P.W. 2, Nimai Chandra Bera has only said that Shri Benrejee was not paid any wages from December 1970. There is absolutely no evidence on record to show that his services were illegally terminated. As the initial onus is upon the

Union to show that the alleged termination of services of Shri S. R. Banerjee were unjustified, and it has not adduced any evidence to discharge that onus, it must be presumed that the Union is not pressing the issue any further. Accordingly, in the absence of any evidence I cannot decide the issue in favour of the Union and no relief can be granted to Shri S. R. Banerjee on that score.

Issue No. 2

A reading of the evidence of P.W. 1, Ram Chandra Dhuri and P.W. 2, Nimai Chandra Bera, will make it clear that the Factory was closed down on 22nd March 1971, as a matter of fact. P.W. 1, has however tried to establish that the employer is running his Factory within his residence. But that has not been corroborated by P.W. 2. On the contrary, as I have said already that it is consistent evidence to both the P.W.'s that the Factory at Liluah was closed down on 22nd March 1971.

In the aforesaid state of evidence I conclude that the cessation of work of the Factory from 22nd March 1971, is real. That being so the workmen are entitled to closure benefits under section 25FFF of the Industrial Disputes Act. The issue is thus, answered.

This is my award.

No. 3678-I.R./IR/13L-8/72.—16th May 1973.—Whereas under the Government of West Bengal, Labour Department, order No. 5507-I.R./IR/13L-8/72, dated the 13th September 1972, the industrial dispute between Messrs. Udayan Printing Works, P. O. English Bazar, Malda, and their workmen represented by Malda Zilla Press Karmachari Samity, P. O. English Bazar, district Malda, regarding the issue mentioned in the said order being a matter specified in the Second Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the First Labour Court;

And whereas the said First Labour Court has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the Annexure hereto.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Udayan Printing Works, P. O. English Bazar, Malda, and their workmen represented by Malda Zilla Press Karmachari Samity, P. O. English Bazar, district Malda, (Case No. VIII-C-28/72.)

AWARD

By the Government of West Bengal, Labour Department, order No. 5507-I.R./IR/13L-8/72, dated the 13th September 1972, an industrial dispute existing between Messrs. Udayan Printing Works, P. O. English Bazar, Malda, and their workmen represented by Malda Zilla Press Karmachari Samity, P. O. English Bazar, district Malda, was referred to this Court, under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication, in respect of the following issue:

Issue

Is the termination of service of Shri Kali Prasad Das, Compositor, justified? What relief, if any, is he entitled to?

Notices were issued to the parties fixing 27th November 1972, for their appearances. But the parties did not appear although the notices were duly served on them. The parties, however, sent by registered post, a joint petition of compromise stating that they had already settled the dispute. The said joint petition of compromise was not moved by parties nor did the parties ever appear before the Court, on the dates fixed in connection with this case.

Under such circumstances, it appears that there exists no dispute between the parties, any further and that the parties settled their dispute out of Court, I, therefore, dispose of this case by passing a "No Dispute" award.

RESOLUTION

No. 853-Pc./5M/30/72.—2nd November 1972.—The Central Livestock Research-cum-Breeding Station, Haringhata, was originally designed to serve as a model type of farm for different kinds of Livestock, such as, cattle, sheep, goats, pigs and ducks. Since the establishment of this Station, various development schemes for each of these different kinds of Livestock have been taken up in different parts of the State and the units set up under these schemes are now serving as local model farms for encouragement of villagers in different districts. As such, the model farms for different kinds of Livestock, other than the cattle farms, seem to be of diminishing utility while still centrally located at Haringhata.

In fact, the development programme might be accelerated if greater attention could be paid to the proper working of the farms and units which have been set up subsequently in different districts. This might require decentralisation of Livestock development work from Haringhata to different districts. The general working of the Poultry Farms, Sheep Breeding Farms and their extension centres also require careful study with a view to finding out their shortcomings and in order to ascertain the economics of each such unit.

In the circumstances stated above and also in consideration of the recurring losses in the working and management of all the units at Haringhata and in other places, the Governor is pleased to constitute a Committee to be called "The Committee of Enquiry on State Livestock Farms" to study carefully the working of various State Livestock Farms and units including Poultry Farms under the Department of Animal Husbandry and Veterinary Services, to study and evaluate their objectives and performance and to examine the feasibility of decentralisation to be effected by moving the Poultry Breeding Farm, Regional Duck Farm and Goat Breeding Farm, located at Haringhata to different districts.

AWARD

Shri Provat Kumar Ghosh, Sriniketan Road, P. O. Bolpur, district Birbhum and their workmen represented by Birbhum Motor Workers' Association (Regd. No. 4404) of Gurupalli, P. O. Issue

"Whether the termination of service of Shri Laxminarayan Goswami by way of refusal of employment to him with effect from 3rd August 1970 is justified ? What relief, if any, is he entitled to ?"

Notices were issued to the parties fixing 27th November 1972 for their appearances. But the parties did not appear although the notices

were duly served on them. The parties, however, sent by registered post a joint petition of compromise stating that they had already settled the dispute. The said joint petition of compromise was not moved by parties nor did the parties ever appear before the Court, on the dates fixed in connection with this case.

Under such circumstances, it appears that there exists no dispute between the parties any further and that the parties settled their dispute out of Court. I, therefore, dispose of this case by passing a "No Dispute" award.

Notices having been served on the parties, they entered appearance and filed their respective written statements.

The Company in its written statement has raised certain preliminary points and it was urged that the said preliminary points should be disposed of before the case was taken up for hearing on merits.

The preliminary points raised by the Company are as follows:—

(1) That the Company has no workman in its establishment at 54/1 Canning Street, the address given in the Order of Reference and the persons named in the Order of Reference were never the employees of the Company and as such the reference is bad in law, due to the absence of any relationship of employer and employees between the Company and the alleged workmen.

(2) That the reference is also bad in law as no dispute was raised by the Union or the alleged workman directly with the Company at any point of time.

(3) That the Calcutta Shops & Commercial Mazdoor Panchayat, has no right to represent the alleged workman.

Apprerances of the parties runs as follows:—

For the Company: Shri M. K. Sen.

For the Union: Shri M. M. Saha, Advocate.

Findings

Point No. 1

The Company, as the evidence shows, has its establishment at 54/1 Canning Street, and office at 56/1 Canning Street. We are here concerned only with the establishment at 54/1 Canning Street as mentioned in the Order of Reference.

In paragraph 7 of the Company's written statement it has specifically stated that there is no workman attached to the shop of the Company at 54/1 Canning Street. This is also the evidence of O.P.W. 1 Shyam Abtar Jhun Jhunwala, a partner of the Company who admittedly looks after the shop. His evidence is that he runs the shop with the help of some of his relatives. It is in evidence that Madhab & Co., is one of the agents of the manufacturers and manufactured articles are loaded and unloaded with the help of some unknown coolies.

The Union on the other hand, examined P.W. 1 Dilip Roy, the Secretary of the Union, and P.W. 2 Ram Khilon Jadav, one of the alleged workmen, named in the Order of Reference, both of whem stated that the persons named in the Order of Reference are permanent employees of the Company. However, not a scrap of paper is forthcoming in support of this statement. There is also no independent evidence to show that the persons named in the Order of Reference or any one of them were ever the employees of the Company.

Now, in order to be a workman, one must be employed in the industry according to the definition of "workmen" as given in section 2(S) of the Industrial Disputes Act, 1947. That the persons named in the Order of reference were never employees of the Company will appear from the Memorandum of Settlement (Ext. 1), allegedly entered into between the parties on 30th October 1971. According to O.P.W. 1 Shyam Abtar Jhun Jhunwala, he was compelled to sign the aforesaid agreement under duress, but the Union has placed very much reliance on this document. The relevant portion of the document runs as follows:—

"The 8 Coolies working under the above Company on daily wages for last few years, the said Union raised the dispute that the said coolies will be treated as the employees of the Company, but the Management did not accept it.

So the following terms and condition has been settled amicably.

Terms

(1) The Government of West Bengal will settle the above dispute and that settlement will be binding on the both parties."

The agreement, as it appears, bears the signature of P.W. 1 Dilip Roy and O.P.W. 1 Shyam Abtar Jhun Jhunwala. Now the persons named in the Order of Reference in issue No. 1 are 8 in number and on being cross-examined Dilip Roy (P.W. 1) stated that the 8 coolies mentioned in the agreement are the persons named in the Order of Reference. It is therefore clear that the persons named in the Order of Reference are merely coolies and were never accepted as employees of the Company. Moreover, as already observed, barring the testimony of P.W. 1 and P.W. 2 who are highly interested witnesses, there is no other dependable evidence on record to show that the persons named in the Order of Reference were ever employees of the Company. There is also no independent evidence to show that they ever worked for and on behalf of the Company in any capacity whatsoever. It may be possible that they were engaged as coolies on some occasions for loading and unloading purposes, but simply because of that they cannot claim themselves to be the employees of the Company. There is also nothing to show that they were bound to be the employees of the Company by the Government of West Bengal in terms of the agreement (Ext. B).

In paragraph 4 of the Union written statement it has been alleged that the Company has 40 workmen including 10 manual worker, but there is no evidence in support of it. The Company's witness Shyam Abtar Jhun Jhunwala (O.P.W. 1) has stated categorically that they never had any employee in their shop at 54/1 Canning Street. As it appears from the evidence of O.P.W. 1, that on 30th October 1971 there was a demand before him that 8 coolies should be given employment in their shop and his evidence is amply corroborated by the Memorandum of Settlement (Ext. 1). Undisputedly, the management never agreed to accept those coolies as their employee. Even presuming for the sake of argument that the management agreed to accept them as their employees, it is now well settled that a mere contract to employ a person does not turn that person into a workman within the meaning of section 2(s) of the Industrial Disputes Act, 1947, as the relationship of master and servant is not thereby created. That being the position I am unable to hold that any relationship of master and servant was ever created between the management and the persons mentioned in the Order of Reference. Accordingly the Union, in my view, was not competent to raise an industrial dispute over the cause of the persons who were never employees of the Company. So there being no industrial dispute in this case, the reference should be held to be bad in law. Point No. 1 therefore succeeds.

Point No. 2.

Though this point does not require any decision in view of my finding on Point No. 1, I may mention incidentally that though the management denied categorically that no dispute was raised with it before the reference was made, it has been specifically stated in paragraph 4 of the

Company's written statement that the Charter of Demands was actually placed on 16th September 1972 Ext. A is a copy of the Charter of Demands containing all the demands of the alleged workman barring of course the demand for reinstatement of the alleged workmen. However, there is oral evidence on this point and it will be bound from the evidence of the P.Ws. 1 and 2 that all the demands of the alleged workmen were raised earlier with the management.

Point No. 3

The evidence of P.W. 1 Dilip Roy is that the employees of Madhab & Co. are members of their Union, which is an omnibus Union. However, as already observed, that Madhab & Co., has no employee at 54/1 Canning Street. The witness also stated that only the persons named in the Order of Reference and no other worker of Madhab & Co., are their members. Now, had the aforesaid person really been the employees of the Company, the omnibus Union would certainly have been competent to espouse the cause of the workman of the Company in view of the latest decisions of the Hon'ble Supreme Court as well as in view of the decision of the Calcutta High Court in the case of Air France Vs. Miss Kotwal, as reported in 1970(II) L.L.J. 68, but the Company having no workman at 54/1 Canning Street, this question does not at all arise.

Be that as it may, in view of my findings on Point No. 1, it must be held that there is no industrial dispute in this case because of lack of any relationship of employer & employees between the management and the persons named in the order of reference and as such the reference is bad in law and incompetent.

That being the position, it is not at all necessary to go into the merits of the case.

This is my award.

The case was adjourned to 11th April 1973 for filing written statement by the Union. On 11th April 1973 the Union did not appear and did not file any written statement. The Union, however, was granted opportunity till 24th April 1973 for filing written statement. On 24th April 1973 both parties did not appear and no step was taken by the Union to file written statement. It appears that the Union did not take any step for filing written statement in spite of several opportunities being granted to the Union. The Company also did not appear on 24th April 1973. It appears that the parties are not interested in the present reference.

Having regard to the materials on record, I am of opinion that the industrial dispute under reference is no longer in existence. Accordingly, I pass a "no-dispute" award. The reference be disposed of.

CO-OPERATION DEPARTMENT

NOTIFICATION

No. 3000-Co-op./7S-76/73.—3rd July 1973.—Whereas the managing committee of the Balurghat Co-operative Land Mortgage Bank Limited in the district of West Dinajpur (hereinafter referred to as the said bank) has—

(1) failed to hold its annual general meetings, in compliance with the mandatory provisions of section 21 of the Bengal Co-operative Societies Act, 1940 (Ben. Act XXI of 1940) (hereinafter referred to as the said Act), since 1968 no annual general meeting of the said bank being held in between the 6th January 1968 and the 8th July 1972;

(2) in the face of the dangerously deteriorating financial condition of the said bank (standing loss of nearly Rs. 88,000 being shown in the balance sheet) and ignoring serious objection raised in this connection by the Assistant Registrar of Co-operative Societies, West Dinajpur, accepted and enforced a pay scale and rules for payment of gratuity and interest on provident fund for their staff involving an additional burden of much more than Rs. 20,000 per year;

(3) failed to maintain even the minimum level of the annual business of the said bank (a sum of Rs. 12,972 only being invested till the month of October 1972, during 1972-1973, when the target for investment for the said year was Rs. 40 lakhs);

(4) recklessly and without caring in the least to observe the rules of financial propriety, advanced, on several occasions, large sums of money to the members (including the manager) of the staff of the said bank, directors and officers without any interest against pay and travelling allowances and for purchase of rice, costumes and various other sundry purposes, though no existing rule provides in the least for sanction of any such advance (such advances granted remaining unadjusted for long time without regular entry in the account book);

(5) failed to maintain effective supervision and control over the members of the staff of the said bank consequent upon which the internal administration of the said bank has been in a total chaos and mess;

(6) failed to take any effective step to rectify the defects and irregularities in the working and administration of the said bank, as pointed out by statutory audit, inspection and inquiry on a number of occasions;

(7) failed to keep and maintain accounts of the said bank regularly and properly (the conditions of the accounts of the said bank being found, during inspection, in a deplorable and miserable condition, so much so, that it is now almost impossible to get any authentic picture of the financial condition of the said bank from the account books and other papers available in the said bank premises);

(8) retained, against the provisions of the said Act and the rules and the by-laws made thereunder, collections of loan to the extent of Rs. 1 lakh 98 thousand without remitting the same to the Central Land Mortgage Bank, though an amount of Rs. 4 lakhs 44 thousand and 8 hundred was due from the said bank to the said Central Land Mortgage Bank on account of interest alone;

(9) wrongfully misused funds of the said bank (the funds being found to be Rs 1,16,606 26 P. on the 9th of April 1973, far short of the amount of collection not remitted to the Central Land Mortgage Bank);

(10) in spite of the extremely bad financial position of the said bank, purchased one jeep from one Shri Sarma at a cost of Rs. 12,000, the cost of maintaining the said vehicle being found to be out of all proportion to the present miserable financial condition of the said bank, and the said jeep being purchased after diverting the fund of the Central Land Mortgage Bank to the said effect,

(11) failed to take any effective step to collect heavy overdues of the said bank, thus jeopardizing the already deteriorating financial condition of the said bank,

And whereas the present extremely unsatisfactory state of affairs of the said bank has rendered it impossible for the said bank and its management to fulfil their obligations to their members in the matter of catering to their long-term needs and have been telling heavily upon the scheme of Small Farmers' Development Agency, West Dinajpur, as well as upon the co-operative movement in the district of West Dinajpur as a whole;

And whereas the managing committee of the said bank has failed miserably to conduct the business of the said bank in a manner which would ensure uninterrupted flow of credit towards the agricultural development of the district it has been called upon to serve;

And whereas on account of the aforesaid facts and circumstances, the Governor is of opinion that—

(a) the managing committee of the said bank—

(i) has persistently made defaults and has been grossly negligent in the performance of the duties imposed on it by the said Act and the rules and by-laws made thereunder

(ii) has committed acts which are prejudicial to the interest of the said bank and the other co-operative societies in the State of West Bengal, and

(iii) has failed to comply with the directions issued from time to time by the local Assistant Registrar of Co-operative Societies and the statutory audit and inspection;

(b) immediate dissolution of the managing committee of the said bank is essential in the interest of the said bank and the co-operative movement in general;

Now, therefore, in exercise of the power conferred by the proviso to sub-section (1) of section 26 of the Bengal Co-operative Societies Act, 1940 (Ben. Act XXI of 1940), the Governor is pleased hereby—

(a) to dissolve the managing committee of the Balurghat Co-operative Land Mortgage Bank Limited in the district of West Dinajpur, the members of which shall forthwith vacate their offices,

(b) to appoint for a period of two years, with effect on and from the date of this Notification, a board of administrators consisting of—

(i) Subdivisional Officer, Balurghat—Chairman,

(ii) Project Officer, Small Farmers' Development Agency, West Dinajpur, and

(iii) District Agricultural Officer, West Dinajpur, to manage the affairs of the said bank; and

(c) to direct that the members of the said Board of Administrators shall act in addition to their own respective duties, and shall exercise and perform all the powers and the duties of the managing committee of the said bank as provided in the said Act and the rules and the by-laws made thereunder.

AWARD

By the Government of West Bengal, Labour Department, order No. 6506-I.R./IR/14L-14/70, dated the 23rd December 1971, an industrial dispute existing between South Dum Dum Municipality, Nager Bazar, Calcutta-28 and their workmen represented by South Dum Dum Municipality, Employees' Union, Nager Bazar, Calcutta-28, was referred to this Court under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication, in respect of the following issue:

Issue

Is the termination of service of Shri Budhua Hela by way of refusal of employment to him justified? To what relief, if any, is he entitled?

After receipt of the reference, usual notices were issued to the parties fixing 6th March 1973 for their appearance. But the parties did not

appear before the Court on the date fixed though the Court's notices were duly served on them. After that several dates were fixed but the parties failed to appear on all the dates so fixed.

Under the circumstances, I am inclined to believe that the parties are no longer interested to proceed with the case and that the dispute under reference is no longer in existence. I, therefore, dispose of this case by passing a 'No dispute' award.

By Labour Department order No. 4448-I.R./IR/7L-21/70, dated the 27th May 1970, the Governor was pleased to refer the instant dispute between Messrs. Kankinarah Company Ltd., P.O. Kankinarah, district 24-Parganas, and their workmen represented by Bengal Chatkal Mazdoor Union, Kankinarah Branch, BL No. 10, P.O. Kankinarah, 24-Parganas, under section 10 of the Industrial Disputes Act, 1947, to the First Industrial Tribunal constituted under notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication, on the following issue:

Issues

Whether the dismissal of Sarbasri Moim Khan, Hira and Rajindra is justified? To what relief, if any, are they entitled?

In this case both the parties namely, the Union and the Company appeared and filed their respective written statements.

Three workmen namely, Shri Moim Khan, Shri Hira and Shri Rajindra as mentioned above were involved in this case. During the pendency of this case on 1st September 1972 the Company, however, filed an additional written statement stating that the dispute between them and the workman, Rajindra had since been amicably settled and it was no longer in existence. The Union's representative also stated before the Tribunal that the Union would not pursue the case of Shri Rajindra in this reference (vide order No. 38, dated 19th September 1972). In the circumstances the case of Rajindra does not come for consideration in this reference and it is not dealt with in this case. Now, therefore, we are concerned only with the case of Shri Moim Khan and Shri Hira.

The case of the Union about the said two workmen, namely, Shri Moim Khan and Shri Hira is as given below:-

The Union contends that the said two workmen were permanent employees of the Company and

they were doing their duties faithfully. But the Company issued two charge-sheets, dated 14th January 1967 and 6th February 1967 respectively, against each of the said workmen. The charge-sheets issued against each of the workmen were exactly the same. Both the workmen gave replies to the said charge-sheets respectively and they totally denied the allegations as made against them respectively in the said charge-sheets. The Company, however, held enquiries against the said workmen and the Enquiry Officer submitted reports against the said workmen holding them guilty in respect of each of the charge-sheets issued against them and the Company dismissed both the workmen from service by their letters, dated 4th May 1967. The Union contends that the said charge-sheets were issued against the said workmen as they incurred displeasure of the management for their Union activities and that the enquiries were not fair nor proper and those were illegal and mala fide and were held in violation of the principle of natural justice and that the orders of dismissal passed by the management against the workmen concerned were not justified and those cannot stand. The Union referred the matter to the Labour Commissioner, but the dispute could not be resolved amicably and consequently this reference has been made to this Tribunal.

The case of the Union is contested by the Company and their case is as follows:

It is contended from the side of the Company that at the relevant time Shri Moim Khan and Shri Hira were working in the Spinning Department of the Company and on 10th January 1967 Hira and Moim Khan left their work without permission and come to the Winding Department unauthorisedly and incited a section of the workers of the said department to strike at work on unjustifiable ground. The further cast of the Company is that inspite of repeated instructions of the superior officer to leave the department, they continued to disobey the said order and created a chaotic situation there. The Company contend further that they were found to have behaved in a riotous manner with their Departmental Overseer and thereby they endangered the safety of the Managerial Staff. In the circumstances, charge-sheets were issued to the workmen concerned on the 14th January 1967 (Ext. A and Ext. C) for committing the aforesaid offences which amounted to misconduct jointly and severally punishable with dismissal, under the provisions of the Standing Orders and that they were suspended from service from that date, that is, from 14th January 1967.

The further case of the Company is that at about 7 a.m. on 6th February 1967 after a normal and peaceful resumption of work in the Mill when Shri Bhagwan Shaw and Shri Nawrangi Shaw who were members of the Works Committee went out of the Mill for taking tea in a nearby tea-stall, the workmen concerned followed them and made them sit at another tea-stall and demanded of them immediate withdrawal of charge-sheets on workers and permission to them to resume their duties. Shri Bhagwan Shaw and Shri Nawrangi Shaw, however, refused to comply with their said illegal and unreasonable demand and advised them to go through proper procedure and at this the workmen concerned assaulted Nawrangi Shaw and intimidated him with further violence with a dagger and separate charge-sheets, dated 6th February 1967, were issued against both the workmen concerned (Exts. B and D) for their aforesaid misconduct which was punishable with dismissal under the Standing Orders.

The workmen concerned submitted their explanations to both the charge-sheets, dated 14th January 1967 and 6th February 1967 respectively, which were found unsatisfactory by the management and the management launched upon enquiries with notice to the workmen concerned. Separate enquiry was held against each of the workmen concerned in respect of each of the charge-sheets issued against them and the Enquiry Officer held each of the workmen guilty of each of the charges issued against them respectively and accordingly he submitted separate reports against them in respect of each of the charge-sheets (Exts. M, M/1, O and O/1). The management accepted the said reports of the Enquiry Officer and passed order dismissing both the workmen from service (Exts. P and P/1) and the said orders of dismissal were communicated to the workmen concerned by letters (Exts. I and J).

The further case of the Company is that all the enquiries held against the workmen concerned were fair and proper and those were conducted in accordance with the principle of natural justice and that the workmen concerned were given every opportunity to defend themselves. The Company contend that the workmen concerned were present in the enquiries held against them respectively and they participated in them and cross-examined the witnesses produced by the Company. It is contended on behalf of the Company that the orders of dismissal passed against the workmen concerned were valid and legal and that the workmen concerned are not entitled to any relief in this case.

As mentioned above two charge-sheets were issued against each of the workmen namely, Shri Moim Khan and Shri Hira and those were dated 14th January 1967 (Ext. A and Ext. C) and 6th February 1967 (Ext. B and Ext. D). The charge-sheets issued against both the workmen on 14th January 1967, were exactly the same and the replies of both the workmen to the said charge-sheets were also the same. Similarly, the charge-sheets issued against both the workmen on 6th February 1967 and their replies to the said charge-sheets were also the same.

The charge-sheets issued against both the workmen on 14th January 1967 (Ext. A and Ext. C) read as follows.

"On 10th January 1967 you along with others were found to have left your work without permission and came to Winding Department unauthorisedly and incited a section of workers of the Winding Department to strike at work on unjustifiable ground."

"In spite of repeated instruction by your Departmental Overseer to leave the department you continued to disobey his order wilfully thereby creating a chaotic situation in the working of the Mills."

"You were also found to have behaved in a riotous manner with your Departmental Overseer on 10th January 1967 thereby endangering the safety of our Managerial Staff."

"As the above offences amount to gross misconduct as per rules 14(c) 1, VIII, IX and XI of the Standing Orders, you are required to show cause why should you not be dismissed from the service of the Company."

"Pending enquiry you are suspended forthwith."

"You are charged with the above offence which is to be treated as misconduct under rule 14(c) of the Standing Orders. You are hereby required to explain in writing the said circumstances alleged against you within 24 hours of the receipt of this charge-sheet. Pending further enquiry you are suspended forthwith."

It appears that in the first charge, dated 14th January 1967, as quoted above, the time of the alleged incident was not mentioned and it was only stated that the incident took place on 10th January 1967. As mentioned above, both the workmen totally denied the said incident in their replies to the said charge-sheets respectively. From the replies of the workmen it appears that on that day, that is, on 10th January 1967 the workmen were on duty in the Night Shift and that was also admitted by the witnesses for the Company in their evidence in the enquiry proceedings In their replies both the workmen stated that on that day (10th January 1967) they went to the factory at 10 p.m. and they came out of the Mills after completing their duty and that they did not go anywhere during the said period. Thus it appears that on the day of incident there were several shifts of work and in the circumstances it was essential that the time of the alleged incident or at least the shift in which it was said to have occurred, should have been mentioned in the charge-sheets and mere mention of the date was not sufficient in this case, especially in view of the fact that the workmen concerned totally denied the alleged incident. The said charge, therefore, was vague on that account and obviously it prejudiced the workmen concerned in their defence.

In the said charge-sheet, dated 14th January 1967, it was further stated that the workmen concerned refused to leave the Winding Department inspite of repeated instructions by their Departmental Overseer to that effect and that they were found to have behaved in a riotous manner with their Departmental Overseer. The name of the said Departmental Overseer was not mentioned in the charge-sheet. From the records of the enquiry proceedings and the evidence of the witnesses for the Company it appears that Shri S. R. Banerjee was that Departmental Overseer. From the records of the enquiry proceedings, however, it appears that the said Shri S. R. Banerjee was not the Overseer of the Spinning Department to which the workmen concerned belonged, but he was the Overseer of the Winding Department where the workmen concerned are alleged to have entered illegally. The case of the Company as made out at the time of the enquiries was not that the workmen concerned disobeyed the order or misbehaved with their Departmental Overseer, that is, with the Overseer of the Spinning Department. There was thus misleading confusion in the charge-sheet which vitiated the proceeding against the workmen concerned.

In the first charge, dated 14th January 1967, against both the workmen it was stated that the offences alleged against them amounted to gross minconduct as per rules 14(c) 1, VIII, IX and XI of the Standing Orders and the Enquiry Officer held in his reports that all the aforesaid offences were proved against both the workmen and the said reports of the Enquiry Officer were accepted in toto by the acting Mill Manager who dismissed the workmen concerned from service. From the Standing Orders (Ext. K) it appears that under rule 14(c)(ix) "habitual negligence or neglect of work" was a misconduct. In the reports of the Enquiry Officer as to the charge-sheets, dated 14th January 1967, against both the workmen (Exts. M and O), there is, however, no finding whatsoever as to the charge under rule 14(c)(ix) that is, "as to the habitual negligence or neglect of work." The Enquiry Officer did not raise or discuss the said matter at all nor did the punishing authority say anything about the said charge of habitual negligence or neglect of work. It appears further that in the records of the enquiry proceedings there was no evidence nor any material as to substantiate the said charge of habitual negligence or neglect of work. Obviously,

herefore, the said charge was not proved against any of the workmen. The said fact, however, did not come to the notice of the punishing authority and it was not considered by him. And it shows that the punishing authority did not apply his mind to the reports of the Enquiry Officer and he accepted the same as a matter of course. Moreover, it is not known whether the workmen concerned would have been meted out with the punishment of dismissal, if it came to the notice of the punishing authority that one of the offences alleged against them was not proved in the enquiry proceedings. In the office orders passed by the punishing authority (Exts. P and P/1) it was stated that "the charges levelled against" the workmen had been proved against them and that they were "acts of misconduct jointly and severally punishable with dismissal under the provisions of the Standing Orders of the Company and further that the workmen concerned should be dismissed from their "services for charges proved in the enquiries" which amounted to "acts of misconduct jointly and severally punishable with dismissal under the Standing Orders of the Company". Each of the said orders (Exts. P and P/1) was a cumulative one in which both the charges against each of the workmen were considered jointly and It appears that it was in context of the said two separate charge-sheets against each of the workmen that the words "jointly and severally" were used therein. In the said orders there was no specific finding that the workmen concerned were jointly and severally liable for dismissal for the offences levelled against them in the charge-sheets, dated 14th January 1967. Besides, in the orders served upon the workmen (Exts. I and J) it was specifically stated that "the charges of misconduct as per rules 14(c) 1, VIII, IX and XI under the certified Mill Standing Orders have been conclusively proved against" the workmen and that the management dismissed the said workmen from service therefor. Nowhere in the said orders served upon the workmen (Exts. I and J) it was stated that the workmen were liable for dismissal jointly and severally for the offences charged against them in the charge-sheets, dated 14th January 1967. The workmen were concerned with the orders (Exts. I and J) which were served upon them and on the basis of which they prepared their defence and not with the orders made in the office file about which they had no knowledge whatsoever. This was a serious infirmity in the proceedings against the workmen concerned and it vitiated the orders of dismissal passed against them by the management. The orders of dismissal passed against the workmen concerned in connection with the charge-sheets dated 14th January 1967, were not, therefore, justified or legal and the said orders cannot stand.

The second charge-sheet against both the workmen namely, Shri Moim Khan and Shri Hira was issued on 6th February 1967 (Exts. B and D). It appears, however, as mentioned above that both the workmen were suspended from service from 14th January 1967, on which date the first charge-sheet was issued against them. Now, a question arises as to whether a second charge-sheet against the workmen concerned was permissible under the provisions of the Industrial Disputes Act, 1947, when they were suspended from service. The moot question in this connection is whether it is the entire contract or it is a term in the contract which is "held in abeyance" by suspension. The Company refers to Law of Service in India, Volume 1, Master and Servant by Barwell and Kar—1952 edition, pages 327 and 328. The case of Boston Deep Sea Fishing & Ice Co. v. Ansell, 39 Ch. D. 339 C.A. has been referred to in the said chapter and it was held in the said case law that when a man was suspended from the office he held, it was "merely a direction", that so long as he held the office, and until he was "legally dismissed he must not do anything in the discharge of the duties of the office". In view of the said case law it has been observed in the said passage that when the employer suspends an employee, "the employer is regarded as issuing an order, which, because the contract is subsisting, the servant must obey; and that order, for so long as it remains in force, prevents the servant from performing his part under the contract, however ready and willing" he may be "to perform it". In the said chapter the case between Wallwork v. Fielding & others [(1922) 2 K.B. 66 C.A.] has also been referred to (at pages 332 and 333) and it was held in the said case law that "if the employed" was "suspended from his functions as an employed person", "the effect of that" was "to suspend the relation of employer and employed for the time being; to excuse the servant or the employed person from performing his part of the contract" and that "it would be a most extraordinary thing, if suspension.....were to be one sided that the servant were to be excused from performing his part of the contract while the employer was to remain liable to perform his", and that the "suspension suspends for the time being the contractual relation between the parties on both sides". In this connection reference may be made to the Supreme Court decision as reported in (1959) II, Labour Law Journal, at page 544 (Hotel Imperial, New Delhi, and others and Hotel Workers' Union). it has been held in the said case law (at page 548) that "where, however, there is power to suspend either in the contract of employment or in the statute or the rules framed thereunder, the suspension has the effect of temporarily suspending the relation of master and servant with the consequence that the servant is not bound to render service and the master is not bound to pay" and that "these principles of the ordinary law of master and servant are well settled..... and that" reference in this connexion may be made to Hanley v. Pease and Partners, Ltd. [(1915) 1 K.B. 698], Wallwork v. Fielding [(1922) 2 K.B. 66] Secretary of State for India in Council v. Surendra Nath Goswami [I. L. R. (1939) Cal. 46] and Rura Ram v. Divisional Superintendent, N. W. Railway [I.L.R. VII (1954) Pun. 415]. It has further been observed in the said case law (at pages 550 & 551) that "the ordinary law of master and servant as to

suspension can be and should be held to have been modified in view of the fundamental change introduced by section 33" of the Industrial Disputes Act, 1947 "and a term should be implied by Industrial Tribunals in the contract of employment that if the master has held a proper enquiry and come to the conclusion that the servant should be dismissed and in consequence suspends him pending the permission required under section 33, he has the power to order such suspension, thus suspending the contract of employment temporarily, so that there is no obligation on him to pay wages and no obligation on tht servant to work".....and that "the undisputed common law right of the master to dismiss his servant for proper cause has been subjected by section 33 to a ban; and that in fairness must mean that, pending the removal of the said statutory ban, the master can after holding a proper enquiry temporarily terminate the relationship of master and servant by suspending his employee pending proceedings under section 33".

The said decision was in connexion with a proceeding under section 33(2)(b) of the Industrial Disputes Act, 1947; but "the above principles apply to the proceedings before the Tribunal which hav come before it either on the reference under section 10 or by way of application under section 33 [(Delhi Cloth Mill and General Mills Company vs. Ludhibudh Singh, A.I.R. (1972), Supreme Court, 1031 (1047)].

It is evident in the circumstances that the entire relationship of employers and employees between the Company and the workmen concerned was held in abeyance since 14th January 1967 when the workmen concerned were suspended from service in connexion with the first charge and in that view of the matter a fresh charge-sheet which was issued against them on 6th February 1967 and the consequent proceeding against them during the pendency of the said suspension order was not valid or legal inasmuch as there was no relationship of employers and employees between the Company and the workmen concerned at that time. The second proceeding against the workmen was, therefore, void ab-initio and any action taken against them in pursuance of the said proceeding was also void Thus the orders of dismissal passed against the workmen in connection with the second proceeding was altogether illegal and invalid and the said orders too cannot stand. Both the workmen are, therefore, entitled to reinstatement.

The workmen concerned are also entitled to back wages. The workman Shri Hira contend in his evidence that at the time of termination o his service his wages were Rs. 23 or Rs. 24 pe week. There is no evidence as to what were the wag s of Shri Moim Khan at the time of termination of his service. It appears, however, tha since the termination of their service both th workmen were partly engaged in various job and in that view of the matter the workmen concerned are entitled to half of their bacl wages.

To sum up. The dispute between the Company and the workman Shri Rajindra has been amicably settled between them and it is no longe in existence.

The order of dismissal passed against the two other workmen namely, Shri Moim Khan and Shri Hira was not justified and both the said workmen are entitled to reinstatement with nal of the back wages from the date of their suspension from service up to the date of their reinstatement.

GOVERNMENT OF WEST BENGAL

GENERAL ADMINISTRATION

RESOLUTION

Subject: Reorientation of Administration in Divisions, Districts, Subdivisions and Development Blocks.

No. 43-G.A.(AR).—11th June 1973.—For the purpose of efficient formulation of development schemes and implementation thereof, it has become increasingly necessary that the duties, functions and responsibilities of the officers at various levels of administration from the Division to the Block should be redefined and modified according to the changed circumstances. Apart from the statutory powers enjoyed by officers at different levels of administration, at present the procedure and the powers of officers in connection with preparation and implementation of development schemes are not well defined. This has created difficulties in the way of effective implementation of schemes and co-ordination between the different Departments of Government. With the increasing tempo and volume of developmental activities, the need for gearing up the administrative machinery and streamlining the procedure has become urgent.

2. Government have accordingly decided to lay down the instructions, as detailed in the Annexure, indicating the duties and responsibilities of the officers at different levels of administration and the procedure to be followed in connection with implementation of development schemes.

Order

Ordered that copies of this Resolution be communicated to all Departments of the State Government and to all officers concerned for compliance and that the Resolution be published in the "Calcutta Gazette".

ANNEXURE

Duties and responsibilities of officers at different levels of administration

The duties and responsibilities of officers at levels of Division, District, Subdivision and Block are defined as follows:

1. **General:** (1) The duties and responsibilities laid down herein are indicative and not exhaustive and are in addition to statutory functions.

(2) The line of command will remain as at present from the Secretariat through Directorate to district, subdivision and block levels according to the administrative set-up of the Department/Directorate concerned. In case any modification to a scheme appears to be necessary in view of local conditions and requirements, the departmental officer may make suitable recommendations to the Department/Directorate concerned with copies to the District Co-ordination Committee and Development and Planning Department. Only such changes, alterations and modifications to a scheme may be made at the district level as the local officers of the Department/Directorate are competent to make under powers delegated to them.

2. **At the divisional level:** Functions of the Commissioner: (1) Overall supervision of general administration, law and order, land reforms, land management, food and relief administration and activities in the division of all Departments/Directorates.

(2) Overall supervision of implementation of Plan and non-Plan development schemes, inspection of maintenance work, periodical check-up of progress of work with particular

reference to important schemes or schemes covering more than one district, removing procedural difficulties in administrative matters.

(3) Overall supervision of—

(i) collection of land revenue, water rates and cesses;

(ii) collection of all taxes, e.g., motor vehicles tax, excise duties, sales tax, stamps, registration fees etc.;

(iii) grant of loans of all types; and

(iv) realisation of loans of all types.

(4) In addition to inspection of offices in the districts and subdivisions, the Divisional Commissioner shall hold periodical meetings with departmental officers of each of the districts or of a group of districts at a time in his division for review of progress in execution of development schemes and for other matters which come under his overall supervision. The Divisional Commissioner may periodically attend meetings of the District Co-ordination Committees.

(5) Whenever the progress or the quality of work of a particular scheme is considered unsatisfactory or any modification in schemes or procedure is called for in regard to Plan or non-Plan schemes, the Divisional Commissioner may send his recommendations to the Secretary of the administrative department concerned with copies to the Development and Planning Department. Reports on other matters will be sent by the Divisional Commissioner to departments concerned.

3. **At the district level:** (1) There shall be a District Co-ordination Committee consisting of officers of the district level of all departments. Where there is no separate departmental officer in a district, the officer who holds charge of the district in addition to other charges will be treated as a departmental officer of the district for this purpose. The District Magistrate shall be the Chairman of the Committee.

(2) The principal functions of the Committee would be to review progress in implementation of development schemes in the district, with particular reference to schemes included in the Plan, to co-ordinate the efforts of the various departments in the district and to resolve difficulties encountered in course of implementation of schemes. The data collected at the meetings of the District Co-ordination Committee will be used for submission of consolidated progress report to the District Planning Committee.

(3) The District Co-ordination Committee should meet once every month on a fixed day of the month, so that all departmental officers may be present at the meeting by arranging their tour programme accordingly. For this purpose the day of the month shall be fixed by the District Magistrate.

(4) The Committee should take up detailed evaluation of progress in implementation of schemes within the Plan once a quarter. At least 10 days before the date of quarterly evaluation meeting of the Committee each departmental officer would forward to the District Magistrate the progress report on the schemes of their departments under execution in the district. The following particulars in respect of each scheme shall be furnished in a tabular form in the progress report to be forwarded to the District Magistrate every quarter at least 10 days before the date of the quarterly evaluation meeting of the committee:

(5) A consolidated list of all schemes sanctioned for the district shall be prepared and maintained by each departmental officer. The list should contain separately—

(i) schemes included in the Plan, and

(ii) schemes outside the Plan.

(6) Apart from lists of Plan and non-Plan schemes in a district, each departmental officer shall prepare, maintain and submit to the District Magistrate another list of schemes which cover more than one district.

(7) Copies of the proceedings of the District Co-ordination Committee meetings shall be forwarded to the District Planning Committee, the Divisional Commissioner and the Development and Planning Department. Extracts shall be sent promptly to the departmental officers in the district.

(8) Whenever the progress or quality of work of a particular scheme is considered unsatisfactory or any modification in schemes or procedure is called for, the District Magistrate may send his recommendations to the Secretary of the administrative department concerned with copies to the Development and Planning Department and the Divisional Commissioner.

(9) All departmental officers at the district level shall endorse copies of their tour programme and tour diaries to the District Magistrate for information.

4. **At the subdivisional level:** (1) The Subdivisional Officer shall inspect block offices with reference to Plan and non-Plan schemes and administrative matters in the block and forward his inspection notes to the District Magistrate.

(2) All departmental officers at the subdivisional level shall endorse copies of their tour programme and tour diaries to the Subdivisional Officer for information.

5. **At the block level:** (1) The Block Development Officer shall function as the principal officer in the block and shall supervise and co-ordinate the work of all other officers in the block for ensuring that they carry out their duties and execute schemes as approved by their respective departments. The Block Development Officer will report progress of schemes within his block periodically to the District Magistrate and the Subdivisional Officer.

(2) Copies of all important communications from Department/Directorate/district level offices to officers at the block level regarding sanction of schemes, allotment of funds, appointment of staff, etc., should be endorsed to the Block Development Officer.

ANNEXURE

In the matter of an industrial dispute between Messrs. Textile Machinery Corporation Ltd., Belghoria, Calcutta-56, and their workmen represented by Texmaco Engineering Employees' Union, Railway Gate No. 4, Belghoria, 24-Parganas. (Case No. VIII-263/72.)

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri S. R. ROY, Judge,
Second Industrial Tribunal.

For the Union: Shri M. Saha, Advocate.
For the Company: Shri S. N. Banerji, Advocate.

AWARD

By its order No. 5323-I.R./IR/10L-83(A)/71, dated the 8th September 1972, the Labour Department, Government of West Bengal, referred an industrial dispute between Messrs. Textile Machinery Corporation Ltd., Belghoria, Calcutta 56 and their workmen represented by Texmaco Engineering Employees' Union, Railway Gate No. 4, Belghoria, 24-Parganas, to this Tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issue:

Issue

Whether the refusal of employment to Shri S. S. Roy Mallick is justified ? To what relief, if any, is he entitled?

Notices having been served on the parties, they entered appearance and filed their respective written statements.

Shorn of irrelevant facts the Union's case is as follows:—

The concerned workman was appointed in the Company in July 1970, as Issue Clerk (Tool Store) and his duty was to issue materials to workers against issue slips issued by the Departmental-in-charge and take return of the same after work. Due to some misunderstandings, show cause notices were served on him by the Company, and there was a departmental enquiry which he could not attend on account of some difficulties. As a result, the Company terminated his service. However, by a letter, dated 2nd December 1971, he was asked by the Management to resume his duties within 24 hours of the receipt of the letter. Accordingly, he resumed his duties on 4th December 1971, but was not allotted any work by the In-charge of the department, and he had to sit idle. He made a representation to the Industrial Relations Manager and sought his intervention in the matter but to no effect. On 13th December 1971 he made another representation to the General Manager with a request to allow him to perform his duties. However, as ill luck would have it, the Company by its letter, dated 13th December 1971, terminated his services on the allegation that he was not interested in resuming his duties. He informed the matter to the Union and the Union made representations to the Management, but to no effect. Subsequently, the matter was taken to the Labour Commissioner, Government of West Bengal and the present reference was made.

The Company in its written statement has taken some preliminary objections regarding the maintainability of the Order of Reference, none of which was ultimately pressed. Regarding facts the Company's case is that though by a letter, dated 2nd December 1971, the concerned workman was directed to resume his duties within 24 hours of the receipt of the letter, he did not actually report for duty. According to the Company, the concerned workman simply managed to punch his attendance from the 4th to 19th December 1971 without attending his duties. Consequently by a letter, dated 13th December 1971, the Company was compelled to inform him that he was being treated as having left the Company's services of his own accord and accordingly his name was struck off from the rolls of the Company. The Company submits that in the aforesaid circumstances, the concerned workman is not entitled to any relief.

Findings

Undisputedly the concerned workman Shri S. S. Roy Mallick or Roy Moulik was the Issue Clerk (Tool Store) of the Company. Over negligence or carelessness in the performance of his duties he was directed to show cause by the Company and was subsequently asked to appear before an Enquiry Commission. He did not attend the enquiry mainly on the allegation that he had been threatened with dire consequences by the members of a rival Union if he dared to enter the factory premises (the relevant documents have been filed and marked exhibits). Ultimately the Company by a letter, dated 18th November 1971, terminated his services. This past episode is not quite relevant for the purpose of the present case. On 26th November 1971 the workman addressed a letter to the Company [Ext. 9 (d)] and in its reply, dated 2nd December 1971 (Ext. 11), the Industrial Relations Manager of the Company asked the workman to resume his duties within 24 hours of the receipt of the letter. It is not disputed that on 4th December 1971 the workman with aforesaid letter went to join his duties. He was asked by his colleague Shri B. K. Bose (P.W. 2) to see the Superintendent Shri J. S. Hanspal (O.P.W. 1). The workman's evidence is that he saw Shri Hanspal with the letter, but Shri Hanspal refused to allot him any duties on the ground that he had not received any instructions from his higher authorities. On 6th December 1971 the workman wrote a letter to the Industrial Relations Manager (Ext. G) complaining that he was not being allowed to resume his duties. Undisputedly the Management received this letter, dated 6th December 1971, but there is nothing on record to show that any action was taken. Again on 13th December 1971 the workman wrote a letter to the General Manager of the Company making similar complaints [Ext. 9 (e)]. On the same day, i.e., on 13th December 1971, the Industrial Relations Manager addressed him a letter stating that his allegations were false and his services were terminated on the allegation that he was not interested in resuming his duties.

The Company's allegation, on the other hand, is that what the workman was doing was to punch his attendance in the clock without resuming his duties [vide Ext. 11 (a)]. Similar allegation has been made in paragraph 23 of the Company's written statement, the relevant portion of which is quoted below:—

> "The Company categorically denies that Shri Roy Mallick had reported for duty. The Company further states that what Shri Roy Mallick had done was that he had only managed to falsely punch his attendance from the 4th to 19th December 1971 without ever attending his duties or going to his department."

The Company's witness Shri Hanspal (O.P.W. 1) also states in his evidence that Shri Roy Mallick saw him with a letter in the first week of December 1971 when he asked him to join his duties, but thereafter he did not see the workman any more in the factory. However, this evidence of Shri Hanspal is not corroborated by any other dependable evidence. On the other hand, Shri B. K. Bose (P.W. 2), the Tool Store-Keeper and a colleague of the concerned workman, stated that in the first week of December Shri Roy Mallick saw him in the factory with a letter from the Works Manager by which he was directed to join his duties. He asked Shri Roy Mallick to see Shri Hanspal. Thereafter he saw Shri Roy Mallick in the factory for about 15 days. This evidence of Shri B. K. Bose clearly corroborates the evidence of the workman Shri Roy Mallick that since the 4th of December 1971, he had all along been attending the Factory.

Shri Hanspal (O.P.W. 1) states that as Shri Roy Mallick did not resume his duties, he communicated his absence to the Time Office of the Company. The office copies of these communications were produced

by Shri Hanspal, but they could not be taken in as these documents were not disclosed earlier by the Company in their list of documents.

O P.W. 2 Shri Ananta Lal Kataruka is the Superintendent of wages and salaries in the Company. He also seems to be In-Charge of the Time Office He stated that the normal practice is to mark a staff present with reference to the time recorder at the gate, and in case a staff is absent and a report in that regard is received in the time office from the department concerned, he is marked absent. However, he could neither produce the relevant Attendance Register nor any other document to prove that Shri Roy Mallick was marked absent since after the 4th of December 1971. Undisputedly Shri Roy Mallick had been punching the card regularly at the gate of the factory, and we find from the evidence of P W. 2 Shri B. K. Bose that Shri Roy Mallick had been regularly attending the factory.

In my opinion, the Company's case that Shri Roy Mallick did not attend his duties, though he punched his cards regularly, does not seem to be quite acceptable The Company had once terminated his services in November 1971 Thereafter by the letter, dated 2nd December 1971, he was asked to resume his duties within 24 hours of the receipt of the letter. In the circumstances, it is not at all reasonable to believe that the workman would refuse to attend his duties and would play tricks with the Company simply by punching his card at the gate. His bona fides would further be established from the fact that on 6th December 1971 he addressed a letter to the Industrial Relations Manager complaining to him that he was not being allowed to join his duties. It is significant to note that the Company did not take any action on this letter. This sufficiently establishes lack of bona fides on the part of the management. In all fairness it was the duty of the Industrial Relations Manager to look into the complaints made by the workman in his letter, dated 6th December 1971. The workman did not sit idle and again on 13th December 1971 he addressed another letter to the General Manager of the Company making similar complaints. It has been specifically alleged in that letter [Ext. 9(e)] that "even after a week from the date of joining his duties he was not being permitted to perform his duties." Strangely enough, by a letter of the same date [Ext. 11 (a)], the Industrial Relations Manager made several allegations against him and terminated his services.

On a consideration of all the facts and circumstances above I am inclined to accept the evidence of the workman that though he went to the factory to resume his duties in compliance with the letter of the Industrial Relations Manager, dated 2nd December 1971, he was not allowed to resume his duties. It is not at all reasonable to believe that he would go back home simply by punching the card at the gate, particularly because his services were terminated once in the past. Moreover, had he really been allowed to join his duties he would not have addressed letters to the Industrial Relations Manager and the General Manager complaining that he was not being allowed to resume his duties. Regarding the Company's allegation that Shri Roy Mallick never attended the factory since after the 4th of December 1971, no dependable evidence is forthcoming. Shri Hanspal (O.P.W. 1) is undoubtedly an interested witness and his evidence has to be taken with a grai of salt. He attempted to say that the absentee statements of Shri Roy Mallick were prepared by P.W. 2 Shri B. K. Bose himself, but no such suggestion was put to Shri Bose in cross examination.

On a consideration of all the facts and circumstance above, I am inclined to hold that Shri Roy Mallick had been attending the factory regularly since the 4th of December 1971 in order to resume his duties, but was not allowed to join. This might be for the reason that according to the Company Shri Roy Mallick was a troublesome man and they wanted to get rid of him after finally giving him an opportunity to resume his duties.

That being so, I must hold that the refusal of employment to Shri S. S. Roy Mallick is not at all justified. The Company is, accordingly, directed to reinstate him with all back wages within 30 days from the publication of this award in the "Calcutta Gazette."

This is my award.

No. 1043-Edn(S)/3S-97/72.—20th July 1973.—Government feels that the present restriction for non-Hindu pupils in the matter of admission into certain State educational institutions is violative of the principles laid down in clause (2) of article 29 of the Constitution of India, which lays down that no citizen should be denied admission into any educational institutions maintained by the State or receiving aid out of State funds on grounds only of religion, race, caste, language or any of them.

ANNEXURE

In the matter of an industrial dispute between Messrs. The Britannia Engineering Co. (I) Ltd., Titaghar, 24-Parganas, and their workmen, represented by (i) Britannia Engineering Co. Ltd. Workmen and Staff Union, 41 B. T. Road, Titaghar, 24-Parganas, (ii) Britannia Engineering Employees' Union, Goods Shed Road, Titaghar, 24-Parganas, (iii) Britannia Engineering Karmachari Union, Goods Shed Road, Titaghar, 24-Parganas. (Case No. VIII-235 of 1969.)

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri SUDHIR RANJAN RAY, Judge,

Second Industrial Tribunal.

By its order No. 4557-I.R./IR/10L-159/69, dated the 28th June 1969, Government of West Bengal, Labour Department, referred an industrial dispute between Messrs. Britannia Engineering Co. (I) Ltd., and their workmen represented by (i) Britannia Engineering Co. Ltd. Workmen and Staff Union, (ii) Britannia Engineering Employees Union, Goods Shed Road, Titaghar, (iii) Britannia

Engineering Karmachari Union, to this Tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issue:

Issue

Whether the termination of service of the following workmen is justified? To what relief, if any, are they entitled?

Sarvasri (a) Shanti Kumar Bhadra, (b) Sailesh Ghosh, (c) Sachindra Nath Das, (d) Hari Bandhu Shaw, (e) Badal Ghosh, (f) Dhiren, (g) Chenaiya.

Notices having been served on the parties, they entered appearance and filed their respective written statements.

According to Britannia Engineering Co. Ltd. Workmen and Staff Union, the seven workmen named in the Order of Reference along with others were refused employment on the plea that they were absent for more than 8 days without leave. As a matter of fact they were prevented from attending their duties. So far Shri Santi Ranjan Bhadra alias Santi Kumar Bhadra is concerned, his services were terminated at a time when he was on E. S. I. leave. No charge-sheet was issued against any of the workmen nor any enquiry was held. Representations were made to the management for reinstatement of the workmen but to no effect. Thereafter the matter was referred to the Labour Commissioner and the present reference was made. It is prayed that the workmen named in the Order of Reference should be reinstated with all back wages.

The Company's case is that workmen concerned absented themselves from duty without permission for more than the period as mentioned in the relevant clause of the Certified Standing Orders of the Company whereupon the workmen lost their lien. In the facts and circumstances of the case neither any charge-sheet was required to be issued nor any enquiry required to be held.

Appearances of the parties are as follows:

For Britannia Engineering Co. Workmen and Staff Union: Shri Patit Paban Pathak.

For the Company: None.

The Company having absented itself, the case was taken up for exparte disposal.

Findings

On behalf of the Union one of the concerned workmen, viz., Santi Kumar Bhadra, was examined as P. W. 1. His evidence is that he along with the other workmen were on authorised medical leave when their services were terminated. He could not, however, produce any papers on the ground that last year the Union Office was raided and the papers kept there were burnt. He stated that they were not charge-sheeted by the Company.

According to the case made out in paragraph 4 of the Company's written statement, the concerned workmen having absented themselves from duty without permission or intimation for more than the period as mentioned in the relevant clause of the Certified Standing Orders of the Company, automatically lost their lien in the service. The Company being absent, I requested Shri Pathak, appearing on behalf of the above Union, to file a copy of the Certified Standing Orders followed by the Company. He accordingly filed the same accompanied by a petition stating that the Certified Standing Orders filed by him (Ext. 1) were followed by the Company. Page 18 of the Standing Orders mention the acts or commissions which are considered as major misdemeanour. Item No. 14 (page 19) shows that absence without permission not exceeding eight consequtive days or overstaying the sanctioned leave for unjustifiable ground is a major misdemeanour, for which a workman is liable to be dismissed. The Union in its written statement has specifically made out a case that the concerned workmen were refused employment for alleged absence without permission for eight days. In reply the Company has simply stated in paragraph 4 of their written statement that the workmen absented themselves from duty for more than the period as mentioned in the relevant clause of the Certified Standing Orders. It has not been stated for how many days the workmen were actually absent. Be that as it may, Ext. 1 makes it clear that if a major misdemeanour is alleged against a workman, the management before taking any action against the workman will hold an enquiry by an officer or officers appointed for the purpose. The workman charged with major misdemeanour will be afforded a reasonable opportunity for explaining and defending his actions (page 22 of the Standing Orders).

Here, admittedly (paragraph 4 of the Company's written statement) the workmen concerned were neither charge-sheeted nor any enquiry was held against them and there is also nothing to show that they were given sufficient opportunity to defend themselves. It is, therefore, apparently clear that the Company has violated the provisions of the Standing Orders. Moreover, fairness demands that the employees concerned should have been given sufficient opportunities to explain under what circumstances they were prevented from attending to their duties. The positive evidence of P.W. 1 Shanti Kumar Bhadra is that at the material time they were on authorised medical leave and this part of his evidence remains unchallenged. In the aforesaid circumstances, it must be held, that the Company violated the rules of natural justice inasmuch as no opportunity was given to the concerned workmen to defend themselves and accordingly, the refusal of employment to the workmen cannot be held to be justified.

That being so, the concerned workmen are entitled to reinstatement with all back wages and the Company is directed to reinstate them and to pay them their all back wages since the date of refusal of their employment up to the date of

reinstatement. The Company should comply with this order within 30 days from the date of the publication of the award in the "Calcutta Gazette".

This is my award.

O No. 5620/I.R./IR/8L-55/72, dated 16th September 1972. (Case No. VIII-C-35/72.)

AWARD

The Government of West Bengal, Labour Department, has referred an industrial dispute between Messrs. Calcutta Weaving Factory, 1/4C Khagen Chatterjee Road, Calcutta-2, and their workmen represented by Powerloom Workers' Union, 29/10 Cossipore Road, Calcutta-2, to the Court by its order No. 5620-I.R./IR/8L 55/72, dated 16th September 1972, under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication on the following issue:

Issue

Whether termination of services of Shri Anil Kumar Nundy by way of refusal of employment to him with effect from 27th November 1971, is justified? To what relief, if any, is he entitled?

On receipt of the reference usual notices were issued and served upon the parties fixing 28th December 1972, for appearance. Inspite of service of notice the Company did not turn up. The Union turned up and the case was adjourned till 25th January 1973, for filing written statement by the Union. But on that date neither party appeared and the Union did not file any written statement. So the case was adjourned till 14th February 1973, for filing written statement by the Union. On 14th February 1973, the Union did not take any step or show any cause for its laches and the case was adjourned till 1st March 1973, for filing written statement by the Union. On 1st March 1973, also the Union did not take any steps and 21st March 1973, was fixed for filing written statement by the Union or for orders. On 21st March 1973, none of the parties appeared and the case was adjourned till 18th April 1973, for orders. On that date also the parties were absent and the case was again adjourned till 11th May 1973, for orders. On 11th May 1973, the parties were again absent and the case was listed on 25th May 1973, for orders. On the date also the parties were absent and the case was adjourned till 8th June 1973. On 8th June 1973, neither party turned up and the case was put up today for orders.

It is clear from above that the sufficient opportunity was given to the parties but they did not take any steps to contest the case. It is also clear from their course of conduct that they are no longer interested in pursuing the dispute which must be presumed to have ceased to exist.

In the result the reference is disposed of by a "No dispute" award.

Kanta Textiles, 67 Howrah Road, Salkia, Howrah and their workman Shri Abdul Aziz represented by Salkia Textile Mazdoor Union, 34/1 Lalahabu Shire Road, P.O. Belurmath, Howrah, regarding the issue mentioned in the said order being a matter specified in the Second Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the First Labour Court;

And whereas the said First Labour Court has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the Annexure hereto.

ANNEXURE

In the matter of an industrial dispute existing between Messrs Kanta Textiles, 67 Howrah Road, Salkia, Howrah, and their workman Shri Abdul Aziz represented by Salkia Textile Mazdur Union, 34/1 Lalababu Shire Road, P. O. Belurmath, Howrah. (Case No. VIII-C-2/72.)

BEFORE THE FIRST LABOUR COURT, WEST BENGAL

Present:

Shri G. HALDER, Judge,

AWARD

By the Government of West Bengal, Labour Department, order No. 501-I.R./IR/8L-1/72, dated the 3rd February 1972, an industrial dispute existing between Messrs. Kanta Textiles, 67 Howrah Road, Salkia, Howrah, and their workman Shri Abdul Aziz represented by Salkia Textile Mazdur Union, 34/1 Lalababu Shire Road, P.O. Belurmath, Howrah, was referrred to this Court under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication, in respect of the following issue :

Issue

Whether refusal of employment to Shri Abdul Aziz from 25th January 1971, is justified? To what relief, if any, is he entitled?

After receipt of the reference, notices were issued to the parties directing them to appear before the Court on 7th April 1972. The Union appeared and filed their written statement. But the notice issued to the Company was received back unserved with the postal remark "not known". A fresh notice was issued to the Company directing them to appear before the Court on 28th November 1972, in the address furnished by the Union. But that notice too was received back unserved with the postal remark "abolished". The record was, therefore, directed to be put up on 20th December 1972, for orders in presence of the Union. But the Union appeared neither on 20th December 1972, nor on any other subsequent date fixed. No cause was also shown by them about their non-appearance. Under the circumstances, I cannot but come to the conclusion that the Union is not interested to proceed with the case any further and that the dispute under reference has ceased to exist. I, therefore, dispose of this case by passing a "No dispute" award.

ANNEXURE

Indian Jute Co. Ltd., and their workmen

AWARD

1. An industrial dispute existed between Messrs. India Jute Co. Ltd., Serampore, Hooghly (hereinafter referred to as the employer), and their workmen represented by Bengal Chatkal Mazdoor Union, 18, Dharmatalla Lane, Serampore, Hooghly, and the India Jute Co. Ltd. Staff and Employees' Union, 48, Beniapara Lane, Serampore, Hooghly (hereinafter referred to as union), relating to matters specified in the 2nd and 3rd Schedules of the Industrial Disputes Act, 1947. The employer and the unions have under sub-section (1) of section 10(A) of the said Act elected me as an Arbitrator for arbitration of the dispute in respect of the following issue mentioned in the terms of the Arbitration Agreement, dated 8th July 1972:—

> "In view of the tripertite settlement, dated 11th August 1969, and 7th May 1972 for jute industry and the tripartite settlement, dated 9th October 1969 and 4th June 1972, for cotton textile what should be the grade, pay-scale, dearness allowance, other allowances and other benefit of the monthly-paid employees, as per Annexure A, working for both the jute mills and cotton mill section of India Jute Co. Ltd., Serampore, Hooghly?"

2. Government of West Bengal in their Labour Department Memo. No. 4851-I.R., dated 28th August 1972, published the said Arbitration Agreement. Thereafter I took up the matter for disposal and met the parties on 2nd November 1972 to decide the procedure to be followed. It was decided that the unions will first file and submit their written statement to me and send copies of the same to the management in order to enable them to furnish their

statement direct to me with copies to the two unions.

3. The following persons represented the management and the two unions:—

1. Shri J. Dutta Gupta, Advocate, on behalf of the Company.
2. Shri A. K. Ghosh, Manager, India Jute Co. Ltd.
3. Shri P. K. Banerjee, Labour Adviser, India Jute Co. Ltd.

Bengal Chatkal Mazdoor Union, Serampore Branch

1. Shri Patit Paban Pathak.
2. Shri Kamal Bhattacherjee.
3. Shri Santosh Chatterjee.
4. Shri Gouri Prasad Banerjee & others.

India Jute Co. Ltd. Staff and Employees' Union

1. Shri Narayan Moitra.
2. Shri Pravash Chandra Chakravorty & others.

The Bengal Chatkal Mazdoor Union filed their written statement on 24th November 1972, and the India Jute Co. Ltd. Staff and Employees' Union filed their written statement on 7th December 1972. The company filed their written statement on 20th December 1972. The hearing of the case started from 24th January 1973 and the examination and cross-examination of the witnesses and the arguments were completed on 26th May 1973.

Unions' case

4. According to Bengal Chatkal Mazdoor Union the 46 monthly-paid employees whose cases have been referred for arbitration are employees of the jute mill and they have been enjoying the benefits available for the jute employees. Sometime in the year 1960 the Company opened a cotton mill within the same premises of the jute mill known as cotton section. Thus, the cotton section has been and is part of India Jute Co. Ltd. and its performance is reflected in the same balance-sheet as that of the India Jute Co. Ltd.

5. The cotton section which employs about 1,500 workmen has gradually grown in size during the last 12 years and its volume of production has gone up as also its profitability. After the starting of the cotton section in 1960 the employees whose cases have been referred for arbitration have been made to do the work of the cotton section in addition to their respective assignment in the jute mill. This section of the management to make them do the additional work of cotton section was protested by the employees concerned and in the year 1966 they placed a charter of demand claiming adequate benefits for performing additional work. As the management did not concede their demand and failed to grant them adequate benefit for additional work, the matter was referred to Sixth Industrial Tribunal for adjudication under Government Order No. 93-I.R., dated 7th January 1969. The dispute, however, was resolved through a settlement between the parties and an award was made in terms of the said settlement. In the year 1969 industry-wise settlement was reached between the jute mills and their workmen by which the jute mill employees received an interim increase of Rs. 30 per month. The management did not extend the said benefit of Rs. 30 to these 46 employees and thereupon the union raised an industrial dispute on this score. The matter was ultimately settled by an agreement, dated 9th October 1970, in the Labour Directorate. According to the terms of the said settlement the management agreed to pay an advance of Rs. 10 per month in addition to Rs. 20 which was payable to the concerned employees under the Cotton Textile agreement, dated 9th October 1969, and the settlement award, dated 13th June 1969. The advance of Rs. 10 was to be adjusted after the matter was decided by a tribunal.

6. While the said dispute was awaiting final determination by the tribunal, jute workers obtained a further increase of Rs. 45.60 per month by virtue of a tripartite industry-wise agreement, dated 7th May 1972. The management, according to the union, did not agree to extend the said benefit of Rs. 45.60 to the 46 employees concerned. Failing a settlement at the bipartite level the matter was referred to the Labour Directorate and it was ultimately agreed by a tripartite settlement, dated 29th July 1972, in the Labour Directorate that the matter would be referred to me for arbitration.

7.1 The union's claims were as follows:—

(a) The concerned employees being jute mill workers must get all the benefits attached to the jute mill employees from their effective dates;

(b) They must be adequately compensated for the extra work they are to do for the cotton mill section;

(c) The basis for calculating the value of such extra work should be the same as recommended by the Jute Wage Board in 1963 in the case of weavers working on double (pair) looms;

(d) The union's further claim was that on the basis of the above principle the respective employees be first fitted in the grade, scale of pay and be given the D.A. enjoyed by similar categories from effective dates. Thereafter 80 per cent. of the total emoluments that will be obtained will be added and then suitably distributed over different heads. A detailed chart showing the claims of the union in respect of each of the employees on the above principle was enclosed with the written statement, marked Annexure B.

(e) The union also submitted that such enhanced benefit should be given with retrospective effect so that the benefit which was due from 1969 and from 5th April 1972, in respect of jute mill workers can be properly enjoyed by the 46 employees concerned. The union submitted that the claims of the workers is just and reasonable and the Company has capacity to meet them.

7.2. As regards D.A. and other allowances and benefits the union's claim was as follows:—

(1) D.A. as per Bengal Chamber of Commerce.

(2) House-rent allowance, 25 per cent. of wages minimum, Rs. 50.

(3) Tiffin Re. 1 per working day.

(4) Medical allowance Rs. 150 per year.

(5) Leave fare allowance Rs. 200 per year.

(6) Over-time double wages.

(7) Travelling allowance in duty Rs. 15 per day.

(8) Education allowance Rs. 30 per month.

(9) Festival holidays as per Negotiable Instruments Act.

Leave

(a) Privilege leave 30 days.

(b) Casual leave 15 days.

(c) Special leave for prolonged sickness with full reimbursement of medical expenses.

(d) Encashment of leave should be allowed at usual rate.

7.3 The case of India Jute Co. Ltd. Staff and Employees' Union was that these 46 common Clerks whose cases have been referred for arbitration were originally employees of Jute Mill and have been working in the Jute Mill since their appointment. A cotton section was set up in the year 1960 under the same management within the same premises as that of the jute mill. These clerks were asked to do work for the cotton mill besides their original work in the jute mill. Thus their original volume of work has been increased and this extra volume of work has been accepted and established by the management as a result of the agreement, dated 13th June 1969. According to the union these clerks are entitled to wage increased and other allowances granted to the jute mill workers under the industry-wise tripartite jute agreement, dated 7th May 1972.

Company's case

8.1 The Company has a jute factory at Serampore since 1865. In the year 1960 another section within the premises of the jute factory, known as cotton section, was started by the Company. At present 4,500 employees are working in the jute section and 1,200 employees have been working in the cotton section. The employees whose cases have been referred for arbitration are admittedly the employees of the jute factory. As in the same premises there are two separate sections and as jobs of both the units can be done by common staff, the concerned employees are asked to do the same. These employees are primarily engaged for work connected with the jute and a very small percentage of cotton job is also allotted to them. Although they work both for jute and cotton no extra load is given to them, nor they are required to work for extra hours. Although the concerned employees had been doing their respective common jobs since 1960 without any objection and they have been enjoying the grades, scales, allowances as prescribed in the jute industry, they never raised any dispute over the issue of pay scales, allowances, etc., till the Government of West Bengal by Labour Department Order No. 93-I.R., dated 7th January 1969, referred the issues to the Sixth Industrial Tribunal for determining what should be the pay and other allowances including D.A. of the 36 workmen out of the concerned employees who are 46 in number. The said reference was disposed of by a settlement award, dated 13th June 1969, by the Sixth Industrial Tribunal. In that reference the settlement entered into between the parties was executed on 29th May 1969 by which the common staff who are jute employees accepted all the benefits including the grades, D.A., ad hoc allowance and even P.F. contribution of the cotton industry and had foregone all benefits arising out of various awards and recommendation of the jute industry. According to the Company, the said compromise award, dated 13th June 1969, was still binding on all the parties and the concerned employees till date are getting and/or being offered their pay, all allowances, and benefits among others according to the said compromise award and the tripartite settlements, dated 9th October 1969 and 4th June 1972, for the cotton textile industry. As the concerned employees had opted for cotton benefits as per the settlement, dated 29th May 1969, and the award thereon, dated 13th June 1969, they, according to the Company, could not even agitate for any benefit including grades, pay-scales, allowances, interim increases, etc., arising out of various tripartite settlements relating to jute industry including the settlement, dated 11th August 1969, and 7th May 1972. According to the Company, the cotton benefits were better at the time the reference was made and is still better than the jute benefits and 31 out of the 46 concerned workmen are getting more than what they could get under the jute agreement. The grades of 22 workmen who are drawing less than the benefits available to jute workers are also better than the jute mill grade, i.e., they will also be getting better benefits than what they could have been entitled to in case they were placed in the jute mill grade. As the concerned employees had initially opted for cotton benefits, they are not entitled to any benefits given by the industry-wise jute settlement, dated 11th August 1969, and, therefore, the management refused to give interim increase of Rs. 30 per month to the concerned employees as that arose out of industry-wise settlement. However, in a tripartite settlement, dated 9th January 1970, the Company agreed to pay an advance of Rs. 10 per month on certain conditions to the concerned workmen in addition to Rs. 20 per month which they received as per cotton textile agreement, dated 9th October 1969. As the employees opted for the cotton benefits, the concerned workmen cannot claim any increase of Rs. 45.60 given by the industry-wise jute agreement, dated 7th May 1972. The Company also states that by virtue of the cotton textile agreement, dated 4th June 1972, the concerned workmen have been entitled to receive an interim flat increase of Rs. 16.50 per month which they offered to the employees, but they declined to accept the same because of the pendency of the dispute before the Arbitrator.

8.2 According to the Company, the concerned employees are only entitled to grade, pay-scales, dearness allowance and other allowances and benefits enjoyable under various awards, recommendations and settlements of cotton textile alone and not to any other benefit or benefits, or not to any other

basis of calculation or norm as claimed by the union, i.e., 80 per cent. of the jute workers' wages as per the written statement of Mazdoor Union.

8.3 The Company denied the allegation of the union that the claims of the workmen are just and reasonable and that the Company has capacity to meet the claims of workmen or any of them and the Company prayed that their existing grades, pay-scales, allowances and benefits, etc., should not be interfered with.

Decision

9.1 It appears to me that the present dispute arose because of the fact that at one stage wages and other benefits of workers of the jute industry were ahead of those of cotton textile industry workers and at another state cotton textile industry was ahead of jute textile industry in respect of workers' wages and other benefits. This fact of one industry marching ahead of the other in the mater of wages and other benefits of workers naturally raised expectations in the minds of the 46 employees whose cases have been referred to me for arbitration that they would be entitled to better benefits particularly when they were doing the work of both the jute and cotton sections of the Company and they were not solely assigned the duty of jute section or cotton section. This was the case even after the compromise award, dated 13th June 1969 (Ex. V.).

9.2 It is admitted by the perties that the 46 employees whose names are mentioned in Annexure A to the Arbitration Agreement are common clerks/employees who do the job of both the jute mill and cotton mill sections of the Company after the cotton mill section was started in the year 1960 though some of them were appointed even after 1962 and some before 1960.

9.3 The union's (Bengal Chatkal Mazdoor Union) case is that in spite of the extra load of work imposed on these 46 employees since 1960 the Company did not properly remunerate them and they were smarting under a grievance up to 1966 when the reference of their dispute was made to Tribunal under Government Order No. 93-I.R., dated 7th January 1969. The compromise award, dated 13th June 1969, as a result of the above reference, did not finally settle the dispute of these employees over the issue of wages, D.A. and other benefits under the said compromise award embodying the agreement of the parties, dated 29th May 1969. There was no doubt that the employees concerned opted for the cotton textile industry's wages, D.A. and other benefits admissible to cotton textiles workers. The subsequent industry-wise jute agreement, dated 11th August 1969 (Ex. 1), gave rise to a dispute and demand that the 46 common employees should be given a wage rise of Rs. 30 per month which was admissible under the above 1969 jute agreement. The Company did not agree but they granted an increase of Rs. 20 per month which was admissible under the cotton textile agreement, dated 9th October 1969, and because the employees opted for the cotton textile wages as per the compromise award. This did not satisfy the employees and the dispute persisted when the tripartite agreement was signed by the parties in the Labour Directorate on 9th October 1970 under which, besides Rs. 20 per month admissible, an advance of Rs. 10 per month was granted to each of the employees concerned pending adjudication by a Tribunal. Thereafter the 1972 Cotton Textile agreement and the Jute Industry Agreement provided different quantum of rise in wages and D.A. The Company stated that they offered to pay according to the Cotton Textile agreement, dated 4th June 1972, but this was not accepted as the employees demanded the wage rise and other benefits admissible under the Jute Agreement, dated 7th May 1972 (Ex. III). As the parties could not settle the dispute, they ultimately by arbitration agreement, dated 8th July 1972, under section 10A of the Industrial Disputes Act referred the dispute for my arbitration. In the details of the dispute which has been referred to me for arbitration the four agreements (Ex. I, II, III and IV) have been referred.

9.4 At a very late stage, at the time of argument the learned lawyer on behalf of the Company argued that in spite of the arbitration agreement, dated 8th July 1972, the dispute could not be arbitrated upon as the compromise award, dated 13th June 1969, was still subsisting and the union did not terminate the said award. In this connection a reference was made to the Supreme Court's decision in the case of Bangalore Cotton, Woollen & Silk Mills Co. Ltd. and their workmen (A.I.R. 1968 S.C., page 585). Bengal Chatkal Mazdoor Union raised objection to the above plea of the Company as it was not raised at the preliminary stage of the hearing and also not raised in the written statement of the Company. I am afraid I am unable to accept the above contention of the Company as case cited does not apply in the present case. In the present case the parties have referred the dispute for arbitration and not Government. As to the non-termination of the compromise award, dated 13th June 1969, so that a fresh dispute could be raised, the Bengal Chatkal Mazdoor Union rightly argued before me that the conduct of the parties, viz., the arbitration agreement, dated 8th July 1972, was tantamount to a termination notice.

9.5 The learned lawyer of the Company argued that the arbitrator could not go beyond the four agreements referred to under the said arbitration agreement. Under the four agreements, Ex. I, II, III and IV referred to in the arbitration agreement, grade, pay-scale and other benefits could not be decided and granted as those four agreements did not provide for such matters. Only the issue of basic wages and D.A. could be considered and decided. I agree that there is substance in this contention of the Company.

9.6 The Bengal Chatkal Mazdoor Union has claimed in their written statement that the employees should be paid jute wages and D.A. admissible plus 80 per cent. of such wages, on the analogy of the wage recommended by the Jute Wage Board in the case of weavers operating double (pair) looms. The Company has contested the above claim. In my view such claim of the union on the above analogy cannot be granted. Though it is admitted that the 46 employees are common employees there is no evidence as to what proportion of work of the jute and cotton sections is done by the employees. From the evidence of the Company's Mill Manager Shri A. K. Ghosh I find that the working hours of these employees vary from 39 to 48 hours and some percentage of the total work content is devoted for the work of the cotton mill section.

9.7 At the hearing the union pointed out that during the jute strike on 7th December 1970 the Company by a telegram asked all the 46 employees to do cotton mills work. Nineteen clerks attended and did cotton mills' work, and also put in overtime work. They argued that the work done by these 19 clerks as well as their work on account of over-time amounted to the work done by about 30 clerks. The savings on account of these 30 clerks should be disbursed to the clerks concerned. Indirect savings also resulted from the Company being not liable to pay bonus, gratuity and other benefits which amount, according to Union, will also not be very insignificant. In all fairness, according to the Union because of the savings of the Company, the concerned employees should be compensated over and above the basic wages and D.A. and other benefits admissible to them under the jute agreement. As to the amount of compensation the union had left the matter to me for decision. The Company, however, did not agree with the above contention and claim of the union.

9.8 After considering all relevant facts and circumstances of the case and the respective cases of the parties my finding is that these 46 employees are essentially jute workers as they are employed by India Jute Co. and their appointment letters are issued by the said Company. So far as provident fund and bonus are concerned, they are given the same facilities as jute workers. Besides the work of the jute mill section I find that they are also required to do some duty of the cotton section of the Company for which they should be compensated. It will not be proper and advisable in my view to delink their basic wages and D.A. with those of the jute mill workers and to evolve a new structure of wages and D.A. which have no relation or link with those of the jute mill industry. I, therefore, decide and direct that so far as basic wages and D.A. of the 46 employees are concerned, they should be paid such basic wages and D.A. as admissible to the jute workers under the Tripartite Jute Agreement, dated 11th August 1960 (Ex. I) and 7th May 1972 (Ex. II), respectively. Accordingly, they will be treated as jute employees and the rise in basic wages of Rs. 30 as a result of the 1969 jute agreement (Ex. I) and the rise of Rs. 45.60 under the 1972 jute agreement (Ex. II) should be granted to the employees from the respective dates of those two agreements. The rise or fall in D.A. of these employees will also be governed according to the scale laid down in the jute agreement, dated 7th May 1972. Against the amount of Rs. 30 which is admissible under the jute agreement, dated 11th August 1969, the amount of Rs. 20 which was paid to the employees under the Cotton Textile Tripartite Agreement, dated 9th October 1969, following the settlement award, dated 13th June 1969 and the advance of Rs. 10 paid under the tripartite settlement, dated 9th October 1970, between the parties in the Labour Directorate are to be adjusted.

9.9 So far as the grade and pay-scale of the employees are concerned, I do not want to disturb the pay-scales and grades to which the employees voluntarily agreed under the settlement, dated 29th May 1969, embodied in the compromise award, dated 13th June 1969.

9.10 So far as the allowances other than the D.A. and other benefits are concerned I find that the four agreements (Ex. I, II, III and IV) which have been referred to in the arbitration agreement have not made any provision regarding these matters and accordingly I am unable to grant any relief on these counts.

9.11 Besides the basic wages and the D.A. which will be admissible to the concerned 46 employees under the 1969 and 1972 jute agreements, I decide that in view of the extra work put in by these employees a sum of Rs. 30 per month should be granted to each of these employees and this amount should be treated as personal pay. On this personal pay the fringe benefits admissible will also have to be calculated. This personal pay will continue so long as the employees do the common job of both jute and cotton sections of the Company. I also decide that the personal pay will be granted to the employees, with effect from the date this award comes into force under the law

13. **Half-pay leave and commuted leave.**—(1) The half-pay leave admissible to an employee in respect of each completed year of service is—

(i) commuted leave during the entire period of service shall be limited to a maximum of—

Provided that no commuted leave may be granted under this rule unless the authority competent to sanction leave has reason to believe that the employee will return to duty on its expiry.

14. **Leave not due.**—(1) Except in the case of leave preparatory to retirement, "leave not due" may be granted to an employee in permanent employ for a period not exceeding 180 days during the entire period of service, provided both the following conditions are fulfilled, namely,—

(ii) the employee is likely to return and to continue in service for a sufficient period to earn the leave granted, and the leave so granted should be limited to the half-pay leave he is likely to earn thereafter.

(2) Such leave when granted shall be debited against the half-pay leave the employee may earn subsequently.

15. **Extraordinary leave.**—(1) Extraordinary leave may be granted to an employee in special circumstances—

he may, subject to such conditions as the Zilla Parishad or Anchalik Parishad may by general or special orders prescribe, be granted extraordinary leave for a period not exceeding 12 months.

(4) An employee on extraordinary leave is not entitled to any leave salary.

(5) Notwithstanding anything contained in sub-rules (1) and (2), the leave salary of an employee drawing pay not exceeding Rs. 500 per month shall, in the case of earned leave not exceeding 30 days at a time, be equal to the pay drawn immediately before proceeding on leave and in the case of half-pay leave not exceeding 30 days at a time, be equal to half of the pay drawn immediately before proceeding on leave. In case of leave while officiating in a higher post, it shall be equal to the pay drawn in that officiating post before proceeding on leave, provided that the employee would have actually continued to officiate in the higher post but for proceeding on leave.

Such leave may be granted to an employee on the certificate of Medical or Public Health Officer for a period not exceeding 21 days, or in exceptional circumstances 30 days. Any leave necessary for quarantine purposes in excess of this period shall be treated as ordinary leave. (2) Leave of any other kind admissible under the rules may be granted in continuation of maternity leave if the request for its grant be supported by a medical certificate.

19. **Authority to grant leave.**—Leave admissible under these rules may be granted by the Zilla Parishad or Anchalik Parishad to all the employees which it is competent to appoint substantively or subject to such conditions as the Zilla Parishad or Anchalik Parishad may think fit to impose, by an Officer empowered in this behalf by it.

20. **Leave account.**—(1) A leave account shall be maintained for each employee in terms of leave on average pay.

(2) In the leave account of an employee shall be credited the leave earned by him under rules 11, 12 and 13 of these rules.

This dispute was referred to this Tribunal for adjudication under section 10 of the Industrial Disputes Act by the Government of West Bengal, by its Labour Department, order No. 1742-I.R./IR/9L-7/65, dated 14th May 1965. One of the parties to the dispute is Messrs. Lipton (India) Ltd., 9 Weston Street, Calcutta-13 (hereinafter referred to as the Company), and the other party is their workmen represented by the Lipton Mazdoor Union, 249 Bepin Behari Ganguly Street (Top Floor), Bowbazar, Calcutta-12 (hereinafter referred to as Union). The only issue referred to the Tribunal is as follows :

Issue

Whether the dismissal of Shri Mihir Banerjee is justified ? To what relief, if any, is he entitled ?

After the receipt of reference notices were issued upon the parties. The parties appeared and filed their written statements. The Tribunal after hearing the parties made its award on November 12, 1965 which was published in the "Calcutta Gazette" on December 16, 1965. The Company applied under Article 226 of tht Constitution quashing the award. The said award was quashed or set aside by Mr. T. K. Basu, J,

on June 11, 1969, and the matter was remanded back to the Tribunal for deciding the same in accordance with law. The Tribunal was directed to decide inter alia as to whether it had jurisdiction to decide the matter.

On May 19, 1971, the Company filed a written statement before the Tribunal denying therein that any dispute in regard to the dismissal of the workman was either raised by the workman or by the Union prior to the date of reference. Witnesses were called on behalf of the parties to adduce evidence before the Tribunal. After hearing the matter the Tribunal passed an order on August 25, 1971, holding it had jurisdiction to adjudicate upon the issue referred to it under the aforesaid Order of Reference. The Company again applied under Article 226 of the Constitution for quashing or setting aside the said order, dated August 25, 1971, and also for cancelling the said Order of Reference. The High Court found that the dispute regarding the dismissal of the workman was properly raised by the Union. The High Court also found that the agreement, dated 17th July 1964, did not apply to the employees of the Head Office. The High Court further found that the dispute regarding the workman was no longer the transfer of the employees from the Head Office to the factory premises but dismissal of the workman, and the same was not covered by the agreement, dated 21st May 1965. In that view of the matter, the High Court dismissed the application filed by the Company.

I shall now discuss the evidence adduced by the parties regarding the issue under reference. The undisputed facts as disclosed in the evidence as well as in the pleadings of the parties are these. The Head Office of the Company in India is situated at 9 Weston Street, Calcutta. Formerly the factory of the Company was situated at 9/13 Weston Street, Calcutta. The Company decided to transfer its factory premises to Khidirpur area, and between September and November 1963, that factory of the Company along with some departments of the Head Office including the Purcase Department were transferred to Khidirpur where the factory premises was constructed by the Company. Many of the members of the staff were transferred to the factory premises at Khidirpur as they had been working in the department shifted there. The workman Mihir Banerjee was appointed as Stenographer by the Company at the Calcutta Head Office subject to Company's terms and conditions of employment for the Head Office staff by a letter, dated 2nd July 1963 (vide Ext. 1). He was originally appointed as probationer for a period of three months, and was later confirmed in the said post of Stenographer at the Head Office with effect from October 1, 1963 (vide Ext. 2). It may be mentioned at this stage that the working hours applicable to the Head Office staff at 9 Weston Street area different from the working hours applicable to the factory staff at 9/13 Weston Street (vide Exts. R and R/1). By a letter, dated November 5, 1964, the workman was directed by the Company to report for duty in the Purchase Department at Khidirpur (vide Ext. 3). The workman who was on leave made a representation to the Company by a letter, dated 2nd December 1964 (vide Ext. B). The prayer made by the workman was rejected by the Company by a letter, dated 3rd December 1964 (vide Ext. 4). The workman again made a representation before the Company to consider his case by a letter, dated 5th December 1964, stating that the letter, dated 5th November 1964, was clearly a departure from the stipulated conditions imposed upon him in its appointment letter (vide Ext. 5). The Company by a letter, dated 8th December 1964, again asked the workman to report for duty at Khidirpur (vide Ext. 8). The workman again drew the attention of the Company to the terms and conditions of service by a letter, dated 9th December 1964 (vide Ext. 7). By this letter the Company was informed that he would accept the transfer to the factory provided he was allowed to work only during the working hours as prevalent at the Head Office. Whereupon he was informed on behalf of the Company that no exception could be made only in his case and he must work according to the factory working hours and must report for duty on December 10, 1964. The Union also took up the cause of the workman and referred the dispute before the Labour Commissioner, West Bengal, by a letter, dated 9th December 1964, complaining that the service conditions of the workman had been changed without even complying with the provisions of section 9A of the Industrial Disputes Act, and asked the Labour Commissioner, West Bengal, to intervene in the matter and settle the dispute so that the legitimate rights of the workmen were protected (vide Ext. 8). The Union also wrote to the Chief Personnel Officer of the Company on December 10, 1964, pointing out the unjustified transfer of the workman from the Head Office to the factory and thereby changing his service conditions adversely to his interest. The Union further informed that the dispute had been referred to the Labour Commissioner and requested the Chief Personnel Officer to maintain status quo pending the final disposal of the dispute, (vide Ext. 10). The Company however asked the workman to report for duty at Khidirpur otherwise disciplinary action would be taken against him (vide Ext. 9). The Company also wrote a letter to the Secretary of the Union in reply to the letter, dated 10th December 1964 (vide Ext. 12). Thereafter the workman was charge-sheeted by the Company by a letter, dated Decmber 14, 1964, on account of disobedience of the Company's order by refusing to join his post at factory premises on December 10, 1964, and remaining absent without leave. The workman was further informed that a departmental enquiry would be held on December 15, 1964, by Shri T. M. J. Raman. The workman was advised to be present at the same enquiry (vide Ext 11). The said departmental enquiry was held on December 21, 1964 (vide Ext. A). The Enquiry Officer found the workman guilty of the charges levelled against him (vide Ext. A/1). Accordingly the workman was dismissed from service of the Company by the order, dated January 4, 1965 (vide Ext. B). By Memo., dated January 15, 1965, the Labour Commissioner asked the

Company to send its representative to attend the joint conference with the Union in respect of the complaint of the change of conditions of service of the workman (vide Ext. 14). By a letter, dated February 19, 1965, the Union wrote to the Assistant Labour Commissioner about the discussion held in the joint conference before the Labour Commissioner between the Union representative and that of the Company inter alia in regard to the hours of work as well as wrongful dismissal of the workman during the pendency of the conciliation proceedings. The Union pointed out in the said letter that from a discussion held on February 1965, it was found that the Company was not in a mood to settle the dispute. The copy of the letter of dismissal of January 4, 1965, was enclosed with the letter, dated February 19, 1965. The Union therefore requested the Assistant Labour Commissioner to recommend the dispute to the Government for referring the same to an Industrial Tribunal (vide Ext. 16).

Thus from the evidence discussed above, the question is whether the Company was justified in dismissing the workman from his service. It is not disputed that the workman was appointed as Stenographer for the Head Office of the Company at 9 Weston Street, Calcutta, under the terms and conditions laid down in Ext. R. It is not also disputed that a new building was constructed by the Company at Khidirpur area, and the Company's factory staff at 9/13 Weston Street, which is contiguous to the Company's Head Office at 9 Weston Street, was transferred between September and November, 1963. It cannot also be disputed that two settlements were executed on 17th July 1964. Ext. T, is the Memorandum of Settlement executed between the Company and the Union representing the monthly-rated clerks and supervisory employees (all workmen) employed at its Calcutta factory. Clause VI of the agreement provides that disturbance allowance would be granted to all categories of employees transferred to the new factory at Khidirpur. This Memorandum of Settlement is not however applicable to the monthly-rated clerical staff of the Company at its Head Office. Ext. 19, is the Memorandum of Settlement which was executed on the same date and is applicable to the monthly-rated office employees or workmen employed at the Head Office of the Company. Clause 7 of Ext. 19, provides that the Company agreed to modify its existing terms and conditions of employment governing the conditions of service of its workmen (employees) employed in the Calcutta Head Office in the light of new terms introduced by this settlement. There is no indication in this Memorandum of Settlement about any transfer of any monthly-rated office employee from the Head Office to Khidirpur. There is also no mention of disturbing allowance for the Head Office staff as emboided in clause 6 of Ext. T. There is also nothing in Ext. 19 to show that the following terms and conditions of employment regarding office hours applicable to Company's employees at the Head Office including the workman, Mihir Banerjee were changed as a result of agreement between the Union and the Company.

Office working hours are as follows:

Week days: 9-30 a.m. to 5 p.m. with half-an-hour launch recess from 1 to 1-30 p.m.

Saturday: 9-30 a.m. to 1 p.m.

It may be mentioned at this stage that the factory working hours of the Company are as follows:

Weekdays: 8 a.m. to 5-30 p.m. with half-an-hour launch recess from 12-30 to 1 p.m.

Saturday: 8 a.m. to 12 Noon.

It is not also disputed that a portion of the Purchase Department attached to the Head Office of the Company was also transferred to Khidirpur sometime in 1963, and some of the employees at Head Office were directed by the Company to report for duty at Khidirpur. Ext. J, is the letter written to Mihir Banerjee on 5th November 1964, directing him to report to Shri B. K. Saha at the new factory at 8 a.m. on 9th November 1964. It is not disputed that the workman was on leave, and he was engaged in connection with his law examination at the time when the letter, dated 5th November 1964, was written to him. The workman resumed his duty at the Head Office on 2nd December 1964, and wrote a letter to the Company to consider his case for reasons stated therein (vide Exts. B and C). The corrospondence between the parties clearly show that the workman represented his difficulties before the Company, but the Company refused to allow his prayer. It further shows that the workman was allowed time up to 10th December 1964, and he was informed by the letter, dated 9th December 1964, that his working hours at Khidirpur would be working hours applicable to the factory staff, and not the working hours as applicable to him under the terms and conditions of employment applicable to the Company's employees at the Head Office including the workmen. There is no evidence worthy name to prove that there was an arrangement between the Company and the workman at the time of appointment that the workman would have to work at Khidirpur factory. Both the appointment letter and the letter of confirmation are silent on the point. The Company has not also adduced any evidence regarding the same. Be that as it may, it is clear from evidence that the workman did not challenge the right of the Company to transfer him from the Head Office to Khidirpur. The Union including the workman however challenged the Company's right to change the working hours applicable to the workman by directing him to work at Khidirpur on terms and conditions regarding working hours applicable to the factory workmen of the Company. In this state of affairs the workman did not report for duty at Khidirpur on 10th December 1964. Thereafter, a domestic enquiry was held against the workman. The Enquiry Officer found the workman guilty

of the charges levelled against him, viz., disobedience of orders and absence without leave. The dismissal order also shows that the workman was found guilty for refusing to accept the transfer order and remaining absent without leave. The question is whether the workman who had not challenged the Company's right to transfer him from the Head Office to the factory at Khidirpur had committed any misconduct for refusing to report for duty on the terms and conditions laid down by the Company. It cannot be disputed that the hours of work and rest intervals come under the purview of conditions of service as mentioned in the Fourth Schedule of the Industrial Disputes Act. Ext. 9, clearly shows that the workman was directed by the Company to report for duty immediately at Khidirpur on terms and conditions laid down by the Company. This letter clearly shows that the hours of work applicable to workmen at the factory would be applicable to Mihir Banerjee. The question is whether any notice regarding change in the hours of work and rest intervals was served upon the workman Mihir Banerjee, or the Union in compliance with the provisions of the Industrial Disputes Act, contained in section 9A, and the mandatory provisions of Rules 34 and 35 of the West Bengal Industrial Disputes Rules, 1958. Such rules having been framed by the State Government under section 38 of the Industrial Disputes Act. There is no indication in the correspondence between the parties before the letter written on 9th December 1964, that the Company wanted to change the working hours applicable to Mihir Banerjee by changing the same to the working hours applicable to the workmen at Khidirpur. No notice regarding the change was also served upon the Union in a manner as prescribed by the rules. It is needless to mention that the Government was not also informed about the change. Unless the statutory provisions of the Industrial Disputes Act and the rules framed thereunder are complied with, the change contemplated by the Company was not binding upon the workman. The view I am taking, is supported by the Supreme Court decision reported in 1970 (II) LLJ-SC 99 wherein it has been held that the settlement between the Union and the Company would not be binding upon the workmen unless the provisions of the Industrial Disputes Act, read with the rules framed by the Government are complied with. In my opinion, the principles laid down in the aforesaid decision are also applicable to the instant case. That being the position it cannot be disputed that the workman who duly attended his Head Office for duty and signed the Attendance Register as evidenced by the Company's letter, dated 8th December 1964, was justified in refusing to carry out the unlawful order passed by the Company It is contended on behalf of the Company that the order transferring the workman from the Head Office to Khidirpur factory was not an illegal order, and the workman was guilty of misconduct for disobeying to carry out the order. In support of the contention several decisions have been cited on behalf of the Company (vide 1963 LLJ, I, 745 and 282, 1963 LLJ II 357, 1966 LLJ I 440, 1967 LLJ I 475). In my opinion, the said decisions are not applicable to the facts of the instant case. The workman never challenged the Company's right to transfer him from the Head Office to Khidirpur factory. His grievance was that the order passed by the Company by its letter, dated 9th December 1964, directing him to report for duty on 10th December 1964, was an illegal order as terms and conditions regarding working hours applicable to him were changed by the said order. The stand taken by the workman is supported by the decision reported in AIR 1967, Patna 397 wherein it has been held that before affecting change in working hours the Company must comply with the provisions of section 9A of the Industrial Disputes Act and without such compliance its order will be unlawful. That being the position the charges framed against the workman for disobeying the order were illegal, and the Company was not justified in holding the workman guilty on the basis of the said charges. Upon consideration of entire evidence on record and after giving my anxious consideration to the arguments advanced on behalf of both the sides, I find that the Company was not justified in dismissing the workman from his service.

In view of the findings made above, it is not necessary to determine the other points regarding the legality of the dismissal order passed by the Company. I shall however record my findings as arguments on the point have been advanced on behalf of both sides. It is contended on behalf of the Union that the Enquiry Officer was perverse in finding the workman guilty. It is further contended that the dismissal order was illegal as the provisions of section 33(2)(b) of the Industrial Disputes Act were not complied with by the Company. The enquiry proceedings have also been challenged on the ground that no charge-sheet was submitted upon the workman. In view of what has been disclosed in Ext. 11, I am unable to accept the contention of the Union that the workman was not charged for disobedience and remaining absent without leave. It however appears, from Ext. 11 that the workman was directed by the letter, dated 14th December 1964, to attend the domestic enquiry on 15th December 1964, in respect of charges framed against him. This fact by itself proves that the Company was bias and was not ready and willing to give its workman reasonable time to defend his case. It is not clear from evidence why the enquiry was adjourned from 15th December 1964 to 21st December 1964. It is significant to note that the Enquiry Officer did not read over the charges when he started enquiry on 21st December 1964. Be that as it may, it appears from the report of the Enquiry Officer that the Enquiry Officer did not at all consider the case made out by the Union as well as the workman regarding change of working hours in violation of section 9A of the Industrial Disputes Act and the rules framed thereunder. This fact goes to prove that the Enquiry Officer was bias in finding the workman guilty. It also appears that a dispute regarding change of working hours of the workman was raised by the Union before the enquiry proceedings were started. It also appears that the Company was duly informed by the Union that a dispute was raised by the Union

before the Conciliation Officer. The Company knowing all these facts and without complying the provisions of section 33(2)(b) of the Industrial Disputes Act, dismissed the workman from service. All these facts support the contention of the Union that the order of dismissal passed by the Company was illegal. It may be mentioned that the evidence adduced before the Tribunal also proves that the Company was not justified in dismissing the workman from service. In whatever view the matter may be approached, I find that the Company was not justified in dismissing the workman from his service.

The last question that comes for consideration is the relief which the workman is entitled. It appears from evidence that the workman was a student of final law class when he was dismissed by the Company. He worked under the Eastern India Motion Picture Association from March. 1965 to 4th November 1967. It also appears from evidence that the last pay including allowance drawn by the workman from the Company would be Rs. 396 or Rs. 398 per month. The workman also stated that he used to get Rs. 250 per month during his service under the Eastern India Motion Picture Association. In view of what has been disclosed in the evidence adduced by the workman it appears that the workman himself voluntarily resigned from his service as Stenographer under the Eastern India Motion Picture Association, and started his carrer as lawyer (vide Ext. 20). The workman who worked under the Company from July, 1963 to 4th January 1965, and who is a lawyer of Alipur Court, now prays for reinstatement with back wages. In support of his contention reliance has been placed upon a decision reported in AIR 1971 SC 2171. The Company's witness however states that the Company has lost confidence in the workman. He has stated reasons for the same. The Company has also relied upon decisions reported in 1971, Indian Factory Journal Vol. XXXX at pages 286, 292 and 183. It cannot be disputed that the provisions of section 11A of the Industrial Disputes Act, apply in the instant case. I have carefully considered the entire evidence on record The very fact that the workman voluntarily resigned from service under the Eastern India Motion Picture Association in 1967 and has been working as lawyer since then by itself proves that he is no longer interested to work as Stenographer. Bearing in my mind the principles that are followed in ordering reinstatement in case of wrongful dismissal and on a consideration of all the circumstances of the present case it must be held that it is one of the exceptional cases where compensation and not reinstatement would have been ordered (vide AIR 1970 SC 1401). The question is what amount the workman is entitled to get as compensation. It appears that difference between the wages which the workman used to get at the time of dismissal and the wages which the workman used to get under the Company mentioned above was awarded for the period from the date of dismissal to the date of order of reinstatement when the previous order was passed on 12th November 1965 I am not unmindful that the previous order was set aside by the High Court. The fact remains that the workman was unemployed from the date of dismissal to the date of employment by the Company mentioned above. The workman also got lesser pay from the Company mentioned above from the date of his new appointment to the date of his resignation under the said Company in November, 1967. The workman is also entitled to get bonus from the Company during this period. It appears that the amount which the workman was entitled to receive for the difference in wages plus bonus for the period was Rs. 6,000 and odd. Taking this amount into consideration I am of opinion that the parties will not be prejudiced if the Company is directed to pay a lump sum of amount of Rs. 7,000 as compensation in lieu of reinstatement. I am also in opinion that the Union is entitled to cost. I, therefore, direct that the Company must pay Rs. 7,000 (Rupees Seven Thousand only) as compensation to Shri Mihir Banerjee and Rs. 300 (Rupees Three Hundred only) as cost to the Union. The above amount must be paid to Shri Banerjee and the Union within two months from the date of publication of this award as stated above.

This is my award.

NOTIFICATION

No. 1677-L. — 22nd August, 1973. — The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

Bill No. 38 of 1973

THE CALCUTTA TRAMWAYS COMPANY (TAKING OVER OF MANAGEMENT) (AMENDMENT) BILL, 1973

A

BILL

to amend the Calcutta Tramways Company (Taking over of Management) Act, 1967.

WHEREAS it is expedient to amend the Calcutta Tramways Company (Taking over of Management) Act, 1967, for the purposes and in the manner hereinafter appearing; West Ben. Act XVI of 1967.

It is hereby enacted in the Twenty-fourth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. **1.** This Act may be called the Calcutta Tramways Company (Taking over of Management) (Amendment) Act, 1973.

Amendment of section 3 of West Ben. Act XVI of 1967. **2.** In section 3 of the Calcutta Tramways Company (Taking over of Management) Act, 1967 (hereinafter referred to as the said Act), in sub-section (2),—

(*i*) for the words "six years", the words "seven years" shall be substituted,

The Calcutta Tramways Company (Taking over of Management) (Amendment Bill, 1973.

(Clauses 3, 4.)

(*ii*) in the proviso, for the words "six years", the words "seven years" shall be substituted.

Amendment of section 6.

3. In section 6 of the said Act, for the words "six years", the words "seven years" shall be substituted.

Repeal and savings.

4. (*1*) The Calcutta Tramways Company (Taking over of Management) (Amendment) Ordinance, 1973, is hereby repealed. West Ben. Ord. III of 1973.

(*2*) Anything done, any action taken or any order made under the said Act as amended by the Calcutta Tramways Company (Taking over of Management) (Amendment) Ordinance, 1973, shall be deemed to have been validly done, taken or made under the said Act as amended by this Act as if this Act had commenced on the 18th day of July, 1973.

STATEMENT OF OBJECTS AND REASONS.

In 1967, on the ground that the Calcutta Tramways Company had not been managing its affairs properly, the State Government enacted the Calcutta Tramways Company (Taking over of Management) Act, 1967, with a view to taking over the management thereof.

Under section 3(1) of the said Act, the State Government took over the management of the Undertaking. Any order issued under section 3(1) of the Act was to remain in force for a period of three years from the date of its publication in the "Official Gazette". The said period of three years was extended from time to time. By the Calcutta Tramways Company (Taking over of Management) (Amendment) Act, 1972, the period was extended to six years. The said period of six years would have terminated after the 18th July, 1973. But it was not the intention of the State Government that the management of the Undertaking should revert to the Company. While negotiation was started with the Company sometime back, no agreement could be reached as regards the price to be paid for the purchase of the Undertaking. It was, therefore, decided to continue the existing Government management of the Company for a further period of one year beyond the 18th July, 1973 during which period steps might be taken to finalise the question of purchase of the Undertaking.

As the State Legislature was not in session and the matter was considered to be extremely urgent necessitating immediate action, it was decided to promulgate an Ordinance for the purpose. Accordingly, an Ordinance, namely, the Calcutta Tramways Company (Taking over of Management) (Amendment) Ordinance, 1973 was promulgated by the Governor on the 18th July, 1973, after obtaining instructions from the President. It is now necessary to have the Ordinance replaced by a suitable Act.

The present Bill seeks to achieve the above purpose.

Calcutta,

Repeal.

31. The Bengal Vaccination Act, 1880, is hereby repealed. Ben. Act V of 1880.

STATEMENT OF OBJECTS AND REASONS.

The Bengal Vaccination Act, 1880 provides only for compulsory primary vaccination and leaves revaccination voluntary to the people. But the primary vaccination becomes of no value unless it is followed by revaccinations at least once in a period of three years. The Act has now become outmoded in more than one ways to serve the present needs of a fast-growing urbanised and industrialised State like West Bengal. A comprehensive legislation removing the defects of the existing legislation has, therefore, become imperative.

The present Bill seeks to provide for the desired comprehensive legislation in repealment of the Bengal Vaccination Act, 1880.

FINANCIAL MEMORANDUM.

With the enforcement of the proposed legislation the State Government will have to incur expenditure in respect of printing of form of certificates for vaccination and revaccination which are to be supplied to the persons concerned free of cost. The cost on this account has been estimated at Rs. 2.5 lacs *per annum*.

CALCUTTA:
The 5th day of July, 1973.

বিলের উপর কতিপয় বক্তব্য

আমরা সকলেই এ ব্যাপারে একমত যে, গ্রাম পঞ্চায়েত আইন ও জিলা পরিষদ আইনের মধ্য দিয়ে যে পঞ্চায়েত ব্যবস্থা পশ্চিমবঙ্গে গ'ড়ে উঠেছে তা ব্যর্থ হয়েছে এবং একটা সুষ্ঠু পঞ্চায়েত ব্যবস্থা গ্রাম এলাকায় এখনই গ'ড়ে তোলা অত্যন্ত জরুরীভাবে প্রয়োজন হয়ে পড়েছে।

একটা ভাল পঞ্চায়েত ব্যবস্থা যখন গ'ড়ে তোলার জন্য আমরা আলোচনা করছি তখন ব্যর্থতার কারণগুলো আমাদের বিশ্লেষণ করতে এবং দূর করতেই হবে। তা না হ'লে আমরাও একটা ব্যর্থ আইন প্রণয়নের জন্য দায়ী হয়ে থাকবো।

পুরানো পঞ্চায়েত আইনে গণভোট মারফত প্রত্যক্ষ নির্বাচন ছিল মাত্র একটি স্তরে। বাকি তিনটি স্তরে ছিল অপ্রত্যক্ষ নির্বাচন। ইংরাজ আমলের গ্রাম্য স্বায়ত্তশাসন আইনে ইউনিয়ন বোর্ড, লোকাল বোর্ড ও জেলা বোর্ড গঠনে প্রত্যক্ষ নির্বাচনের ব্যবস্থা ছিল। ইংরাজ আমলের আইনে যেটুকু গণতন্ত্রের ব্যবস্থা ছিল তার সম্প্রসারণই ছিল স্বাধীন ভারতে পঞ্চায়েত আইন প্রণেতাদের মূল কর্তব্য, এই কর্তব্য তাঁরা পালন করতে পারেন নি।

তখনকার দিনের শাসকবর্গের জনসাধারণ সম্বন্ধে অবিশ্বাস ও ভীতি থাকায় পঞ্চায়েত গঠনের ক্ষেত্রে গণতন্ত্র সঙ্কুচিত ক'রে একটি পঙ্গু পঞ্চায়েত ব্যবস্থা তাঁরা দেশবাসীকে উপহার দিয়ে গেছেন। বর্তমানের আলোচিত আইনে এই ত্রুটি বহুলাংশে দূর করা হয়েছে। পঞ্চায়েতের তিনটি স্তরেই প্রত্যক্ষ নির্বাচনের ব্যবস্থা করা হয়েছে। মনোনয়নের কিছুটা ব্যবস্থা করা হয়েছে। আমরা মনে করি মনোনয়নের পরিবর্তে অল ইন্ডিয়া স্টাডি টিম-এর সুপারিশ মত অপ্রত্যক্ষ নির্বাচনের ব্যবস্থা হওয়া দরকার।

ইংরেজ আমলের স্বায়ত্তশাসন আইনে এবং পঞ্চায়েত আইনে নির্বাচিত সদস্যদের স্বাধীন-ভাবে কাজ করার ক্ষেত্র ছিল সামান্যই। বিভিন্ন স্তরের আমলাদের মারফত নির্বাচিত সংস্থা-গুলিতে সরকারী কর্তৃত্ব বজায় রাখাই ছিল মূল দৃষ্টিভঙ্গী। সে দৃষ্টিভঙ্গী বর্তমানের আলোচিত আইনে অনেকখানিই বজায় থাকছে দেখে আমরা শঙ্কিত। জনসাধারণের তত্ত্বাবধান ও নিয়ন্ত্রণের মধ্যে নির্বাচিত সদস্যদের কাজ করতে হ'লে ভবিষ্যতে একটা গণতান্ত্রিক আবহাওয়া ও প্রকৃত পঞ্চায়েত ব্যবস্থা গ'ড়ে উঠতে পারে। আলোচ্য আইনে এই দৃষ্টিভঙ্গীকে সম্পূর্ণরূপে অস্বীকার করা হয়েছে। পুরানো পঞ্চায়েত আইনের মত এই আইনেও জনসাধারণ নয় প্রেসক্রাইব্ড অথরিটি বা প্রাধিকারিককেই পঞ্চায়েতগুলির প্রায় সর্বময় কর্তৃত্বে রাখা হয়েছে। পঞ্চায়েতের কাজের জন্য প্রায় প্রত্যেক স্তরেই প্রাধিকারিকের অনুমতি প্রয়োজন। পুরানো পঞ্চায়েত আইনে গ্রামসভার সভ্যদের সাধারণ সভা মারফত গ্রাম পঞ্চায়েত সদস্যদের কাজের তত্ত্বাবধান ও নিয়ন্ত্রণের যে গণতান্ত্রিক ব্যবস্থা ছিল তা তুলে দেওয়া হয়েছে। আলোচ্য আইনে জনসাধারণের কেবলমাত্র ভোট দেবার অধিকারটুকু স্বীকার করা হয়েছে। পঞ্চায়েতের কাজ পরিচালনায় জনসাধারণের কোনও ভূমিকা নেই। মুখ্য ভূমিকা দেওয়া হয়েছে প্রাধিকারিক নামধারী সরকারী আমলাদের, যাদের অধিকাংশই এদেশে গণতন্ত্রের সম্প্রসারণ অপেক্ষা নিজেদের কর্তৃত্ব বজায় রাখতে অনেক বেশি আগ্রহশীল। এঁদের অধিকার দেওয়া হয়েছে লিখিতভাবে, কারণ দেখিয়ে এঁরা যে কোনও পঞ্চায়েতকে বাতিল করতে পারবেন বা যে কোনও পঞ্চায়েত সদস্যকে অপসারণ করতে পারবেন। প্রচুর অসম্পূর্ণতার মধ্য দিয়ে যেখানে পঞ্চায়েত-গুলিকে কাজ করতে হয় সেখানে কারণের অভাব হয় না। আমাদের কাছে নজির আছে যে, ভালভাবে ট্যাক্স আদায় হয় না এই অজুহাতে—শতকরা ৯৫টি অঞ্চল পঞ্চায়েতই ভালভাবে ট্যাক্স আদায় করতে পারে না—বেছে বেছে কয়েকটি অঞ্চল পঞ্চায়েতকে বাতিল করা হয়েছে। অথচ চুরি ও অন্যান্য দুর্নীতির অভিযোগ থাকলেও অধিকাংশ ক্ষেত্রেই বাতিল বা অপসারণ তো দূরের কথা একটা সাধারণ তদন্তও হয় না। জনসাধারণকে দূরে সরিয়ে রেখে এই ধরনের সরকারী আমলাদের কর্তৃত্বে কোনও সুষ্ঠু পঞ্চায়েত ব্যবস্থা গ'ড়ে উঠতেই পারে না। সেজন্য আমরা সুপারিশ করছি আমলাতান্ত্রিক কর্তৃত্ব কমান হোক, জনসাধারণের তত্ত্বাবধানের ব্যবস্থা রাখা হোক। জনসাধারণের তত্ত্বাবধানে পঞ্চায়েতগুলিকে বেশ কিছুটা স্বাধীনভাবে কাজ করতে দেওয়া হোক।

আলোচ্য আইনে গ্রাম ও সমিতি পঞ্চায়েতে পরিচালনার মূল কর্মচারীরা সকলেই সরকার কর্তৃক নিযুক্ত হচ্ছেন। সরকারী কর্মচারী কন্টকিত পঞ্চায়েতে পঞ্চায়েতী আদর্শের প্রতিষ্ঠার কাজ সামান্যই হবে। জনকল্যাণের কাজের চেয়ে আমলাতান্ত্রিক নিয়মকানুন বজায় রাখাই তাঁদের মুখ্য উদ্দেশ্য হবে। আজকের পঞ্চায়েতে সরকারী কর্মচারীদের দৃষ্টিভঙ্গী একথার যথার্থতাই প্রমাণ করে। আগামী দিনেও পঞ্চায়েতী কাজের পরিচালনায় এঁরাই থাকবেন এবং একইভাবে কাজ করে যাবেন। সেজন্য আমরা মনে করি, পঞ্চায়েত পরিচালনার জন্য সরকারী কর্মচারী নিয়োগের ক্ষেত্রে পঞ্চায়েতগুলিরও বিশেষ ভূমিকা থাকা দরকার। এক্ষেত্রে কর্মচারী নিয়োগের ব্যাপারে পঞ্চায়েতগুলির পরামর্শ সরকারের নেওয়া দরকার। বিশেষ ক'রে গ্রাম পঞ্চায়েতের মূল কর্মচারী সেক্রেটারী নিয়োগের ক্ষেত্রে এ নিয়ম আমাদের অবশ্যই করতে হবে।

পঞ্চায়েতের মূল ভূমি হবে গ্রাম পঞ্চায়েত। সেখানে মূল কর্মচারী পঞ্চায়েতের কাছে নয়, সরকারী কর্মচারী হিসাবে সরকারের কাছে দায়ী থাকবেন। পঞ্চায়েতের মূল ভূমিতে এই ব্যবস্থা অত্যন্ত ত্রুটিপূর্ণ হবে। অবশ্য এটা সত্য কথা, আলোচ্য আইনে যে কোনও পঞ্চায়েত সংখ্যাগরিষ্ঠের ভোটে সরকারের কাছে কোনও কর্মচারীকে প্রত্যাহারের দাবী করতে পারবে। এটা পঞ্চায়েতের একটা নতুন অধিকার। তবু আমরা উল্লেখ করতে বাধ্য হচ্ছি যে, এ একটা নেতিবাচক অধিকার। কর্মচারী নিয়োগের ক্ষেত্রে পঞ্চায়েতের ইতিবাচক (পজিটিভ) অধিকার সরকার ও পঞ্চায়েতের সহযোগিতার ক্ষেত্র প্রসারিত হবে। পঞ্চায়েতগুলিও স্বাধিকারে প্রতিষ্ঠিত হয়ে নিজের পায়ে ভর দিয়ে দাঁড়াতে শিখবে।

পুরানো পঞ্চায়েত আইনে পঞ্চায়েতকে যে যে উন্নয়নমূলক কাজের দায়িত্ব দেওয়া হয়েছে এই আইনেও সেই দায়িত্ব দেওয়া হয়েছে। কিন্তু পুরানো আইনে দায়িত্ব দেওয়া হ'লেও দায়িত্ব পালনের জন্য অর্থের সংস্থান করা হয়নি। ফলে পঞ্চায়েতগুলি জনসাধারণের মনে কোনও উৎসাহ সৃষ্টি করতে পারে নি। দুঃখের বিষয়, এই আইনেও অর্থ সংস্থানের কোনও ব্যবস্থা থাকছে না। ফলে পঞ্চায়েত ব্যবস্থা গতানুগতিকভাবেই চলবে মনে ক'রে সাধারণ মানুষ নিরুৎসাহ হয়ে পড়বে। আমরা মনে করি, জনসাধারণের উৎসাহ, উদ্যোগ ও অংশগ্রহণই হবে পঞ্চায়েতের মূল ভিত্তি। আমাদের দেশে শতকরা ৭০ ভাগ লোক দারিদ্র্যসীমার নীচে। গ্রামাঞ্চলে এই অনুপাত শতকরা ৮০ ভাগ হ'তে পারে। এ অবস্থায় সাধারণ মানুষের ওপর নতুন নতুন ট্যাক্স ধার্য ক'রে অর্থসমস্যার সুরাহা হবে না। প্রমোদকর, ভূমিরাজস্ব আদায়, প্রভৃতি বিভিন্ন বিষয় থেকে কিভাবে গ্রামাঞ্চলের পঞ্চায়েতগুলির জন্য অর্থসংস্থান করা যায় সেজন্য সরকারকে সচেষ্ট হ'তে হবে।

পুরানো আইনের আর একটি মূল ত্রুটি পঞ্চায়েত আইনে থেকে যাচ্ছে ডেভোলিউশন অব পাওয়ার্স-এর ক্ষেত্রে। উন্নয়নমূলক বা অন্যান্য কাজের ক্ষেত্রে এই ক্ষমতা কখন, কিভাবে, কতটুকু পঞ্চায়েতগুলি কাজে লাগাবে তা সরকার ঠিক ক'রে দেবেন। এখানে পঞ্চায়েতগুলির কোনও স্বাধীন ইচ্ছা থাকছে না। কিছু মামুলী কাজের অধিকার সাধারণভাবে পঞ্চায়েতগুলিকে দেওয়া হয়েছে, বাকী সব অতি প্রয়োজনীয় ও গুরুত্বপূর্ণ কাজের ক্ষেত্রে তাদের সরকারের মর্জির ওপর নির্ভর ক'রে থাকতে হবে। এই ব্যবস্থা মোটেই ডেভোলিউশন অব পাওয়ার্স-এর প্রহসন ছাড়া আর কিছু নয়। পশ্চিমবাংলার গণমানসে পঞ্চায়েত সম্বন্ধে গতানুগতিক চিন্তা-ধারায় যে মৌলিক পরিবর্তন আনা প্রয়োজন ছিল এই ব্যবস্থা সম্পূর্ণরূপে তার পরিপন্থী।

নতুন পঞ্চায়েত বিল পাইলট করার সময় মাননীয় মন্ত্রী শ্রীসন্তোষ রায় বার বার বলেছেন যে, তিনিও ডেভোলিউশন অব পাওয়ার্স-এ বিশ্বাস করেন এবং পরবর্তীকালে পঞ্চায়েতগুলির কিছুটা কাজের হিসাব ক'রে ক্ষমতার বিকেন্দ্রীকরণ করতে চান। আমাদের কথা এই যে, ক্ষমতার বিকেন্দ্রীকরণ দিয়েই আমাদের আরম্ভ করতে হবে এবং পরবর্তীকালে তাকে সম্প্রসারিত করতে হবে। সাধারণ মানুষকে মনে করতে দিতে হবে যে, তাঁদের নির্বাচিত সংস্থার যা ক্ষমতা তাতে তারা ভাল কিছু করতে পারবে। সামান্য ক্ষমতা দিলে লোকে উৎসাহিত হবে না। সেজন্য আমরা প্রস্তাব রাখছি, পঞ্চায়েতের সাধারণ ক্ষমতা বেশি থাকবে এবং সরকারের ইচ্ছাধীন ক্ষমতা কম করা হোক। যেমন উন্নয়নমূলক কাজের ক্ষেত্রে ক্ষমতা স্পেসিফাইড থাকবে। সরকার ইচ্ছা করলে অস্থায়িভাবে তার কিছু না দিতে পারেন। নতুন ক্ষমতার সম্ভাবনা গণমানসে মনস্তাত্ত্বিক প্রভাব সৃষ্টি করবে। এই নতুন দৃষ্টিভঙ্গী নিয়ে আইন রচনার জন্য

আমরা সকলকে আবেদন জানাচ্ছি। অবিশ্বাস ও সন্দেহমুক্ত মন নিয়ে জনসাধারণের অংশ-গ্রহণকে সুনিশ্চিত করার জন্য আমরা যদি আজ সাহস ক'রে এগিয়ে যেতে পারি তবেই আগামী দিনের জন্য প্রকৃত পঞ্চায়েত ব্যবস্থার ভিত্তি আমরা রচনা ক'রে যেতে পারব। তা না হ'লে আমরা আশঙ্কা করি, আমরাও হয়তো ব্যর্থই হবো।

পরিশেষে আর একটা কথা আমরা তুলে ধরতে চাই। আমাদের উচিত হবে সকল পঞ্চায়েতকেই সমানভাবে দেখা। যদি কোনও ক্ষমতা পঞ্চায়েতকে দিতে হয় তা সকল পঞ্চায়েতকেই দিতে হবে। যেমন ধরুন, ভূমিরাজস্ব আদায়ের অধিকার দিতে হ'লে সকলকেই দিতে হবে। সমদৃষ্টি বিরূপ মনোভাবাপন্ন লোকেদেরও আমাদের দিকে আকৃষ্ট করবে।

বিলের উপর মন্তব্য

পঞ্চায়েত বলতে এমন স্থানীয় স্বায়ত্তশাসনশীল প্রতিষ্ঠান বোঝায় যা বিশেষ এলাকার জনসমষ্টির প্রতিনিধিত্বমূলক। ঐ প্রতিষ্ঠান স্থানীয় জনসমষ্টির কাছে সর্বতোভাবে দায়ী থাকবে। যথাযথ অর্থে পঞ্চায়েত ব্যবস্থা গ'ড়ে তুলতে হ'লে ঐ প্রতিষ্ঠানের হাতে একদিকে যেমন স্থানীয় এলাকার উন্নয়ন ও পরিচালনার জন্য যথেষ্ট ক্ষমতা থাকা দরকার, তেমনি তার থাকা দরকার সেই ক্ষমতা প্রয়োগের উপযোগী আর্থিক ও অন্যবিধ সংগতি। সরকারের কাছে তার পরোক্ষ দায়িত্ব থাকবে বটে, কিন্তু পঞ্চায়েত সরকারের অঙ্গ হবে না। গান্ধীজীর পরিকল্পিত পঞ্চায়েতরাজ বলতে মোটামুটিভাবে আমরা এটিই বুঝি।

অথচ বর্তমান বিলে তার জন্য কোন ব্যবস্থা রাখা হয় নি। বরং বিলটি পর্যালোচনা করলে এটিই মনে হবে যে, পঞ্চায়েত ব্যবস্থাকে সম্পূর্ণ পঙ্গু ক'রে দেওয়া হয়েছে। পঞ্চায়েত সমিতিসমূহকে সমষ্টি-উন্নয়নের দায়িত্ব দেওয়া হয় নি। পঞ্চায়েতকে তার দায়িত্ব পালনের উপযোগী অর্থ দেওয়া হয় নি। ব্লকের কর্মীদের পঞ্চায়েতের আয়ত্তাধীন করা হয় নি। অথচ এই বিলে তার দায়িত্বের বিরাট তালিকা সন্নিবেশিত ক'রে সাধারণ মানুষের চোখ ধাঁধাবার চেষ্টা করা হয়েছে।

পঞ্চায়েত স্থানীয় পর্যায়ে নেতৃত্ব গ'ড়ে তোলার সহায়ক হওয়ার কথা। কিন্তু এই বিলে যেভাবে উপরের দুই স্তরে সরকারী খবরদারী ব্যবস্থা করা হয়েছে এবং সেখানে যেভাবে এম এল এ এবং এম পি-দের স্থান নির্ধারণ করা হয়েছে, তাতে স্থানীয় নেতৃত্ব গ'ড়ে ওঠার অবকাশ সীমিত হ'তে বাধ্য।

পঞ্চায়েতের হাতে কাগজে পত্রে বহু দায়িত্ব দিয়ে প্রকৃত প্রস্তাবে সেই দায়িত্ব পালনের উপযোগী কোনও কার্যকর ক্ষমতা ও সংগতির ব্যবস্থা না করায় পঞ্চায়েত প্রতিষ্ঠানের সমস্ত প্রচেষ্টা হাস্যকর ব্যর্থতায় পরিণত হবে। এর অনিবার্য ফল হিসাবে যেকোন প্রতিনিধিত্ব-মূলক প্রতিষ্ঠান সম্পর্কেই সাধারণ মানুষের ধারণা খারাপ হবে। এর ফলে গ্রামাঞ্চলের সাধারণ মানুষদের মনে সামগ্রিকভাবে "গণতান্ত্রিক সংগঠন" সম্পর্কে একটি অনাস্থার মনোভাব সৃষ্টি হবে, এই আশঙ্কা মোটেই অমূলক নয়। প্রস্তাবিত বিলটির এটিই মূলগত গলদ।

১৯৬৯ সনের যুক্তফ্রন্ট সরকারের পঞ্চায়েত দপ্তরের ভারপ্রাপ্ত মন্ত্রী শ্রীবিভূতিভূষণ দাশগুপ্তের পরিচালনায় যে খসড়া বিল প্রণীত হয়েছিল, তাতে পঞ্চায়েতকে কার্যকর প্রতিষ্ঠানে পরিণত করার প্রচেষ্টা ছিল। কিন্তু বর্তমান বিলে গতানুগতিক ব্যবস্থাকেই নতুন সাজে সজ্জিত ক'রে হাজির করার চেষ্টা করা হয়েছে।

এই মূলগত ত্রুটি থাকা সত্ত্বেও এই কাঠামোর মধ্যেও এর অগণতান্ত্রিক চরিত্র খর্ব করার জন্য আমরা যে সব সংশোধনী দিয়েছিলাম সেগুলি গৃহীত হ'লে মন্দের ভাল হিসাবে এর কিছু কার্যকারিতা মেনে নিতে আমাদের কোন অসুবিধা ছিল না। যেমন গ্রাম পঞ্চায়েতের আয়তনকে আমরা যতদূর সম্ভব ছোট করার কথা আমাদের সংশোধনীতে বলেছি। ৩(১) ক্লজ-এ একটি প্রোভাইসো যোগ ক'রে দেবার যে সংশোধনী আমরা এনেছিলাম তাতে আমরা বলেছি,

"Provided that area of such gram shall constitute on the basis of general population not less than three thousand and not exceeding five thousand."

এটা ছাড়াও ক্লজ ৪(৩)(এ)-তে যেখানে একটি গ্রাম পঞ্চায়েতে সর্বাধিক ১৪টি নির্বাচনক্ষেত্র রাখার কথা বলা হয়েছে, আমরা সেটি কমিয়ে সর্বাধিক ৬টি করার প্রস্তাব দিয়েছিলাম। বলা বাহুল্য ঐ দু'টি সংশোধনী গৃহীত হয় নি। ফলে বর্তমানে যে সব অঞ্চল পঞ্চায়েত রয়েছে, মোটামুটিভাবে তার ভিত্তিতেই এক-একটি গ্রাম পঞ্চায়েত গ'ড়ে তোলা হবে ব'লে ধ'রে নেওয়া যায়। এর ফলে পূর্বতন ইউনিয়ন বোর্ডের সঙ্গে প্রস্তাবিত গ্রাম পঞ্চায়েতের আয়তনের কোন হেরফের হবে না অথচ গান্ধীজীর প্রস্তাবিত পঞ্চায়েতরাজের মধ্যেও সম্ভাব্য সর্বাপেক্ষা ক্ষুদ্র আয়তনের মধ্যে সেটি গ'ড়ে তোলার কথা বলা হয়েছিল।

এই বিলের ক্লজ ৯(১)-এ গ্রাম পঞ্চায়েতের প্রধান ও উপপ্রধান নির্বাচনের যে পরোক্ষ পদ্ধতির বিধান রাখা হয়েছে আমরা তা পরিবর্তন ক'রে প্রত্যক্ষ নির্বাচনের সুপারিশ আমাদের সংশোধনীতে দিয়েছিলাম। আমাদের সংশোধনীতে আমরা বলেছিলাম:

The Pradhan and the Upa Pradhan of a Gram Panchayat will be elected by secret ballot at such time and in such manner as may be prescribed from amongst themselves by persons whose names are included in the electoral roll of the West Bengal Legislative Assembly for the time being in force pertaining to the area comprised in such Gram

অতীতের অভিজ্ঞতা থেকে জানা যায়। প্রধান ও উপপ্রধানের এই পরোক্ষ নির্বাচনের ব্যবস্থার দরুন গ্রামাঞ্চলে কিভাবে প্রচণ্ড দলাদলি ও রেষারেষির সৃষ্টি হয়। এমনো দেখা গিয়েছে

কোন কোন জায়গায় এর জন্য গুরুতর শান্তিভঙ্গ ও প্রাণহানি ঘটেছে, এমন অনেক নজিরও আমাদের সামনে রয়েছে। বিত্তবান ও কায়েমী স্বার্থের নির্বাচিত প্রতিনিধিরা প্রচুর অর্থ উৎকোচ দিয়ে এবং অন্যান্য প্রলোভনে ভুলিয়ে অপেক্ষাকৃত দুঃস্থ ও দুর্বল প্রতিনিধিদের প্রভাবিত করার চেষ্টা করেন এবং এইভাবে প্রধান ও উপপ্রধানের পদটি করায়ত্ত করেন। পরোক্ষ নির্বাচনে সাধারণ মানুষের কোন হাত থাকে না ব'লে তাঁরা দাঁড়িয়ে দাঁড়িয়ে তাঁদের নির্বাচিত সদস্যের এইসব নোংরা কার্যকলাপ অসহায়ভাবে দেখেন। এর ফলে যোগ্যতম প্রার্থীকে বিত্তবান অযোগ্য সদস্যের হাতে পরাজয় বরণ করতে হয় এবং এর অনিবার্য ফল হিসাবে গ্রাম পঞ্চায়েতে গোষ্ঠীতন্ত্র মাথাচাড়া দিয়ে ওঠে। এই কদর্য ও অবাঞ্ছিত পরিণাম থেকে গ্রাম পঞ্চায়েতকে বাঁচাতে হ'লে প্রধান ও উপপ্রধানের নির্বাচন প্রত্যক্ষ নির্বাচনের মাধ্যমে করতে হবে। এ ভিন্ন আর কোন বিকল্প ব্যবস্থা নেই। প্রসঙ্গতঃ, প্রত্যক্ষ নির্বাচনের ক্ষেত্রে প্রধান ও উপপ্রধানের বিরুদ্ধে অনাস্থা প্রস্তাব আনার বিষয়ে সাংবিধানিক অসুবিধার কথা উল্লেখ করা যেতে পারে। তার উত্তরে বলা যায় সরকারের সদিচ্ছা থাকলে ঐ সাংবিধানিক অসুবিধে দূর করা খুব বেশি কষ্টসাধ্য নয়। যাই হোক, এত বিস্তারিত আলোচনায় না গিয়েও একথাটি বলা যায়, বর্তমান বিলে সেই কায়েমী স্বার্থ, গোষ্ঠতন্ত্রের হাতেই পঞ্চায়েত ব্যবস্থাকে তুলে দেবার ব্যবস্থা রাখা হয়েছে। আমাদের সংশোধনী গৃহীত হ'লে সেটাকে নিঃসন্দেহে প্রতিরোধ করা সম্ভবপর হ'ত। প্রকাশ থাকে অল ইন্ডিয়া স্ট্যাডি টিম-ও এই মত প্রকাশ করেছেন।

যথাবিহিত নির্দিষ্ট আলোচ্য বিষয়ের তালিকায় উল্লিখিত না থাকলেও যে কোন বিষয়ে, সভায় উপস্থিত অধিকাংশ সদস্যের অনুমোদনে আলোচিত হ'তে পারবে, বিলের ক্লজ ১৭-এর এই বিধানকে আমরা কায়েমী স্বার্থের চোরাপথ ব'লে মনে করি। কারণ এর ফলে প্রগতিশীল সদস্যদের অনুপস্থিতির সুযোগ নিয়ে কায়েমী স্বার্থবাদীরা তাদের বাঞ্ছিত সিদ্ধান্ত বিনা বাধায় পাশ করিয়ে নেবার সুযোগ পাবেন। আমরা আমাদের সংশোধনীতে এটাকে বাতিল করতে চেয়েছিলাম। বলা বাহুল্য, আমাদের এই সংশোধনীটিও গৃহীত হয় নি।

ক্লজ ১৯-এ গ্রাম পঞ্চায়েত-এর করণীয় সম্পর্কে যে বিরাট ফিরিস্তি দেওয়া হয়েছে সেগুলি সমাধা করার খরচ-খরচাদি সম্পর্কে বলা হয়েছে

"A Gram Panchayat shall as far as possible etc."

আমরা মনে করি, গ্রামের মানুষের মঙ্গলের জন্য ঐ সব করণীয় কাজের গুরুত্ব আজ অনেকখানি। কারণ গ্রামে বাস করেন শতকরা সত্তরজন লোক এবং এদের আর্থিক অবস্থা দারিদ্র্যসীমার নিচে। কিন্তু গ্রাম পঞ্চায়েতের সীমিত আর্থিক সঙ্গতির জন্য তার পক্ষে আর্থিক সাহায্য ব্যতীত করণীয় কাজসমূহ সমাধা করা সম্ভবপর নয়। কাজেই ঐসব কাজের জন্য দরকারী খরচ-খরচাদি সরকারকেই দিতে হবে। আমাদের সংশোধনীতে আমরা সেই কথা বলতে চেয়েছিলাম

"the fund at its disposal"

কথাগুলির পরিবর্তে

"Such fund as shall be made available to it by the State Government along with the fund at its disposal"

কথাগুলি সন্নিবেশিত করতে চেয়েছিলাম। বলা বাহুল্য, আমাদের এই সংশোধনীটিও গৃহীত হয় নি। ফলে করণীয় কাজের তালিকায় চোখ বুলানোর বেশি কিছু কাজ গ্রাম পঞ্চায়েতের সদস্যরা করতে পারবেন ব'লে মনে হয় না।

গ্রাম পঞ্চায়েতের সেক্রেটারীকে তৃতীয় শ্রেণীর সরকারী কর্মচারী এবং দফাদার ও চৌকিদারকে চতুর্থ শ্রেণীর সরকারী কর্মচারী হিসাবে গণ্য করার যে দাবী আমরা আমাদের সংশোধনীতে বলেছিলাম, সেটিও গৃহীত না হওয়ায় তাদের অবস্থার প্রতি যথেষ্ট গুরুত্ব দেওয়া হয় নি ব'লে আমাদের মনে হয়েছে এবং অবিচার করা হয়েছে। অথচ এই বিলেই তাদের চাকরীর একটি নির্দিষ্ট মান ও বিধি প্রবর্তন করা উচিত বা সম্ভবপর ছিল।

এই বিলে ক্লজ ৪৬ অনুযায়ী কর বসিয়ে অর্থ সংগ্রহের যে একমাত্র সুযোগ গ্রাম পঞ্চায়েতের রয়েছে, আমাদের কাছে তা যথাযথ ও ন্যায়সঙ্গত মনে হয় নি। ভূমিরাজস্ব আদায়ের ক্ষেত্রে যেখানে তিন একর পর্যন্ত জমির মালিককে ভূমি রাজস্বের দায় থেকে অব্যাহতি দেওয়া হয়েছে। আমরা মনে করি পঞ্চায়েত করের ক্ষেত্রেও ঐ একই বিধান থাকা উচিত। কারণ গরীব লোকের বাস গ্রামেই। ভূমিহীন দীনমজুরের সংখ্যা দিন দিন যেহারে বেড়ে চলেছে ও জিনিসপত্রের দাম যেহারে বেড়ে চলেছে তাতে গ্রামাঞ্চলে শতকরা ৬০ জন লোক অর্ধাহারে ও অনাহারে বৎসরের মধ্যে ৯ মাস দিন কাটাতে বাধ্য হচ্ছে। পক্ষান্তরে বিত্তবানদের উপর করের চাপ বেশি রাখা উচিত। তাই আমরা আমাদের সংশোধনীতে জমি জমার ওপর নিম্নলিখিত হারে কর বসানোর প্রস্তাব দিয়েছিলাম:

For annual value from Rs. 601 to Rs. 1,500 ... 1 per cent.
For annual value from Rs. 1,501 to Rs. 3,000 ... 2 per cent.
For annual value from Rs. 3,001 to Rs. 4,500 ... 3 per cent.
For annual value from Rs. 4,501 to Rs. 6,000 ... 4 per cent.
For annual value from Rs. 6,001 to and above ... 6 per cent.

দ্বিতীয়তঃ ব্যবসায়িক ও অন্যান্য বৃত্তিধারীদের ক্ষেত্রে এই বিলে যেখানে সর্বাধিক আজন্ম ২৫০ (আড়াই শত) টাকা কর বসানোর বিধান রয়েছে, আমরা সেটাকে সর্বাধিক ৫০০ (পাঁচ শত) টাকা বা তার ঊর্ধ্বে করার প্রস্তাব আমাদের সংশোধনীতে সুপারিশ করেছিলাম।

আমরা মনে করি, আমাদের সংশোধনীগুলি গৃহীত হ'লে একদিকে যেমন গরীব মানুষের ওপর করের বোঝা কমে যেতো, ঠিক তেমনি অপরদিকে বিত্তবান ও ব্যবসায়িকদের কাছ থেকে ন্যায়সঙ্গতভাবে কর আদায় করে পঞ্চায়েত তহবিলে তুলনামূলকভাবে বেশি অর্থ সংগৃহীত হ'ত। এর ফলে গ্রাম পঞ্চায়েত কিছু কিছু জনহিতকর কাজ সমাধা করতে পারতেন। বলা বাহুল্য, আমাদের এই সংশোধনীগুলিও গৃহীত হয় নি।

পঞ্চায়েতে তপশিলী জাতি ও উপজাতি সম্প্রদায়ের মধ্য থেকে সরকারী মনোনয়নের মাধ্যমে সদস্য গ্রহণের যে অগণতান্ত্রিক ব্যবস্থা এই বিলে রয়েছে, সেটাকে পরিবর্তন করে নির্বাচিত সদস্যদের কো-অপশন-এর মাধ্যমে তাঁদের গ্রহণ করার কথা আমাদের সংশোধনীতে বলেছিলাম। সেই সংশোধনীটি গৃহীত না হওয়ায় আমাদের মনে হয়েছে যে, এই দুই সম্প্রদায়ের যেসব কর্তাভজা ব্যক্তি স্থানীয় আমলাদের একান্ত স্নেহভাজন হবেন, অন্য কথায় তাঁদের অনুগত হবেন, শুধু তাঁরাই এই মনোনয়নের সুযোগ পাবেন। এ ছাড়াও জনসাধারণের দ্বারা নির্বাচিত জনপ্রতিনিধি সংখ্যাগরিষ্ঠ হওয়া সত্ত্বেও সরকারী মনোনয়নের মাধ্যমে সুযোগ লইয়া সংখ্যা লঘিষ্ঠ প্রতিনিধিবৃন্দ, সংখ্যা গরিষ্ঠ জনপ্রতিনিধিগণকে সংখ্যা লঘিষ্ঠে পরিণত করতে সক্ষম হবেন। সত্য কথা বলিতে কি, কায়েমী স্বার্থের ও কর্তাভজা ব্যক্তিগণ গণতন্ত্রের প্রাথমিক রীতিনীতিকে পদদলিত করার সুযোগের সদ্ব্যবহার করিয়া নির্বাচনকে প্রহসনে পরিণত করিবেন এবং অধিকাংশ ক্ষেত্রেই শাসকদল আমলাতন্ত্রের সাহায্যে সুযোগ গ্রহণ করিবেন।

উল্লিখিত কারণগুলির জন্য এমন একটা অসম্পূর্ণ বাগাড়ম্বরপূর্ণ, পঙ্গু ও আন্তরিকতা-শূন্য বিলের সমর্থনে এগিয়ে আসতে আমি স্বভাবতই সঙ্কোচ বোধ করছি। তাই আমি এই বিল সম্পর্কে আমার পর্যালোচনা ও অভিমত সংক্ষেপে লিপিবদ্ধ করার জন্য আপনাকে অনুরোধ জানাই। এই বিলকে আমি সমর্থন করতে পারছি না।

Minutes of Dissent

The directive in Article 40 of the Constitution of India is, "The State shall take steps to organise Village Panchayats and to endow them with such powers and authority as may be necessary to enable them to function as units of Self-Government." But the Preamble of the Bill emerged out of the Select Committee does not bear the spirit of the abovementioned 'Directive'.

Preamble of the Bill is vaguely worded. In my opinion it should be—'to assign to the Panchayat bodies local Government functions, and to provide for the decentralisation of powers and functions for the purpose of promoting the development of democratic institutions and securing greater measures of participations by the people in the development works.'

2. Jawaharlal Nehru, the builder of Modern India, said, "People had got into the habit of thinking of democracy at the top and not so much below. Democracy at the top could not be a success unless it was built on this foundation from below."

To make the foundation of democracy from below the idea of Panchayat bodies has emerged. Panchayats should develop a type of democracy through which will evolve a leadership representing all elements of village life to conduct the affairs of the community. The Panchayati Raj aims at the direct participations of the people in the administration of the country, because it is motivated with the idea that local people are fully acquainted with their needs and aspirations. As regards devolution of powers on Panchayats the framers of the Bill have taken a miserly attitude in total disregard of fundamental principle of Panchayati Raj. Panchayats as units of Self-Government should be given greater measure of freedom, independence and responsibility in the day to day administration of their problems with a view to making them more effective units of administration and judicial decentralisation as well as basic agencies of planning from below.

In an ideal system of Panchayati Raj, Government should play the role of a passive observer with an intention to extend its hands of co-operation when that is needed from the Panchayat bodies. But in this Bill more power has been concentrated at the hands of the Government exercisable through its bureaucratic apparatus and thereby instead of the introduction of decentralisation of powers and functions it seeks to tie the hands of Panchayat bodies with different controlling measures acting as cateracts and brakes at every step.

3. The proposed Zilla Parishad will be a unworkable body. There will be Panchayat Samitis at the Block level and Gram Panchayat at the Anchal level. So there is hardly any justification of making any provision for sending more than one representative to the Zilla Parishad from the Block.

4. In disregard to the principle of Panchayati Raj no provision has been made to ensure all development programmes to be channelled through the Panchayat bodies and no provision has been made to place staff posted at the Block at the disposal of the Panchayat Samity.

5. No commitment for adequate resources has been made available to Panchayat bodies to enable them to discharge their responsibilities. In absence of any definite commitment for financial assistance there is ample scope for the Government either to squeeze the power of Panchayat bodies in the name of granting financial assistance or will make them tools of the party in power.

6. In this Bill provision has been made for exercising overall control over the Panchayat bodies by the officers of the Government other than the officers of the Panchayat Department. In such a state of affair what role the Panchayat Officers will play should be categorically stated. Panchayat Officers who are to play a distinct and vital role in the Panchayati Raj bodies, virtually they have been kept in a neglected position. Extension Officers of Panchayats have been debarred from attending meetings of the Panchayat Samitis.

7. The Bill incorporates therein a very undemocratic provision in clause 216 (transitory provision), when it contemplates that with the coming into force of this Act, all members of Panchayat bodies, then holding offices, shall vacate their offices, and the State Government shall appoint Administrator for each of the bodies to exercise, perform and discharge all their powers, functions and duties. It can reasonably be apprehended if the Panchayat bodies fail to satisfy the party in power, in spite of their capability, sincerity and good work, they will be ousted from the office.

Such provision is the denial of democratic rights to elected bodies. This provision will not help in any way for the growth of democratic institution—would surely hit at the very root of democracy.

GOVERNMENT OF WEST BENGAL

LEGISLATIVE DEPARTMENT

NOTIFICATION

No. 1981-L.—30th August, 1973.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information :—

Bill No. 41 of 1973

THE WEST BENGAL OFFICIAL LANGUAGE (AMENDMENT) BILL, 1973.

A

BILL

to amend the West Bengal Official Language Act, 1961.

WHEREAS it is expedient to amend the West Bengal Official Language Act, 1961, for the purposes and in the manner hereinafter appearing; West Ben. Act XXIV of 1961.

It is hereby enacted in the Twenty-fourth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. **1.** This Act may be called the West Bengal Official Language (Amendment) Act, 1973.

The West Bengal Official Language (Amendment) Bill, 1973.

(Clauses 2, 3.)

Insertion of new section 3A in West Ben. Act XXIV of 1961.

2. After section 3 of the West Bengal Official Language Act, 1961 (hereinafter referred to as the said Act), the following section shall be inserted, namely:—

'Use of Nepali language in rules, regulations, etc.

3A. Notwithstanding anything contained in section 3, with effect from such date as the State Government may, by notification in the *Official Gazette*, appoint in this behalf, the Nepali language may, in addition to the Bengali language, be used for such

(*a*) rules, regulations and by-laws made by the State Government under the Constitution of India or under any law made by Parliament or the Legislature of West Bengal, and

(*b*) notifications or orders issued by the State Government under the Constitution of India or under any law made by Parliament or the Legislature of West Bengal,

as apply to the three hill sub-divisions of the district of Darjeeling, namely, Darjeeling, Kalimpong and Kurseong:

Provided that different dates may be appointed in respect of different matters referred to in clause (*a*) or (*b*).

Explanation.—For the purposes of section 3 and this section the words "law made by Parliament or the Legislature of West Bengal" shall include any law made before or after the commencement of the Constitution of India by any legislature or other competent authority in the territory of India having power to make such a law.'.

Amendment of section 4.

3. In section 4 of the said Act, in clause (*a*), after the word and figure "section 3", the words, figure and letter "or section 3A" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

The West Bengal Official Language Act, 1961 provides that in the three hill sub-divisions of the district of Darjeeling, the Bengali language and the Nepali language shall be the languages to be used for the official purposes of the State of West Bengal. The Act, however, does not provide that in rules, regulations, bye-laws, notifications or orders issued by the State Government under the Constitution of India or under any law made by Parliament or the Legislature of West Bengal the Nepali language can similarly be used.

2. Practical difficulties have therefore arisen to use the Nepali language in Government's Notices, forms, etc., which form part of any statutory rule. For example, (1) Conductor's Licence (L. Con.), (2) application for Conductor's Licence (L. Con. A), etc., which constitute part of the Bengal Motor Vehicles Rules, 1940, cannot be printed in the Nepali language unless the West Bengal Official Language Act, 1961, is suitably amended.

3. The Bill seeks to do away with this difficulty as when enacted it would enable the use of the Nepali language as well in the three hill sub-divisions of the district of Darjeeling in all statutory rules, regulations, bye-laws, etc.

STATEMENT OF OBJECTS AND REASONS.

The provisions of laws relating to prevention of adulteration of food, drugs and cosmetics are inadequate to meet the situation arising out of the increased trend of commission of offences under (1) Prevention of Food Adulteration Act, 1954 (Act 37 of 1954), (2) Drugs and Cosmetics Act, 1940 (Act 23 of 1940) and (3) Indian Penal Code (Act 45 of 1860). The procedure laid down in the Code of Criminal Procedure (Act 5 of 1898) for trial of offences under the said laws also requires modifications. With a view to removing the deficiencies in the Central laws as stated above and with a view to meeting the growing menace of adulteration of food and drugs in this State a State legislation providing for amendments of the said Central Acts in so far as the State of West Bengal is concerned, is considered necessary. The Prevention of Adulteration of Food, Drugs and Cosmetics (West Bengal Amendment) Bill, 1973 seeks to remove the deficiencies of the said Central Acts.

AWARD

The Government of West Bengal, Labour Department, has referred an industrial dispute between Messrs. Krishna Chandra Bros., 59/60 Industrial Estate, Dassnagar, Howrah (Head Office at 30 Ganesh Chandra Avenue, Calcutta-13), and Shri Janak Sharma, C/o. Sharma Cycle Stores, Benaras Road, Biradingi, P.O. Dassnagar, Howrah, to this Court by its order No. 4983-I.R./IR/10L-77/69, dated 29th June 1970, under section 10 read with section 2A of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication on the following issue:

Issue

Whether the termination of services of Shri Janak Sharma is justified? What relief, if any, is he entitled to?

This is a reference under section 10 read with section 2A of the Industrial Disputes Act. After receipt of the reference usual notices were issued and served upon the parties. Both parties entered appearance and put in their respective written statement. After usual adjournments the case was fixed for hearing on 24th July 1972. On that date the Company prayed for time and so the case was adjourned till 17th August 1972, for hearing On that date my learned predecessor in office adjourned the case for hearing till 5th September 1972 as he had received the orders of transfer. On 5th September 1972, the Company again prayed for time and so the case was adjourned till 29th April 1972, for hearing. On 29th April 1972, the Company again prayed for time and so the case was adjourned till 13th November 1972, for hearing. On 13th November 1972, the parties were present but in view of the appeal pending before the Hon'ble High Court regarding the constitutional validity of section 2A of the Act, the case was adjourned till 12th December 1972. On that date as well the parties were present but the case was adjourned till 10th February 1973, on the same ground. On 10th February 1973, the case was further adjourned till 13th March 1973. On 13th March 1973, the parties were absent and so the case was adjourned till 17th April 1973, for hearing. On 17th April 1973, the parties were present and after hearing them it was adjourned till 30th May 1973, for hearing. On 30th May 1973, the workman was present but the Company was found absent. So the case was adjourned till 29th June 1973. On 29th June 1973, the workman was present but the Company was absent and did not take any steps. In the meantime the appeal before the Hon'ble High Court had been disposed of and section 2A was declared intra-vires the constitution. As such the cae was taken up for ex parte hearing under rule 21 of the West Bengal Industrial Disputes Rules, 1958.

The case of the concerned workman Janak Sharma is in brief, is that he was employed as a Fitter in the factory of the Company Messrs. Krishna Chandra & Bros. at Howrah and his earnings varied from Rs. 180 to 200 per month. It is his further case that he took a leading part in trade union activities and demanded improvement in rates of wages and other conditions of services before the employer. Then all on a sudden, on 18th March 1968 he was retrenched from his services by Suresh Chandra Agarwala, one of the partners of the Company and in-charge of the factory. The workman has contended that no notice of retrenchment was issued to him and that he made several demands for reinstatement but to no effect.

The concerned workman Janak Sharma has examined himself as P.W. 1 and has substantiated his case made out in the written statement. He has pledged his oath to say that his services were terminated without any notice, that he was not served with any charge-sheet and that there was no domestic enquiry before his termination from services. I am satisfed from his evidence that no retrenchment notice was served upon him and that his services were terminated in a most arbitrary way without observing the principles of natural justice or the requirements of law embodied in section 25F of the Act.

In the above circumstances, I hold that the termination of service of the workman Janak Sharma is wholly unjustified and that he is entitled to reinstatement with full back wages from the Company since 18th March 1968.

The reference is thus disposed of.

Dictated and corrected by me.

D. N. SEN,
Judge.

AWARD

These are 2 applications one under section 33(2)(b) of the Industrial Disputes Act preferred by the Company Messrs. Anandapur Tea Estate against their workman Shri Debo Prosad Sarkar and the other a corresponding application preferred by Shri Debo Prosad Sarkar against the said Company. The Company's charge against Shri Debo Prosad Sarkar is that the latter had indulged in an offence of theft of about 1 Kg. of Tea from the factory. On that basis the Company had dismissed Shri Sarkar on 19th June 1972. The theft had been committed on 16th September 1971. The Company has prayed for confirmation of the aforesaid act of dismissal.

The corresponding counter application preferred by Shri Sarkar under section 33A of the Industrial Disputes Act against the Company contains amongst other things flat denial of the aforesaid charge of theft. Grievance of Shri Debo Prosad Sarkar is that he was falsely implicated maliciously and with an ulterior motive. He has prayed for an order of disapproval of the Company's action thereby directing the Company to reinstate him with all back wages.

The aforesaid two applications have been heard by me analogously for the sake of convenience of treatment as also for the sake of convenience of the parties themselves. My following judgment would govern both the cases:

The facts of the cases are simple and admit of no complexity. Only grievance of the Company is that on 16th September 1971 a small quantity of tea weighing about 1 Kg. was stolen away by Shri Debo Prosad Sarkar If this offence of theft is disbelieved then the whole case of the Company goes. So the main point for determination is whether this allegation of theft has been proved. I have been taken through the pages of Ext. 6, the enquiry proceeding. The very first thing which attracts my attention is the abrupt way in which the proceeding was commenced on 24th November 1971 by means of examining the delinquent Debo Prosad Sarkar himself. It has been observed by the Supreme Court repeatedly that in such a proceeding as this, it is the bounden duty of the Company to examine the Company's witnesses first and not to commence the proceeding by elaborately cross-examining the delinquent himself at the outset. This observation of the Supreme Court has been given a complete go-by by the Enquiring Officer P.W. 1 Shri Nakuleswar Mitra. It would transpire from Ext. 6 that at the very outset of the enquiry Shri Sarkar was examined first and as many as 36 questions in the cross-examination were put to him by no other personality than by the Enquiring Officer himself, viz., by P.W. 1 Shri Mitra, who had himself issued the charge-sheet. This procedure, in my opinion, by itself, is sufficient to condemn the whole proceeding thereby vitiating the finding of the guilt of the delinquent.

Now with regard to the merits of the case, I would like to point out that the charge of theft itself has not only been not proved but it has been disproved altogether. This would appear clearly from the evidence deposed by P.W. 6. P.W. 7 and P.W. 8 in the domestic enquiry. P.W. 6 is Shri Buchua Santal. His evidence is that on 16th September 1971 at about 1 p.m. Shri Sarkar had informed him that he (Shri Sarkar) needed some tea for his personal consumption and that he had asked him to do the needful. From his evidence we get that Shri Santal filled up the container with tea himself and that after filling it up, he had handed over the same to one Ramlal Barick who carried the container outside up to the quarters of Shri Debo Prosad Sarkar P.W. 7 is Shri Samir Kumar Rudra, the only available clerk at the relevant time present in the factory. His deposition is that Shri Sarkar had informed him on the same noon that he had taken 1 Kg. of tea in advance against his quota for the month of October 1971. As per Shri Sarkar's instruction, Shri Rudra kept a note of it in his Note Book. His further evidence is this that this advance quota was later on adjusted against Shri Sarkar's October's quota. P.W. 6 is Shri Nitya Gopal Chatterjee who is the Assistant Manager of the Tea Estate concerned. His evidence is that he had verified the matter himself and that he had been told in course of his enquiry that on that very date, Shri Sarkar had asked for a Gate Pass in respect of the tea he had taken from the factory. From the aforesaid deposition of the 3 witnesses it is crystal clear that Shri Debo Prosad Sarkar was not a thief and that he had at least informed the 3 persons that he had been taking away 1 Kg. of tea for his home consumption and that he had even asked the clerk concerned to keep a note of it in writing. It is no wonder that the Assistant Manager Shri Chatterjee would not like to take any action himself. His letter Ext. 2 addressed to the Secretary makes it abundantly clear that Shri Chatterjee did not himself believe that Shri Debo Prosad Sarkar had any menceria in the matter of taking away the tea for his personal consumption. The materials on the record are very clear on the point that the employees of the factory used to take such tea sometimes in advance and that such deliveries used to be adjusted against the future quotas which were available to them per month. The clear evidence of P.W. 7 which I have already pointed out before is that as a matter of fact such advance was also made in the case of Shri Debo Prosad Sarkar also. It is no wonder that Shri Sarkar would not be condemned immediately after his taking away the tea on 16th September 1971. From the charge-sheet which is dated 16th October 1971, it would appear that about a month after the alleged commission of the offence, Shri Sarkar was accused of the charge for the first time. This delay of one month in the matter of issuing the charge-sheet has not been satisfactorily explained by the Company. The reply Ext. 4 to the charge-sheet speaks for itself and in the last but one paragraph therein Shri Sarkar has rightly observed:

> "That the charge has no basis, and has been formed as an afterthought, and under extraneous influence, is proved by the fact that you have choosen to prefer a charge-sheet after a month of the commitment of the alleged offence".

Be that as it may, one thing is clear, viz., that in the facts and circumstances of the case, it cannot be said by any stretch of imagination that Shri Sarkar has stealthily removed 1 Kg. of tea from the factory. That being so, the charge, in my judgment, has not been proved at all by the Company. The application

under section 33(2)(b) therefore, should be disallowed not only on ground of law points which I have disclosed before, but also on ground of merits so far as the facts of the cases are concerned.

In the result, the corresponding application preferred under section 33A of the Industrial Disputes Act, should necessarily succeed. If Shri Sarkar was victimised with an ulterior motive by the Company, if Shri Sarkar was unjustly dismissed from service on a baseless alleged offence, then the principles of natural justice and equity demand that in all fairness of the matter, he should be forthwith reinstated in his service. In his application under section 33A, Shri Sarkar has claimed back wages. I have given due weight to the facts and circumstances of the case and in my judgment I think, Shri Debo Prosad Sarkar should be allowed back wages in full commencing from the date of his dismissal minus his wages or dues which he may have taken in advance, if any, in the meantime. I award accordingly. The two applications stand thus disposed of.

Dictated and corrected by me.

NOTIFICATION

No. 13914WT.—6th September 1973.—Whereas it is expedient in view of the rapid economic development of the country to encourage long distance and inter-State transport of goods by road;

And whereas it is necessary for this purpose to enter into special recriprocal agreements between the States of (1) Bihar, (2) Haryana, (3) Himachal Pradesh, (4) Jammu and Kashmir, (5) Punjab, (6) Rajasthan, (7) Uttar Pradesh, and (8) West Bengal and the Union Territories of (1) Chandigarh and (2) Delhi;

Now, therefore, in exercise of the power conferred by sub-section (3A) of section 63 of the Motor Vehicles Act, 1939 (Act 4 of 1939), the Governor is pleased hereby to publish a draft of the following proposed agreement indicating the maximum number of composite permits to be issued by each of the States of Bihar, Haryana, Himachal Pradesh, Jammu and Kashmir, Punjab, Rajasthan, Uttar Pradesh, West Bengal and the Union Territories of Chandigarh and Delhi, to be valid on routes specified in the schedule annexed hereto throughout the States chosen for operation by the permit-holder, for the information of all persons likely to be affected thereby.

Notice is hereby given that the proposed agreement and any representation in connection therewith shall be taken into consideration by the Transport Commissioner and ex officio Secretary, Home (Transport) Department, Government of West Bengal, on or after the expiry of a period of thirty days from the date of publication of this notification in the "Calcutta Gazette".

for and on behalf of the Union Territory of Chandigarh of the ninth Part, the President of India for and on behalf of the Union Territory of Delhi of the tenth Part.

Whereas it is expedient in view of the rapid economic development of the country to encourage the long distance and inter-State transport of goods by road and whereas it is necessary for this purpose to provide for adequate inter-State services for the transport of goods by road and to regulate, co-ordinate and control their operation, it is necessary in the interests of the public in general to enter into special reciprocal agreements between the States of (1) Bihar, (2) Hariyana, (3) Himachal Pradesh, (4) Jammu and Kashmir, (5) Punjab, (6) Rajasthan, (7) Uttar Pradesh, (8) West Bengal, (9) Chandigarh and (10) Delhi.

It is now agreed by and between the above parties as follows:

I. That this Reciprocal Agreement shall come into force from the 1973 and shall be valid up to 1975. It may be renewed for such further period as may be mutually agreed to by all the signatories to this Agreement. For reasons to be given in writing by any of the signatory States, this Reciprocal Agreement may be revoked on three months' notice. Such revocation shall, however, abridge and modify the operation of this agreement only in so far as it relates to the withdrawing State subject to the condition that permits already issued under this agreement will continue to be valid till the expiry of those permits irrespective of withdrawal by the State or States from this agreement.

II. The total number of vehicles for which composite permits shall be issued shall not exceed 200 for each of the States of Bihar, Hariyana, Himachal Pradesh, Jammu and Kashmir, Punjab, Rajasthan, Uttar Pradesh, West Bengal, Chandigarh and Delhi. While the States of Jammu and Kashmir and Himachal Pradesh shall issue 200 permits, the number of outside vehicles from each State entering Jammu and Kashmir and Himachal Pradesh shall be limited to 100. The composite permits issued by the competent Transport Authority of each signatory State shall be valid on all National and State Highways chosen for operation. A list of the National and State Highways in each signatory State is appended hereto as Annexure VI. The competent Transport Authority shall also issue to each of such permit-holders an authorisation in the form annexed to this agreement (Annexure I) and such authorisation shall correspond to the period for which the advance payment has been received provided that the authorisation at one time shall not exceed period of one year.

It shall, however, be open to any public carriers plying under such authorisation to deviate from the specified routes to the extent not exceeding 30 Kms. on either side of the specified routes.

III. (i) Each applicant for a composite permit shall have to choose a minimum of four States, i.e., the Home State and any three other States out of the remaining nine for operation with effect from the date of this Agreement.

(ii) If a composite permit-holder chooses to exclude a contiguous State for operation through which his vehicle must have to pass to reach any other State chosen for operation within the Scheme, the holder of the permit shall have to pay full taxes to the "transit State".

(iii) A composite permit-holder of a State shall be allowed to operate in any other State, separately covered under a bilateral agreement, but the same vehicle will not be allowed to be used both for the composite permit scheme as also the bilateral agreement scheme in the same State.

(iv) An option once exercised by a composite permit-holder will not be allowed to be changed before a period of one year.

IV. A public carrier operating under this agreement shall be free to operate without restriction of routes in the Home State whereas while operating in any area outside the Home State such a public carrier shall not pick up or set down goods between any two points lying wholly within the jurisdiction of the reciprocating States, i.e., in such cases vehicles shall be prohibited from carrying any intra-State business.

V. A public carrier operating under this Agreement shall be subject to the following limitations and restrictions:—

(1) No vehicle may be authorised under this Agreement which—

(2) A public carrier plying under this Agreement shall at all times carry a Bill of Lading in the form prescribed in the Schedule annexed (Annexure III). Carriage of goods not in conformity with the declaration in the Bill of Lading shall be construed as infringement of the condition of the permit making the permit-holder liable under section 60 of the Motor Vehicles Act.

(3) Such vehicles shall conform to and comply with all provisions of the Motor Vehicles Act, as well as the provisions of the Motor Vehicles Rules framed by the Home State subject to such restrictions as may be imposed by the State Governments from time to time under the provisions of the Motor Vehicles Act, 1939.

(3-A) A public carrier plying under this Agreement shall be allowed to ply his vehicle on all National and State Highways in the signatory States chosen for operation. In particular in the case of vehicle in hilly areas of Himachal Pradesh, Jammu and Kashmir, Uttar Pradesh, West Bengal, etc., the operation will be subject to the load and other restrictions as may be imposed by the State Government concerned for any particular route/area. The Home State may make a suitable endorsement on the permit particularly in regard to the hilly State of Himachal Pradesh, Jammu and Kashmir and Uttar Pradesh, etc., as necessary, that the heavier vehicles will not be allowed in the hilly regions of these States.

(4) The certificate of fitness of such a vehicle shall be liable to be suspended or cancelled by the competent authority of the home State if it is found to be not in conformity with the provisions relating to fittings, colour and body specification as detailed in the Schedule annexed hereto (Annexure V).

(5) Such a vehicle shall at all times carry a valid authorisation in the form as detailed in the Schedule annexed (Annexure I) hereto granted under this Agreement and issued under the signature and seal of the competent Transport Authority of the Home State.

(6) Any authorisation holder plying under this Agreement shall file a quarterly return in regard to such a vehicle in the form prescribed as detailed in the Schedule annexed (Annexure IV) hereto in quintuplicate to the Secretary of the State Transport Authority of the Home State who, in turn, shall furnish copies thereof to the Secretaries, State Transport Authorities of the other signatory States.

V-A. A vehicle lying under authorisation issued under this special Agreement may be stopped and inspected for the purpose of enforcement of the provisions of this agreement by an officer of the rank of Assistant Inspector of Motor Vehicles or Sub-Inspector of Police or any other officer whose rank is mutually agreed upon by the signatory States. Such an Inspecting Officer shall issue a check report in triplicate, one copy of which shall be served on the person in charge of the vehicle, the second copy shall be sent to the competent Transport Authority of the Home State and third copy sent to the competent Transport Authority of the State concerned. The competent Transport Authority of the home State, on receipt of the copy of the check report, may take such action as he may deem fit.

VI. (1) A composite permit-holder plying under authorisation shall be liable to pay as under:—

(a) Motor Vehicles Tax and the Goods Tax obtaining in the Home State.

(b) A sum of Rs. 200 per annum in lieu of taxes mentioned in clause (a) above to Chandigarh Administration in case it is opted for operation and a sum of Rs. 700 per annum in lieu of taxes mentioned in clause (a) above to each of the remaining States of his option other than the Home State:

Provided no such sum of Rs. 700 will be payable by outside vehicles in respect of Delhi, so long as Goods Tax is not levied in the Union Territory of Delhi. This sum shall be paid in advance by a crossed Bank Draft before the 15th of March every year (irrespective of the RLW and PLW of the vehicle). For this purpose, all the signatory States shall make suitable provisions in their taxation laws. Each signatory State shall designate a competent Authority for the purpose of receiving the amount mentioned above on behalf of other States, which shall thereafter be transferred to the respective States. Such competent Authority shall stamp and endorse the authorisation to that effect. Any vehicle plying under such an authorisation in the absence of such a valid endorsement shall be deemed to be plying in contravention of the condition of the permit and shall be liable to suspension and cancellation of the permit under section 60 of the Motor Vehicles Act.

The sum mentioned above will not be inclusive of Municipal levies such as Octroi, etc., and composite permit-holder will be liable to pay them separately.

(2) Notwithstanding that the amount is required to be paid for the whole year in advance as per sub-clause (1) above, the owner of the vehicle may, at his option, pay it in two equal instalments, the first before the 15th March every year for the period April-September and the second instalment before the 15th September (of the current financial year) for the period October-March and obtain endorsement of having paid this tax from the competent authority of the Home State in certificate specified in Annexure II.

(3) If the vehicle covered by the authorisation is kept under non-use for a period/periods during the validity of the auhorisation no refund of amount paid for that period/periods will be allowed.

(4) If the initial authorisation is granted at any time after the first quarter of the financial year, the tax shall be assessed on prorata basis for the remaining quarters of the financial year including the quarter in which the authorisation is granted. For this purpose, a quarter shall be taken as a unit and not months and days; provided that this relief shall not be admissible for subsequent authorisation.

(5) If the vehicle covered by the authorisation is sought to be replaced by another suitable vehicle after prior permission of the Authority which originally granted the permit, the registraion mark of the replaced vehicle may be noted by the Home State Tansport Authority in the authorisation and the tax already paid shall be deemed to have been paid for the replaced vehicle for the period following the date on which the vehicle is replaced.

VII. The competent authority of the home State shall receive the amount on behalf of the other State, as the case may be, in the form of crossed Bank Drafts. Those Drafts shall be made payable in the name of the designated authority of the State concerned and shall be sent by the home State to the State concerned as and when received along with a statement showing the details of the vehicle number, Bank Draft number and date and amount, period for which paid, etc.

VIII. (A) For the implementation of this Agreement, he State Transport Authority or Regional Transport Authority as the case may be, of the Home State shall—

issue composite permits for the inter-State route or routes or areas, as the case may be, covered by this reciprocal agreement for any four or more of the signatory States, such a composite permit-holder shall have the benefit of rule framed under Section 68(2)(hh) read with section 68(1) of the Motor Vehicles Act, 1939, referred to in para. below; and the competent Authority shall furnish copies of these composite permits (Part B only) to other signatory States within 30 days of issue.

(C) Such composite permits shall be valid in all the signatory States other than the Home State on all the National and State Highways of each State as specified in the permit. A list of these Highways is annexed in the Schedule hereto. The composite permit shall also be valid on such other National Highways and the State Highways as may be notified from time to time by the Union Government or the State Governments concerned and which are endorsed on the permit.

IX. In this agreement, the term "Home State" means the State in the territory of which the composite permit under section 56 has been granted and authorisation therefor is issued under this Agreement.

(b) to prescribe the pay scales, allowances and qualifications for recruitment;

(c) to prescribe the minimum rates of tuition fees;

(d) to approve of appointment of teachers;

(e) to frame rules and regulations for payment of pensions;

(f) to prescribe the age of retirement;

(g) to fix the maximum number of students in the institution and in each class.

7. **Appointment, confirmation of service, dismissal, appeal and termination of service:** (1) (a) In all cases of appointments, permanent or temporary, the School Committee shall issue letters of appointment specifying the terms and conditions governing such appointments. When a permanent appointment is made, the selected candidate shall be on probation for a specified period, after which he may or may not be confirmed.

(b) Where the School Committee thinks it necessary, the probationary period may be extended or the service of the candidate terminated. In either case the employee may, however, appeal to the Centre M.C., whose decision would be final.

(c) An employee on probation shall be informed at least six weeks before the expiry of the period of probation whether (i) he would be discharged, or (ii) he would have to serve a further period, not longer than half the original period, on probation. If no such intimation is given, the employee shall stand confirmed on the expiry of the period of probation.

And if the Director of Public Instruction, West Bengal, is not satisfied with the decision, he may then request the school authorities for reconsideration of the matter. The final decision, however, will lie with the Centre M.C. or such body, which the society may appoint, as the case may be, except in the case of employees of the institution receiving financial assistance in any form from the State Government in which case the decision of the Director of Public Instruction, West Bengal, shall be final.

(3) The service of a permanent employee may, notwithstanding anything contained in the aforesaid sub-rule (2), be terminated with three months' notice on either side or in lieu thereof three months' pay. Neither side need show any reason in such cases. For termination of services of a temporary employee or an employee on probation, one month's notice or in lieu thereof one month's pay will be sufficient. A Staff Committee may be appointed by the School Committee for a period not exceeding its own terms in office. The Headmaster/Principal shall be the President and such number of members representing teachers, librarians and clerks, as it may deem fit, by the Centre M.C. to consider all matters relating to the welfare of the institution and make recommendations thereon for the consideration of the School Committee. The President shall appoint a Secretary from among the members.

(2) An Academic Council may be constituted by the Headmaster/Principal with the approval of the Centre M.C. Provided that an aforesaid scheme shall secure—

(*i*) that allotment of shares or payment in cash in favour of the members of the transferor bank under clause (*d*) shall not be made until all the depositors and creditors of the transferor bank have been paid under sub-clause (*i*), or as the case may be, under sub-clause (*ii*), of clause (*c*), and

(*ii*) that such allotment of share or payment in cash in favour of the members of the transferor bank shall be made only out of the surplus of the assets of the transferor bank, if any, that may be left after payment of the depositors and creditors as indicated in clause (*i*) above,

(*e*) the continuance of the services of the employees of the transferor bank in the transferee bank on terms and conditions of service not being less advantageous than what they were entitled to immediately before the amalgamation:

Provided that the transferee bank may not, by an order in writing, allow any employee of the transferor bank to continue in the services of the bank if, in the opinion of the transferee bank, the continuance of such employee in its service would be detrimental to its interest, and thereupon the services of such employee shall stand terminated on and from the date of such order, and the transferee bank shall, within three months of the date of the aforesaid order, make payment to such employee such compensation as such employee may be entitled under any law relating to the industrial disputes in force in the State and such pension, gratuity, provident fund and other retirement benefits as are ordinarily admissible to him under the rules of the transferor bank in force immediately before the amalgamation.

(*4*) An order referred to in sub-section (*1*) may contain such incidental, consequential and supplemental provisions as the State Government may consider necessary to give effect to the proposed amalgamation and shall have effect on and from such date as may be specified in the order.

(*5*) On the coming into operation of any scheme referred to in sub-section (*1*), the provisions thereof shall be binding on the transferor bank, the transferee bank and all the members, depositors, creditors and employees of both such banks and on any other person having any right or liability in relation to the said banks.

(*6*) The provisions of this section shall have effect, notwithstanding anything to the contrary contained elsewhere in this Act or in any other law or any agreement, award or other instrument for the time being in force.

(*7*) Notwithstanding anything contained in the Transfer of Property Act, 1882, or the Registration Act, 1908, an order making a scheme referred to in sub-section (*1*) shall be sufficient conveyance, in accordance with the provisions of this section, to transfer the assets and liabilities of the transferor bank to the transferee bank. **4 of 1882. 16 of 1908.**

BEFORE ARBITRATOR

Present:

Shri N. C. KUNDU, Additional Labour Commissioner, Government of West Bengal, Arbitrator.

Government of West Bengal in the Labour Department, by order No. 168-I.R./IR/11L-803/72, dated 13th January 1973, published the Arbitration Agreement as shown in the Annexure "A" hereto, under sub-section 2 of section 10A of the Industrial Disputes Act, 1947 in respect of industrial dispute between the owners of nine Cinema House as referred to above (hereinafter referred to as the employers) and their workmen represented by two Trade Unions as stated above

(hereinafter referred to as workmen), as the said parties agreed to refer the dispute in question to the Arbitration by me

The said Arbitration Agreement between the employers and the workmen referred the following specific matter of dispute to Arbitration:

Issue

Grades and Scales of Pay of the employees of the abovenoted nine Cinema Houses.

The employers and the workmen were then advised to file their respective written statements. Bengal Motion Picture Employees' Union and West Bengal National Cine Employees' Union submitted their written statements by the first week of March, 1973. The employers submitted their written statements on different dates by the end of February, 1973.

The Managing Partner of Purna Theatre raised a preliminary objection on 25th April 1973, challenging the maintainability of the Arbitration Agreement.

The preliminary objection was heard on 16th June 1973, on which date Shri Chuni Lal Ganguli, Counsel for Purna Theatre, appeared. Shri R. Ghosh, Counsel for Bengal Motion Picture Employees Union, was present, Shri D. Dasgupta was present for West Bengal National Cine Employees' Union. The learned Counsel for the Purna Theatre contended that the Conciliation Officer who had dealt with the case could not be the Arbitrator, as according to him it was against natural justice. He submitted that the number of workmen involved in each house with details should have been mentioned on the Arbitration Agreement. As the total number of workmen involved in the nine Cinema Houses was mentioned, he characterised it as violation of sub section 2 of section 10A of the Industrial Disputes Act, 1947.

He also raised objection over non-pubication of the notification in the Gazette. Shri S. R. Ghosh, the learned Counsel for the Union, argued that preliminary objection was not raised in the written statement submitted by the owners of Purna Theatre and as full opportunity was given to the parties before signing the Arbitration Agreement, there was no question of violation of natural justice He further pointed out that there was no bar in law whereby a Conciliation Officer could not be appointed Arbitrator. On this point the parties did not adduce any evidence. Shri D. Dasgupta argued that before endorsing the Arbitration Agreement the parties had full knowledge about the status of the Arbitrator. As the employers had voluntarily chosen the Arbitrator, they were debarred from raising any objection afterwards.

On hearing the arguments of the parties over the preliminary objection, I rejected it on the ground that the owners of Purna Theatre were fully aware as to who was being selected as an Arbitrator. Since they had voluntarily chosen the Arbitrator and had endorsed an agreement in Form 'C' (under West Bengal Industrial Disputes Rules), their objection as to the maintainability of the Arbitration Agreement at a later stage cannot be deemed to be justified.

I have overruled the objections on the ground that the parties to the dispute had voluntarily chosen me as the Arbitrator and that if after making their own choice they raise objection challenging the competence of the Arbitrator on the ground that I acted as Conciliation Officer beforehand, it amounts to be an objection over their own action. This appears to be meaningless. Further, there is no bar in the Industrial Disputes Act, for a Conciliation Officer to act as an Arbitrator.

In the Arbitration proceedings I allowed the legal practitioners who are specialised in labour and constitutional matters, to appear before me on behalf of the parties to the dispute in course of the hearing.

The delay in completing the proceedings was due to various factors and circumstances over which none of the parties concerned nor myself had any control. The Counsels for the parties to the dispute were leading lawyers of the Calcutta High Court and to suit their convenience dates of the hearing had to be staggered.

The hearing took place on 28th February 1973, 9th March 1973, 17th March 1973 and 7th April 1973, on which dates considerable documents and materials were produced by the parties to the dispute Evidences were aduced on 12th April 1973, 25th April 1973, 4th May 1973, 15th May 1973, 16th May 1973, 17th May 1973 and 18th May 1973. Witnesses were examined and cross examined and arguments were advanced at considerable length by the parties concerned. Evidence was closed on 29th May 1973.

Before I deal with the matter which has been referred to me for arbitration, it is desirable to review the background of the present dispute. In the past there have been agreements and Tribunal awards in connection with other disputes. The State Government has also fixed minimum wages under the Minimum Wages Act as early as 1959 Minimum wages were subsequently reviewed and revised in 1970. Some of the owners having thought that the minimum wages order would adversely affect their business, took shelter of legal protection So far as the nine Cinema Houses in question are concerned the owners did not approach Calcutta High Court. Each of the houses has complied with the provisions of the Minimum Wages Order, 1970 The employees of the nine houses were dissatisfied with the wages they were being paid, they started agitation in November, 1972, as a result of which the employers declared lock-out. Thereafter, with the intervention of the Labour Directorate a settlement was arrived at on 6th December 1972, and the question of grades and scales of pay was referred to arbitration.

In their written statement the Unions have cited the following grounds for the introduction of grades and scales of pay :—

(1) That the owners of the nine Cinema Houses earned huge profit from year to year ;

(2) That the nine Cinema Houses have sufficient average weekly sales to meet the said demand ;

(3) That the profits/incomes of the nine Cinema Houses are assured by the facilities of house protection. The owners earn further income from slides, shorts, stall rents, etc. As a result of the devise of house protection enjoyed by the owners (except Purna Theatre), there is no chance of incurring loss at any time. The owners of Purna Theatre are accustomed to the system of weekly rental.

(4) That after readjustment of seats and enhancement in the price of tickets, the income/profit of the nine Cinema Houses have gone higher.

At the time of the hearing the Unions further put forward the following arguments :—

(1) Each of the nine Cinema Houses are old and established ones in the city of Calcutta ;

(2) In the modern civilised life cinema is definitely an essential item in the people's daily life ;

(3) The owners of the eight Cinema Houses (except Liberty) have stated in their written argument that due to their screening of Bengali films their paying capacity is limited. There is no mandate on them that they have to screen Bengali films only. These houses are at liberty to screen pictures of any nature and thus augment their income.

(4) The relation between the housefull capacity, hold-over, house protection and weekly sales of these Cinema Houses are such that there is always a guarantee of excess profit. Moreover, the house protection and hold-over figures have increased from year to year which fully prove that the owners have a better share of the profit.

In support of their stand that the employers cannot be called upon to introduce any scale of pay in view of the fact that the pattern of business does not envisage any rise in their business and/or profits, they produced their Balance Sheets and Profit and Loss Accounts for the last six years. The learned Counsel of the Union Shri Naranarayan Gooptu had strongly protested against the submission of the Balance Sheets and the Profit and Loss Accounts at the hearing, on the grounds that the owners did not disclose the same along with their written statements and as such they were debarred from furnishing the said documents at the hearing. On a careful consideration of the Union's objection I overruled the same. From the very nature of the proceedings before me it was necessary that the audited Balance Sheets and Profit and Loss Accounts should be taken into consideration. They are one of the sources ; of course, not the only source from which materials for the purpose of arbitration proceedings could be obtained. Hence, I allowed the cinema owners to submit copies of their Balance Sheets and Profit and Loss Accounts.

Indira Cinema's Balance Sheets and Profit and Loss Accounts for the last six years were thoroughly gone into by the parties to the dispute and evidence, both oral and written, were adduced by the employers and the witnesses were examined and cross-examined. The Union did not like to adduce any evidence in support of their contention. A Chartered Accountant had in his evidence scanned the Balance Sheets and Profit and Loss Accounts of Indira Cinema with the help of certain accounting principles and had urged that the profitability of the house was far from satisfactory.

The learned Counsel for the employers, Shri S. Sinha put forward the following arguments against the introduction of grades and scales of pay :

(1) The incomes of the Cinema Houses are static and cannot be said to be flexible. Very little income is derived from advertisement, shorts, slides and rentals from the stalls ;

(2) The employers are neither in a position to pass on the increased incidence of cost and taxation to the Cinema goers nor to increase its earnings by raising the price of tickets.

(3) The 8 Cinema Houses (except Liberty) are all situated in areas mainly inhabited by Bengali speaking people. These houses exhibit Bengali films only. Due to factors beyond the control of the employers, it is not possible to show Hindi films made outside West Bengal and thus to earn more. For similar reasons the employers are unable to earn more by raising the hold-over and House Protection Money.

(4) That any pay scale introduced without taking into consideration the paying capacity may jeopardise, the very existence of these houses and may ultimately lead to unemployment.

With regard to Purna Theatre Shri C. L. Ganguli, the learned Counsel who appeared for the Company argued that the Audited Balance Sheets and Profit and Loss Accounts of the Company showed that the Company was not in a

position to pay any increase by way of introduction of grades and scales of pay. Shri Ganguli argued that the Company had no capacity to pay more and as such there was no question of fixation of grades and scales of pay.

Having allowed the parties fullest opportunity to prove their respective stand and in order to shorten the proceedings it was agreed by mutual consent of the parties that the Balance Sheets and Profit and Loss Accounts of the other Cinema Houses would not be required to be gone through as was done in the case of Indira Cinema. It was further agreed by mutual consent of the parties that they would submit their written arguments to the Arbitrator. The proceedings were thereafter treated as closed.

I now give my findings as below :

(a) In a modern society cinema is an essential item in the people's living;

(b) Cinema is an industry falling within the purview of the Industrial Disputes Act. 1947;

(c) As far as it is possible to foresee the future of the cinema industry in West Bengal appears to be bright. In this connection I have relied upon the report of the West Bengal State Film Consultative Committee and have taken note of the various schemes of the State Government and the Central Government to revitalise the film industry. As cinema industry is not concerned with the production or manufacture of goods it is difficult to fix standards of work by means of time and motion study.

(d) As for the paying capacities of the nine Cinema Houses. I have assessed their position on the basis of the working results of the past six years. The incomes of the Cinema Houses cannot strictly be called stagnant as incomes are also derived from such sources, as percentage sharings of sales, advertisements, shorts, slides and rents from stalls.

(e) The paying capacity of the nine Cinema Houses is being considered classwise bearing in mind the accept principles of fair wages to the effect that gains from industry should be fairly distributed between labour and capital. It should be apportioned in such a way fair wages to the workers and fair return to capital are ensured. It is essential condition for peaceful industrial relations and progressive growth of national income. At the same time it has to be taken into account that if any industry is burdened with a wage structure beyond its financial capacity, its very existance may be in jeopardy.

(f) In the matter of fixing grades and scales of pay I have taken into account the capacity of the industry to pay. The capacity of the industry to pay should be gauged on an industry-cum-region basis, taking a fair cross-section of the industry.

(g) In the past repeated attempts have been made to fix up grades and scales of pay of the employees of the Cinema Houses as a whole. Bengal Motion Picture Employees' Union and the Eastern India Motion Picture Association have mutually tried on occasions to make out grades and scales of pay of the employees but every time they have failed. At one stage the issue was referred to the Fifth Industrial Tribunal under Government Order No. 1489-I.R./IR/11L-98/68, dated 11th March 1968. It was not pursued on the ground that the parties would settle the issue out of Court. It thus proves that although all attempts to make out grades and scales of pay proved abortive, the employers and employees have realised the need for grades and scales of pay.

On a consideration of the materials on record and having considered all aspects of the matter, I fix up the grades and scales of pay (basic) as given in Annexure 'B'. On a consideration of the relevant materials I am of the openion that the industry has capacity to bear the burden for introduction of grades and scales of pay and it may be to a limited extent. Bearing in mind, the financial burden that will be involved as a result, I have made out a simple grades and scales of pay.

The next question is fitting in of the employees in the wage scales laid down by this award. The determining factor will be the existing basic pay. Where the existing pay is less than the minimum of the grade or a particular stage in the time scale, it will be pulled up to the minimum of the grade or the next higher stage in the scale, as the case may be. Thereafter, the employees will be entitled to usual annual increment fixed by this award. Those who have reached the maximum or are getting more than the maximum in the time scale would not be entitled to any increment. The grades and scales of pay would be given effect to from 1st September 1973. The existing dearness allowance as linked with the variation in the consumer price index number will continue and the same remains untouched.

I award that the employers will take action accordingly.

By its order No. 4644-I.R./IR/11L-363/70, dated the 8th June 1970, the Labour Department, Government of West Bengal, referred an Industrial Dispute between Messrs. Nundlall Inderchand Private Ltd., 10 Biplabi Rash Behari Basu Road, Calcutta and their workman Shri Rajendra Shaw, C/o. Dr. P. K. Acharya, 4B Madan Mohan Burman Street, Calcutta-7 to this Tribunal under section 10 read with section 2A of the Industrial Disputes Act, 1947, for adjudication on the following issue:

Issue

Whether the termination of service by way of refusal of employment to Shri Rajendra Shaw is justified? To what relief, if any, is he entitled?

After the reference was received notices were issued to the parties. The workman appeared and filed his written statement. The Company appeared and prayed for time for filing written statement, but no written statement was filed though innumerable adjournments were granted for the purpose. Ultimately, the case was fixed for hearing on 6th September 1973 as the Company did not file any written statement. On that day none of the parties appeared and no steps were also taken. I waited upto 2 p.m. in vain.

The case, as it appears, is pending since June, 1970 and the conduct of the partes show that they are no longer interested in having the disputed adjudicated by this Tribunal. Accordingly I have no other alternative but to pass a no-dispute award on the presumption that the dispute under reference is no longer in existence.

A no-dispute award is passed accordingly.

This is my award.

AWARD

The Labour Department, Government of West Bengal, referred an industrial dispute existing between Messrs. Mcleod & Co. Ltd., Mcleod House, 3 Netaji Subhas Road, Calcutta-1 and their workmen represented by Mcleod Mill Wages and Provident Fund Staff Association, Park Road, P.O. Talpukur, district 24-Parganas, to this Tribunal by its order No. 6308-I.R., dated 15th December 1971, for adjudication upon the matter under section 10 of the Industrial Disputes Act, on the following issues:

Issues

(1) Revision of Grades and Scales of Pay of the Clerical Staff (including Comptist, Steno-typist, Typist, Bradma Operator, Painting Machine Operator, (Calculating Machine Operator), Supervisory Staff and Subordinate Staff, (2) Dearness Allowance, (3) Free Tiffin, (4) Leave facilities, (5) Half-holidays, (6) Annual leave allowance, (7) Uniform for Sub-Staff, (8) House Rent, (9) Bonus for the year 1970-71, (10) Study-Leave.

This is a reference, dated 15th December 1971, under section 10 of the Industrial Disputes Act of an existing industrial dispute between Messrs. Mcleod & Co. Ltd. and their workmen represented by the Mcleod Mill Wages and Provident Fund Staff Association. The dispute is covered by the ten issues under reference.

After notice to the parties, they entered appearance and filed written statements The contentions of the Union as raised in their written statement are briefly as follows :

The Company is a highly prosperous one. It is about 100 years old. Its Head Office is at Calcutta, but it has another unit known as Mcleod Mill Wages and Provident Fund Office at Titaghar. This unit office is to do administration and compilation work in regard to Wages and Provident Fund concerning seven jute mills. Till 1964, this office was known as the Central Hollerith Accounting Office. The Company has five jute mills in West Bengal and two in Andhra Pradesh The Company was originally Managing Agents, Secretaries, Treasurers and Agents of about 20 Companies and the entire staff necessary for doing the Head Office works of all these managed concerns were also on the Head Office roll of the Company and their total number is about 500 Clerical Staff and 700 Subordinate Staff But since the abolition of Managing Agency system the Company has distributed staff of the Head Office amongst the different Companies and it has now on its Head Office roll only about 20 Clerical Staff and Subordinate Staff The aforesaid staff were recruited in the mills and were transferred therefrom to the Head Office and vice-versa. The staff in the Mill Wages and Provident Fund Unit at Titaghar had nothing to do with the mill itself. The number of the said staff was 40, Clerical 36, Supervisory 3 and Sub-Staff one. There was another class of Clerical Staff attached to the mills of the Company to do work of routine nature. Scales of pay, D.A, tiffin allowance, leave, holidays, uniform and bonus paid to the Head Office staff of the Company as well as to those who work in the Companies are same but there is discrimination and difference in respect of the said benefits so far as employed by the staff of the Mill Wages and Provident Fund Unit at Titaghar. The said staff could however, be stationed at the Head Office of the Company and if that were so, they would have been paid the same wages and other benefits as available to the Head Office staff In fact, those in the Head Office, doing the same work of Wages and Provident Fund, are paid the same wages and benefits. The staff at Titaghar Unit possess the same talent and qualifications and capacity as in the case of Head Office staff. The places of work are also situated within a radius of 10 miles or so, constituting thereby one region. The same wages and benefit should, therefore, be introduced and extended to the staff in the Mill Wages and Provident Fund Unit working in Titaghar. But the Company with a mala fide motive refused to do the same even on representation, made both individually and collectively. So, the staff of the said Unit whose names are not borne on the rolls of the different jute mills, formed a Trade Union known as, the Mcleod Mill Wages and Provident Fund Staff Association, i.e., the Association in the reference, and got the same registered under the Trade Unions Act, 1926, on 15th May 1971, the registration number being 9290. On 13th July 1971, the Union submitted a Charter of Demands accordingly.

The Union further avers that the entire staff of this Union was appointed by the Mcleod and Co. Ltd., that they were paid their wages or salary also by that Company and that they also worked under the direct supervision and control of the said Company which was also the authority for taking disciplinary action against them.

The Company did not reply to the Charter of Demands. So the Union referred the dispute to the Deputy Labour Commissioner, Shri P. C. Seth. The matter was transferred thereafter to Shri S. Chatterjee, Assistant Labour Commissioner, Barrackpore, for conciliation. The conciliation proceeding was held on 30th August 1971 and also on 7th September 1971 and 20th September 1971, but without any effect Hence this reference.

The Company filed a written statement raising the contentions, inter alia, as follows :

The office of the Mill Wages and Provident Fund was started in 1950 for the purpose of doing various works in respect of wages and provident in the Hollerith Machine for the then different jute mills in the group under the Managing Agency of Messrs Mcleod and Co Ltd., and was administered solely by the Kelvin Jute Co. Ltd., one of the Companies under the management of Mcleod & Co. Ltd. The number of the staff of the Unit were mostly transferred to the said Unit from the various mills with continuity of the existing terms and conditions of their service in the various mills. All the expenses of that office at that time were borne by the Kelvin Jute Co Ltd and were subsequently reimbursed by the various mills, proportionate to the work done through Inter Mills Billing system Consequent upon the suspension of the Inter-Mill Billing System some time in or about September 1966, the services of the individual employees working in the Mill Wages and Provident Fund were transferred to the establishments of various mills on the basis of work done by them, although the workers continued to work in the same office. A Tripartite Settlement, dated 16th January 1967, was arrived at in respect of the dispute raised by the staff of the said office. This settlement is still subsisting and governs the status of the staff. Salaries were paid to the individual members by the respective mills. At all material times the employees of the Mill Wages and Provident Fund Office were the workmen of various jute mills and had nothing to do with the Head Office of Mcleod & Co. Ltd. The members of the staff of this office were always covered under various jute mill awards and Wage Board recommendations. The terms and conditions of their employments were governed by the rules and regulations of the jute mills and all of them enjoyed benefits and privileges as applicable to jute mills. The award of the 4th Industrial Tribunal, dated 24th August 1953 and published in the "Calcutta Gazette" on 24th September 1953, negatived the claims of the workers of this office for the same rate of D.A. in vogue in the Head Office under the Bengal Chamber of Commerce Mcleod & Co. Ltd. ceased to be Managing Agents of the jute mills on and from May-July 1968. So, in any case, Mcleod & Co. Ltd. had nothing to do with the Mill Wages and Provident Fund Unit. The employees working in this office at no material times were concerned with the Head Office of Messrs Mcleod & Co. Ltd., or its managed Companies and as

such their claim for any scales, emoluments, benefits and privileges as are enjoyed by the Clerical Staff at the Head Office is absolutely baseless, unfounded and unjustified. The Mill Wages and Provident Fund Office at Titagarh had nothing to do with the Head Office of Messrs. Mcleod & Co. Ltd. and it was never and is not a Unit of the Head Office as alleged. It is incorrect to say that Mcleod & Co. Ltd., has five jute mills in West Bengal and two in Andhra Pradesh. It is not correct to say that a section of the Company was made to work at Titagarh for administrative convenience only. The terms and conditions of the staff working in the Head Office had nothing to do with the employees of the Mill Wages and Provident Fund Section at Titagarh. The nature of work done by the Mill Wages and Provident Fund staff is entirely different from the work done by the employees of Mcleod & Co. Ltd. So no question of mala fide motive on the part of the Company arises in not acceding to these unjustified demands of the workmen of this unit.

The Company subsequently on 13th July 1973, filed an application raising some preliminary objection on facts raised in the earlier written statement about the maintainability of the reference and the jurisdiction of this Tribunal. They say that the Order of Reference is not maintainable in law inasmuch as there has been no industrial dispute between Messrs. Mcleod & Co. Ltd., and their employees in respect of the issues under reference because the workmen of the Mill Wages and Provident Fund Section at Titagarh were not their employees. The tripartite settlement referred to earlier is also a legal bar to raising such a dispute with the Company. The workmen are all employees of different jute mills, which are separate and distinct entities in the eye of laws. They have asked the Tribunal to hear and answer the aforesaid preliminary points of objection involving question of jurisdiction first. The matter was accordingly heard.

From the side of the Company as many as four witnesses were examined. From the side of the Union two witnesses were examined. A number of documents have also been exhibited from both sides. The Annexure 'C' contains the names of the 40 workmen working in the Mill Wages and Provident Fund Section at Titagarh, previously known as the Hollerith Office, although the last person, namely, Shri B. K. Kundu is shown in the said Annexure to have had his original appointment from the Mcleod & Co. Ltd., Head Office, in June 1965. Shri B. K. Kundu is P.W. 3. His full name is Binal Krishna Kundu. He states as follows:

He is the Provident Fund Supervisor in Kelvin Jute Mill. Kelvin Jute Co. Ltd. is his employer. Persons dealing with Provident Fund and Mill Wages work in Kelvin Jute Mill. Their number would be about 40. These 40 persons are employees of different jute mills. He has also produced salary-sheets marked Ext. 3 series, showing that 19 out of these 40 empolyees are borne on the salary-sheets of the three jute mills, namely, the Alexander Jute Mills, the Empire Jute Mills and Nellimarla Jute Mill. He further says that he got the benefit of the jute award, but not any benefit of Mcleod & Co. Ltd. Thereafter, he says that Mcleod & Co. Ltd. does not control and supervise his work, or the work of the Provident Fund and Mill Wages Section. He was cross-examined in various ways. He was asked as to whether he has in his possession any document showing that Nellimarla Jute Mills gave appointment to the ten workmen found in the salary-sheets of that mill. By asking this question the Union only tried to avoid their own duty in this respect. It was for the Union to show the letter of appointments of the workmen. He categorically denied the Union's further suggestion that he got employment from Mcleod & Co. Ltd., and was transferred to the Hollerith Section.

P.W. 1, Shri Ganga Charan Basak, a Junior-Grade Assistant of Mcleod & Co. no doubt said at first in cross-examination that there was a Sectional Office of Mcleod & Co. Ltd. in Titagarh, now called the Mill Wages and Provident Fund Section, but previously known as the Hollerith Section. But he forthwith corrected himself and said that he did not know if that Sectional Office is of Mcleod & Co. Ltd., or if the employees in this dispute were appointed by Mcleod & Co. from its Hollerith Section through its Manager. Therefore, his statement and the Salary Register, Ext. 1, produced by him, showing none of the employees in the reference therein, do not come to the help of the workmen.

P.W. 2, Shri Paritosh Chatterjee is another Junior Grade Assistant working in the Law, Personnel and Establishment Department of Mcleod House. He stated very clearly that no employee of Mcleod & Co. Ltd., got the benefit under the jute award and that no employees of Mcleod & Co. Ltd. work in the Provident Fund and Mill Wages Section of the jute mills. He categorically says the said section is not a department of Mcleod & Co. Ltd. He produced the Attendance Registers marked Ext. 2 collectively. There is no record of attendance of any of the employees under reference in the said Registers. In cross-examination he inter-alia, says that when the Managing Agency System was abolished in 1968, the jute mills offices situated in Mcleod House became separate entities; but inasmuch as all the things cannot be done at a time, it was finalised in 1970, that as per the agreement between the Union and the Company after the lock-out in May 1970, all the employees of Mcleod & Co. Ltd., were distributed amongst various jute mills on the basis of the work they used to do originally as employees of Mcleod & Co. because Mcleod & Co. was the Managing Agent. Thereafter he says that till the settlement after the lock-out in May 1970, all the employees working in Mcleod House were in the Pay Roll and Attendance Register of Mcleod & Co. Ltd.

The next witness P.W. 4, Shri Rabindra Nath De, a Head Clerk in Kelvin Jute Mill produced his salary register, Ext. 4 showing the names of the persons working in the Mill Wages and Provident Fund Section of the said jute mill. His first appointment was in the Presidency Jute Mill and he was transferred to the Hollerith Section in 1969. He denied categorically that K. P. Bhattacharjee, T. N. Bhattacharjee and B. K. Kundu, supervisors of the Mill Wages Section, are staff of Mcleod & Co. Ltd.

From the side of the Union Shri Sudhir Kr. Chatterjee, who is a signatory to the Tripartite Settlement, says that he is the Vice-President of the Mcleod Mill Wages and Provident Fund Staff Association, i.e., the Association in the reference, that this Hollerith Office at Titagarh is an office of Mcleod & Co. Ltd., that the staff thereof are employees of Mcleod & Co. Ltd., that Messrs. A. M. Marr, W. Yuré, W.

Suttor, A. C. Fotheringhum used to supervise their work and they were all men of Mcleod & Co., that presently Shri R. S. Jain of Mcleod & Co. supervises their work, that disciplinary action against them is taken by Mcleod & Co. Ltd., and that upgrading is done by Head Office. But in cross-examination he said that he did not get any appointment letter from Mcleod & Co. Ltd., that he used to take leave from Mill Wages and Provident Fund Office, that he has no evidence to show that the said office is a department or branch of Mcleod & Co. Ltd., that he at first worked in the Presidency Jute Mill, that he does not know if he used to get his salary from that particular jute mill, that he works in the same place with P.W. 3, Shri B. K. Kundu, that he never worked in Mcleod House, that excepting Shri K. K. Bhattacharjee none of the 40 applicants ever worked in Mcleod House, that his provident deduction is made at Nellimarla Jute Mill and that he cannot name a single individual who is getting the benefit under the jute award as well as is an employee of Mcleod House. The Union also examined another witness D. W. 2, Shri Benoy Banerjee, now working in Britannia Engineering but previously under Mcleod & Co. Ltd. He names Messrs. W. Yure, A. C. Fotheringhum, W. Suttor and A. M. Marr as being officers of Mcleod & Co. Ltd.

Now let me come to the documentary evidences in the case The award Ext. 5, though terminated by this Union by a notice as required under the law, shows that the staff of the Hollerith Section then represented by the Titagarh Mcleod Employees' Association raised a dispute admitting Messrs. Kelvin Jute Mills Ltd., as their employers.

Award was dated 24th August 1953 and it was published on 24th September 1953. The award may not exist by virtue of the termination, but the statement of his fact therein remains. The Union in their written statement took up the case that as they do the work not only of this Kelvin Jute Mills Ltd., but also of seven other jute mills in West Bengal and two others in Madras, they cannot, therefore, be described as workmen working in a jute mill or a factory so as to be deprived of the benefit of D.A. as per the scale of Bengal Chamber of Commerce. The Company's case was that the staff were procured from the different jute mills under the Managing Agency of Mcleod & Co. Ltd. and at the time of so procuring it was made clear to the clerks that their previous services in the jute mills would be regarded as continuous with their services in the Hollerith Section. The Tribunal found that they were employees of the Kelvin Jute Mills Ltd., but neither of the Managing Agents nor of the individual jute mills. The Union in the reference cannot avoid the mischief of this award on the allegation that they did not know at that time the correct position. The case reported in 1964 LLJ. (2) p. 146 and relied upon by them, has obviously no application to the instant case.

Not only this award. There is another document which stands in the way of the Union's taking the stand that they have now taking. The same consists of a Tripartite Settlement, marked Ext. 8. This settlement was arrived at on 16th January 1967 and as already said before, the Union's witness Shri S. K. Chatterjee was a signatory to this settlement. The occasion for giving rise to the settlement was a dispute raised by the Clerical Staff of the Kelvin Jute Mills in December 1966, regarding the transfer of the staff of this Mill Wages and Provident Fund Section to the different mills under Mcleod & Co. Ltd. It is clearly stated in the settlement that consequent upon the decentralisation of the Mill Wages and Provident Fund Office of the Mcleod group of jute mills, which were thereto under the direct administration of Kelvin Jute Mills, it was agreed that the individual clerks will now onwards be borne on the muster rolls of individual mills and their services accordingly will be transferred as shown in Kelvin Jute Mills' notice, dated 2nd December 1966, which gave rise to the dispute, and that the clerks concerned will continue to work in the premises of the Kelvin Jute Mills in the Mill Wages and Provident Fund Office. Even if this settlement taken to have been terminated by submission of the Chater of Demands, as contended by the aforesaid Union's witness Shri S. K. Chatterjee still the fact remains that by the settlement the then Union admitted two things, namely, that the Mill Wages and Provident Fund Section was under the direct administration of Kelvin Jute Mills though it was an office of all the jute mills under the control of the Managing Agents Mcleod & Co. Ltd., and that the clerks concerned were transferred to the individual mills. In this connection, it will be better to refer again to the evidence of P.W. 2, Shri Paritosh Chatterjee. His evidence no doubt apparently supports the Union's contention because he says that after the lockout in May 1970, all the employees of Mcleod & Co. Ltd., were distributed among the various jute mills on the basis of the work they used to do originally as employees of Mcleod & Co., because Mcleod & Co. was the Managing Agents and that till the said settlement all the workmen working in Mcleod House were in the Pay Roll and Attendance Register of Mcleod & Co. Ltd. This statement does not, however, really support the Union. This witness nowhere says that the staff of the Hollerith Section or even if some of them were ever employees of Mcleod & Co. Ltd., or ever worked in the Head Office. On the other hand, we get that even at the time of the award referred to, the staff of the Hollerith Section raised dispute against Kelvin Jute Mills as being their employer, which is the case of the Company in the reference. The learned Advocate for the Union also submitted in this context that the Company should show as to how and when the staff of the Hollerith Section, originally being employees of Mcleod & Co. Ltd., were distributed to the different jute mills. This argument also pre-supposes the fact that all the staff of this Hollerith Office were once employees of Mcleod & Co., regarding which there is, however, no evidence, so far discussed.

There are, however, some documentss showing that Mcleod & Co. Ltd., issued some letters to some of the employees of this Mill Wages and Provident Fund Section either by way of granting leave or by way of disciplinary action, or by way of transferring the persons from one place to another. The said letters are marked Exts. A series and B. Ext. A is a letter under the signature of Mr. Marr, who is found from evidence to be an officer of Mcleod & Co., and in the letter-head McLeod & Co. Ltd., addressed to one Shri S. S. Roy, Hollerith Operator, C/o. Kelvin Jute Mills. This letter is an expression of dissatisfaction though not followed by disciplinary action, against the workmen's participating in an alleged illegal strike. But this letter was dated 14th April 1951, i.e., when Mcleod & Co. Ltd., was admittedly managing agents of the jute mills including, obviously the Hollerith Section, which was a concern of and under

the direct administration of one of the jute mills. Ext. A(1) is also a similar letter addressed to another worker, Shri S. N. Sircar. It is also of the same date. Ext. B is an office order under the signature of a Director of Mcleod & Co., and in their letter-head. It was dated 20th March 1968. So this was also a letter before the abolition of the Managing Agency System which took place sometime between May-July 1968. Another letter showing granting of casual leave to a worker of this section is also of 1953. So, it is evident that these letters do not establish the Union's contention that Mcleod & Co. Ltd., was, the authority for taking disciplinary action after the abolition of the Managing Agency System. Moreover, it is also too obvious that as Managing Agents or Managers, Mcleod & Co. would have this much of control over the staff of the various jute mills, which were Limited Companies, having independent Board of Directors and being separate and distinct entities in the eye of law.

The real question is who gave appointment to these 40 persons of this Hollerith Section, who paid for their wages or salaries and who was the authority to dismiss them from service. Regarding these three things there is no evidence which can warrant a conclusion that Mcleod & Co. Ltd., gave appointment to any of those 40 persons, or that the said Company paid the salary of these workmen, on the contrary, even Shri Sudhir Kumar Chatterjee says that his salary is sent from Nellimarla Jute Mills. There is also no evidence that disciplinary action by way of dismissal from service was ever taken by Mcleod & Co. Ltd. Even if they have taken any such action, the same would not have been also inconsistent with their position of Managing Agents. There also remains the fact that these persons have got benefit of the jute award. The supervision that was exercised by the various European Officers of Mcleod & Co. Ltd., the names of which persons have been disclosed in the evidence, is also not at all inconsistent with the staff of this section being employees at first of Kelvin Jute Mills and thereafter on decentralisation of different jute mills inasmuch as Mcleod & Co. Ltd., as Managing Agents was undoubtedly within their right to exercise such supervision over their work. The case law reported in 1964 LLJ. (1) 285 does not help the Union in the instant case because the facts are altogether different. There the real employer wanted to create a veil by engaging some contractors or agents between themselves and the Biri workers. They, however, retained the right to direct what work was to be done and even to control the manner in which such work was to be done.

Therefore, on a consideration of the above facts and circumstances, I cannot but come to the conclusion that the workmen have indeed failed to prove that they are employees or workmen of Mcleod & Co. Ltd. in the reference. On the other hand, the evidence on record shows that they were at first employees of Kelvin Jute Mills Ltd. and then distributed to various jute mills. That being so, they cannot raise any dispute against Mcleod & Co. Ltd. So the instant dispute undoubtedly falls short of an industrial dispute as defined in the Industrial Disputes Act. This, therefore, ousts the jurisdiction of this Tribunal and makes the reference bad, as rightly contended from the side of the Company.

The preliminary points are, therefore, answered in favour of the Company and against the Union in reference.

This is my award and this disposes of the reference.

AWARD

By the Government of West Bengal, Labour Department, order No. 2868-I.R./IR/11L-271/71,

dated the 9th July 1971, an industrial dispute existing between Messrs. South Calcutta Timber Works, 39A Russa Road (East), Calcutta-33, and their workman, Shri Babu Shai Yadav, C/o. Shri S. N. Roy Chowdhury, President Commercial Establishment Sub-Staff Union, 19/2A Pitambar Ghatak Lane, Calcutta-27, was referred to this Court under section 10 read with section 2A of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication, in respect of the following issue:

Issue

Whether termination of service of Shri Babu Shai Yadav, by way of refusal of employment to him, is justified? To what relief, if any, is he entitled?

This is a reference under section 10 read with section 2A of the Industrial Disputes Act, in respect of the issue whether termination of service of Babu Shai Yadav by way of refusal of employment to him is justified or not. The case of the workman is that he was employed in the Company and was working thereto since November 1969, at a monthly salary of Rs. 135. That he was taken ill on 10th May 1970, and went back to his native place upon taking leave for two months. That after recovery from the illness, he came to Calcutta on 12th July 1970, and on the same day went to resume his duties. But he was not allowed to join. That the Company did not assign any reson for refusing to give him employment. That the workman requested the Company by his letter dated 18th July 1971, to tak him back in his former service. But without any effect. Subsequently, the matter was referred to the Labour Commissioner before whom the Company did not appear.

Notices were duly served upon both the parties. On 27th August 1971, Shri S. K. Banerjee, Advocate appearing for the Company and prayed for time. The matter was subsequently adjourned from time to time on the prayer of one side or the other. On 27th August 1973, last as none appeared for the Company this day was fixed for hearing. Today the Company's representative did not appear nor any step taken. Obviously, the matter was taken up for ex parte hearing.

The workman has examined himself in support of his case. His evidence is that he used to draw Rs. 135 per month from the Company. That in May, 1970, he was laid up with indisposition. He has produced a certificate in support of that (Ext. 1). His further evidence is that the Company granted his leave till recovery and on 12th July 1970, he came back to Calcutta after having fully recovered and went to the Company to resume his work there. But the Company refused him employment. That he gave a letter to the Company requesting to allow him to resume his work. The said letter is Ext. 2. It was sent per registered post (Ext. 2/A) According to him he was not charge-sheeted nor the matter was enquired into by the Company. Under the circumstances, the reference should be disposed of in favour of the workman and the issue should be answered in his favour.

Hence ordered that the termination of service of Babu Shai Yadav by way of refusal of employment to him is not justified. He is entitled to reinstatement with back wages with effect from 12th July 1970.

This is my award. This disposes of the instant reference.

Issue

Whether the Company is justified in dismissing the services of Sarbashri Anil Baran Chakraborty, Subodh Kumar Das and Gopal Banerjee. To what relief, if any, are they entitled?

This is a reference under section 10 of an existing industrial dispute between Messrs. Shalimar Tar Products (1935) Ltd. and their workmen. Shri Anil Baran Chakraborty, Shri Subodh Kumar Das and Shri Gopal Banerjee. The dispute centres round the dismissal of the aforesaid three workmen from service of the Company, as contained in the issue above. The reference was dated 18th March 1970.

After receipt of the Order of Reference, the parties were duly notified and they also filed written statements. The Company also raised preliminary objection affecting jurisdiction of the Tribunal to adjudicate the issue under reference. The same was heard and decided in favour of the workmen. Thereafter, the case was fixed for hearing first on 2nd August 1971. Then after numerous adjournments taken from both sides, the case has been settled between the parties on the basis of a joint petition of compromise, incorporating therein terms of compromise with a prayer that the Tribunal should dispose of the reference in terms thereof. Heard the learned representatives of both sides including the three workmen named abo They have admitted their signatures in the petition of compromise. So also the representatives of the Company and of the workmen.

I have perused the petition of compromise and the terms thereof. The terms of compromise are found to be quite reasonable, fair and just. The compromise is also found to be lawful and a genuine one.

In view of the above I accept the Solenama and pass award in terms thereof as prayed for. The Solenama forms part of the award as Annexure A.

This disposes of the reference.

33. When the amount of such compensation is not paid or deposited on or before taking possession of the land, the State Government shall pay the amount of compensation determined with interest thereon at the rate of four *per cent. per annum* from the time of so taking possession until it shall have been so paid or deposited.

AWARD

The Government of West Bengal, Labour Department, has referred an industrial dispute between Messrs. Card Board & Paper Products Co., 1 Taratala Road, Calcutta-24, and their workmen represented by Card Board & Paper Products Co. Mazdur Union, 1/1 Garden Reach Road, Calcutta-24, to this Court by its order No. 5757-I.R./IR/11L-41(B)/71, dated 27th November 1971, under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issue:

Issue

Whether the refusal of employment to Sarbashri Chandra Deo Pundey Md. Hanif, Mehdi Hossain, Ram Sundar Pashi, Ranjit Dubey, Sarfuddin Ramjatan, Sovan Hajan and Samsul is justified? What relief, if any, are they entitled to?

On receipt of the reference usual notices were served upon the parties and they entered appearances and put in their respective written statement.

The case of the Union representing the 9 workmen is as follows:

The Company, Messrs. Card Board & Paper Products Co. (hereinafter referred to as the Company), is a prosperous concern but the workmen are all ill-paid and deprived of any amenity worth-mentioning. The Company declared an unjustified lay-off on 26th and 27th September 1967 followed by a lock-out from 28th September 1967 to 14th April 1968 resulting in great discontentment amongst the workmen of the Company. The concerned 9 workmen were leading all the workmen in a peaceful agitation for withdrawal of the lock-out, but the said agitation created annoyance to the Company and out of vindictiveness the Company refused employment to the said 9 workmen without holding any enquiry and giving any scope of defence. The aggrieved workmen and their Union approached the Company for reinstatement on 15th and 16th April, but the Company refused to concede to their demands.

The Company, in their written statement, has denied and disputed the material allegations made by the Union and has contended, inter alia, that on 26th September 1967 the concerned workmen started creating troubles at the factory gate and on 27th September 1967 they forcibly broke open the gate of the factory, entered inside the department and took complete control of the factory in their own hands and abused the managerial staff of the Company. It is further contended that being left with no other alternative the Company declared a lock-out by a notice, dated 28th September 1967 and issued charge-sheets to the concerned workmen. The charge-sheeted workmen were given every opportunity in the domestic enquiry held by an outsider and as a result of that enquiry the management passed the order of dismissal of the workmen in accordance with law.

It is also the case of the Company that neither the Union nor the workmen approached the Company for reinstatement of the workmen concerned.

Initially the Company raised preliminary objections against the maintainability of the reference but subsequently the parties agreed to a consolidated hearing and led evidence accordingly. The preliminary point taken by the Company is that no demand was placed with the management either by the concerned workmen or by the Union and accordingly the present dispute is bad in law. Obviously the Company has relied on the decision of Sindhu Resettlement Corporation versus Industrial Tribunal, Gujrat, reported in 1968(16) FLR 307. The learned Lawyer for the Company has also cited the decision of Delhi High Court reported in 1970(20) FLR page 343 which followed the earlier Supreme Court decision. The point is now well-settled that the demand by the workmen must be raised first on the management and rejected by them before an industrial dispute can be said to arise and exist. But in this case it has been established by the evidence of P.W. 2 Md. Hanif, one of the workmen and Ext. 1 that the Union actually raised such a demand with the management. P.W. 2 has categorically stated that he carried such letter of the Union and handed over to the management. Exhibit 1 would indicate that the management actually received a Charter of Demand from the Union which, among others, contained the demand for immediate reinstatement of the 9 workmen refused employment by the Company. There is no evidence on the side of the Company to controvert such a plea of the Union.

Therefore, I hold that the Union on behalf of the 9 workmen raised the demand with the management before going to the Conciliation Officer. The preliminary point taken by the Company is thus overruled.

That takes us to the merits of the case. Chandra Deo Pundey, Md. Hanif, Mehdi Hossain, Ramsundar Pashi, Ranjit Dubey, Sarfuddin Ramjatan, Sovan Hajan and Samsul are the 9 workmen concerned in this dispute. It is practically admitted in pleadings and also established by the evidence of P.W. 1 Sam Sul Hussain, P.W. 2 Md. Hanif and P.W. 3 Chandra Deo Pundey that there was a lay-off in the factory on 26th and 27th September 1967 followed by a lock-out from 28th September 1967 to 14th April 1968. It is the case of the Union that after the lock-out was lifted the 9 workmen went to report for duty but were refused employment on 15th April 1968 and again on 16th April 1968. The case of the Company as stated earlier that they were dismissed following a domestic enquiry after they had been charge-sheeted for misconduct mentioned in the charge-sheet. But the learned Lawyer for the Union has contended that the Company cannot be allowed to travel beyond the scope of reference and challenge the very basis of the issue set forth in the Order of Reference. In support of his contention he has relied on the Supreme Court decision reported in 1967(1) L.L.J. page 423. It is clear from a reading of the said decision that this Court must proceed on the factual existence of the refusal of employment to the 9 workmen concerned, and to find out if such refusal was justified or not. But it is also true that as a plea for justification of such refusal the Company can plead the case of dismissal after proper enquiry. This position has been accepted by the learned Lawyer for the Union.

The onus of proving the justification of refusal of employment is certainly upon the Company. In this connection I may add that the Company has not challenged the evidence led by the workmen who have proved that 9 concerned workmen went to report for duty but were refused. This position has been clearly established by the evidence of P.W. 1 Sam Sul Hussain, P.W. 2 Md. Hanif, P.W. 3 Chandra Deo Pundey, P.W. 4 Ramsundar Pashi. All of them have said that on 15th April 1968 the 9 workmen went to report for duty but the Durwan and then the Manager refused employment to them. As regards the Company's case the learned Lawyer for the Union has pointed out that the fact of dismissal could not be proved by the Company by adducing any cogent evidence. All that the Company could do in this case was to prove the record of two enquiry proceedings and the findings thereon. But the Union has challenged the very basis of the proceedings and has contended that those are all manufactured papers for the purpose of this case. Let me, therefore, scan the evidence with the regard to the domestic enquiry alleged to have been held by the Company and denied by the workmen. O.P.W. 2 A. J. Sajnani has proved the record of enquiry proceeding (Ext. D) and his findings thereon (marked Ext. E). It is his evidence that he held the enquiry in respect of three workmen named Ranjit Dubey, Mehdi Hussain and Md. Hanif. Exhibit D indicates that the enquiry proceedings were

commenced against 6 workmen namely, Ranjit Dubey, Mehdi Hussain, Md. Hanif, Sovan Hajan, one Makuram (not concerned in this dispute) and Samsul Hussain and such enquiry was held on 24th January 1968 in the Administrative Office of the factory. But in his report (Ext. E) he says that only Ranjit Dubey participated in the enquiry till the end while Mehdi Hussain and Md. Hanif left in course of the proceeding. He has also found the charges proved against Ranjit Dubey, Mehdi Hussain and Md. Hanif and has recommended for a further enquiry against the three others. But the record of proceedings does not bear the signatures of any of the workmen said to have participated in the enquiry and it is the evidence of P.W. 2 Md. Hanif that he along with Mehdi Hussain and Ranjit Dubey went to attend the enquiry and waited for one hour and a half before they left due to the absence of the Enquiring Officer. It is also his evidence that the management informed them of a further notice of enquiry which was never sent to them. O.P.W. 1 P. K. Nundy claims to have conducted the enquiry, of course ex parte in respect of Chandra Deo Pundey, Samsul Hussain, Sarfuddin Ramjatan, Ramsundar Pashi, Sovan Hajan and Makuram (not concerned in the dispute). His record of proceeding, Ext. A indicates that he held the enquiry on 1st March 1968 at 11 a.m. It is recorded by him both in the record of proceedings (Ext. A) and the report (Ext. B) that the notices of enquiry to the said workmen could not be served and so a general notice had to be published in the Biswamitra Daily of 27th February 1968 and an extract of such Hindi newspaper is marked Ext. C-10 as part of the proceeding. Relying on the observations of the Supreme Court at page 312 of the decision of Bata Shoe Company reported in 1961 (Vol. I) L.L.J. 303, the learned Lawyer for the Union has challenged such notices in the newspaper as bad in law and factually not proved. The Supreme Court has clearly observed that in the absence of any specific provision in the Standing Order (there is no Standing Order in the present case) the management was required to publish the notice in the names of the concerned workmen in some newspaper in the regional language with wide circulation in that very State. Obviously the regional language of this State is Bengali and no notice was published in any Bengali newspaper of regional language. Secondly, it was the duty of the Company to produce the entire newspaper Biswamitra of the date to prove that it was really published in the newspaper. There is much scope for criticism that a cut-piece of a newspaper as in the present case, can be manufactured. Moreover, P.W. 1 Samsul Hussain, P.W. 3 Chandra Deo and P.W. 4 Ramsundar Pashi have categorically stated that they do not read the newspaper. Daily Biswamitra. Upon such evidence and the pronouncement of the Supreme Court I am unable to hold that the concerned workmen mentioned in the Ext. C-10 had proper notice of the enquiry alleged to have been held on 1st March 1968 by the O.P.W. 1 P. K. Nundy. As regards the rest covered by the enquiry proceeding of O.P.W. 2 A. J. Sajnani, I am also not convinced that Ranjit Dubey, Mehdi Hussain and Md. Hanif actually participated in the enquiry on 24th January 1968. None on behalf of the management was examined to prove that enquiry proceedings were really held by 2 enquiring officers on the 2 dates, namely 24th January 1968 and 1st March 1968 respectively in the face of the stout denial of the workmen P.W. 1 Sam Sul Hussain, P.W. 2 Md. Hanif and P.W. 3 Chandra Deo Pundey and P.W. 4 Ramsunder Pashi.

It is, however, true that Ranjit Dubey has not examined himself to deny that he attended the enquiry on 24th January 1968 as stated by O.P.W. 2 A. J. Sajnani. But even then it is difficult to believe that he actually participated in the enquiry because none of the pages of the proceedings bears his signature. There is, of course, the endorsement of the Enquiring Officer that Ranjit Dubey refused to sign the proceedings. But it is difficult to believe that he would participate in the enquiry and refuse to sign the proceedings. Even assuming that he attended the enquiry, it does not help the management very much. I have already pointed out earlier that there is absolutely no evidence to show that the management dismissed the concerned workmen. It becomes, therefore, redundant to decide whether there was any fair and proper enquiry in consonance with the principles of natural justice. But reading the evidence as a whole I am unable to hold in this case that there was any fair and proper enquiry and the workmen were afforded reasonable opportunity to defend their case.

The net result, therefore, is that the management fails to prove the fact of dismissal in order to justify the refusal of employment to the 9 concerned workmen. Upon the evidence on record I am bound to conclude that the refusal of employment to the 9 workmen with effect from 15th April 1968 was wholly unjustified.

Accordingly, by way of relief, the 9 workmen should be reinstated with full back wages from 15th April 1968.

This is my award.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Belur Glass Works Ltd., Sapuipara, Belur, Howrah (Head Office: 203/3/1 Mahatma Gandhi Road, Calcutta-7) and their workmen represented by Belur Glass Works Workers' Union, 3 Shyama Charan Mukherjee Lane, Shibpur, Howrah. (Case No. VIII-30/73.)

BEFORE THE SEVENTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri P. K. ROY, Judge,

Seventh Industrial Tribunal.

For the Union : None.

For the Company : None.

AWARD

By order No. 1175-I.R./IR/11L-374/70, dated the 10th February 1973, the Government of West Bengal, Labour Department, referred an industrial dispute existing between Messrs. Belur Glass Works Ltd., Sapuipara, Belur, Howrah (Head Office : 203/3/1 Mahatma Gandhi Road, Calcutta-7) and their workmen represented by Belur Glass Works Workers' Union, 3 Shyama Charan Mukherjee Lane, Shibpur, Howrah, to this Tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following Issues :

Issues

1. Whether the closure of the factory is real ? To what relief, if any, are the workmen entitled ?

2. Bonus for the accounting year 1971 payable in 1972.

It appears that on 16th February 1973 the present reference was received by this Tribunal for its adjudication. It further appears that on 8th March 1973 notice was duly served upon the Union for filing its written statement. But on the date fixed no written statement was filed by the Union. Notice was also issued to the Company and at the first instance, it was returned unserved with the remark "Factory closed". A fresh notice was issued. But this time also the Postal Authority returned the same with the remark "the door closed". From the Order of Reference it appears that it was at the instance of the Union. But unfortunately, since 8th March 1973 no step has been taken by the Union. Considering as above, I hold that the Union is no longer interested in the reference, and it is fit and proper that I should dispose of this reference with the remark "no dispute". Hence, I pass a "no dispute" award. The reference is disposed of accordingly.

Dictated and corrected by me.

P. K. ROY,
Judge.

P. K. ROY, Judge,
Seventh Industrial Tribunal.

NOTIFICATION

No. 4980 Co-op./7M-44/70.--11th December 1973.—Whereas the members of the managing committee of the Metropolitan Co-operative Housing Society Limited (hereinafter referred to as the said society) have--

(1) acquised in a number of decisions taken by the previous managing committee regarding allotment of lands to the members of the said society, which are contrary to the bye-laws of the society and managed to have them ratified at the special general meeting held on 28th December 1972 without any specific agendum in this regard;

(2) failed to take effective steps towards making allotment of plots to the members of the said society in accordance with a rational and equitable scheme of allotment consistent with the bye-laws of the said society;

(3) embarked upon a project of construction without prior allotment of plots which is a prerequisite for such construction;

(6) engaged the Builcon Construction (P) Limited, a subsidiary company of Builcon Human Habitation, the architect of the said society, for execution of pre-cast flooring, the said action amounting to, for all practical purposes, engaging the same firm (under a different name) for checking and supervision of its own work;

(7) failed owing to mismanagement of affairs of the said society to make payment of the contractor's bills amounting to about rupees two lakhs within the stipulated period, thus making the said society liable to payment of heavy compensation in respect thereof;

(1) that the members of the managing committee of the said society have—

(a) persistently made defaults and been grossly negligent in the performance of their duties imposed on them by the said Act and the rules and bye-laws thereunder, and

(b) committed acts which are prejudicial to the interest of the said society and the co-operative movement as a whole, and

(2) that there is a virtual deadlock in the administration of the said society owing to internal dissensions and prevailing resentment of the members of the said society against its managing committee, and

(3) that in the aforesaid circumstances, immediate dissolution of the managing committee of the said society is essential in the interests of the said society and the co-operative movement as a whole;

Now, therefore, in exercise of the powers conferred by the proviso to sub-section (1) of section 26 of the West Bengal Co-operative Societies Act, 1973 (West Bengal Act XXXVIII of 1973), the Governor is pleased hereby—
